25 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
26

27 SECTION 1. Arkansas Code Title 17 is amended to add an additional
28 chapter to read as follows:

CHAPTER 4

EARN AND LEARN ACT OF 2021

17-4-101. Title.

31
32 This chapter shall be known and may be cited as the "Earn and Learn Act
33 of 2021".
34

17-4-102. Legislative findings – Purpose.

35
36

1 (a) The General Assembly finds that:

2 (1) Apprenticeships prioritize on-the-job training and provide
3 workers the opportunity to earn a paycheck while working towards industry-
4 recognized credentials;

5 (2) Apprenticeships allow employers to build a skilled workforce
6 according to industry standards; and

7 (3) Occupational licensing prevents the citizens of this state
8 from taking full advantage of apprenticeships because many apprenticeship-
9 friendly jobs require a license to legally work in this state.

10 (b) It is the purpose of this chapter to allow individuals to work and
11 earn a paycheck while also fulfilling licensing requirements and gaining the
12 skills to fill the needs of an expanding workforce.

13
14 17-4-103. Definitions.

15 As used in this chapter:

16 (1) "Apprenticeship" means a program that meets the federal
17 guidelines set out in 29 C.F.R. Part 29 and existing programs currently
18 implementing work requirements as approved by the United States Office of
19 Apprenticeship as meeting the requirements of an apprenticeship;

20 (2) "License" means a license, certificate, registration,
21 permit, or other form of authorization required by law or rule that is
22 required for an individual to engage in a particular occupation or
23 profession; and

24 (3) "Licensing entity" means an office, board, commission,
25 department, council, bureau, or other agency of state government having
26 authority to license, certify, register, permit, or otherwise authorize an
27 individual to engage in a particular occupation or profession.

28
29 17-4-104. Treatment of apprenticeships regarding licenses.

30 (a) A licensing entity shall grant a license to an applicant who:

31 (1) Completes an apprenticeship in the licensed occupation or
32 profession;

33 (2) Passes an examination, if deemed to be necessary by the
34 licensing entity;

35 (3) Pays any fees deemed necessary by the licensing entity; and

36 (4) Does not have a disqualifying criminal record as determined

1 by the licensing entity under state law.

2 (b) If a licensing entity denies a license to an applicant under this
3 subchapter, the licensing entity shall:

4 (1) Provide the applicant with a denial in writing; and

5 (2) Explain the reason for the denial in the written decision
6 such as whether the licensing entity determined that the applicant's
7 apprenticeship program does not correspond to the profession or occupation or
8 level of license for which the applicant applied.

9 (c)(1) A licensing entity shall establish a passing score for
10 examinations that does not exceed the passing score required under the
11 standard licensing processes.

12 (2) If the licensing entity does not require an examination for
13 the standard licensing process for a profession or occupation, an applicant
14 who completes an apprenticeship for the profession or occupation is not
15 required to pass an examination.

16 (d)(1) A licensing entity shall establish a licensing fee that does
17 not exceed the licensing fee required under the standard licensing processes.

18 (2) If the licensing entity does not require a fee for the
19 standard licensing process for a profession or occupation, an applicant who
20 completes an apprenticeship in the profession or occupation is not required
21 to pay a fee.

22 (e) Except as otherwise required by federal law, an apprenticeship for
23 a profession or occupation is not required to exceed the number of hours
24 required by the licensing entity for the profession or occupation.

25
26 SECTION 2. DO NOT CODIFY. Rules.

27 (a) All licensing entities shall promulgate rules necessary to
28 implement this act.

29 (b)(1) When adopting the initial rules to implement this act, the
30 final rule shall be filed with the Secretary of State for adoption under §
31 25-15-204(f):

32 (A) On or before January 1, 2022; or

33 (B) If approval under § 10-3-309 has not occurred by
34 January 1, 2022, as soon as practicable after approval under § 10-3-309.

35 (2) A licensing entity shall file the proposed rule with the
36 Legislative Council under § 10-3-309(c) sufficiently in advance of January 1,

1 2022, so that the Legislative Council may consider the rule for approval
2 before January 1, 2022.
