20 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:  
21

22 SECTION 1. Arkansas Code § 27-64-103 is amended to read as follows:

23 27-64-103. Mowing, installing, and maintaining sprinkler system on  
24 rights-of-way by adjoining landowner.

25 (a)(1) The owners or lessees of properties which abut the right-of-way  
26 of interstate, federal-aid primary, state, or county roads or highways in  
27 this state may enter upon and mow grass, weeds, and other vegetation on the  
28 portion of the right-of-way adjoining the property unless the Arkansas  
29 Department of Transportation or the county has installed barriers designed to  
30 prohibit entry or unless the property owner or lessee has received notice  
31 from the department or the county restricting or prohibiting mowing grass,  
32 weeds, and other vegetation.

33 (2) The owner or lessee of a property which abuts a right-of-way  
34 of a state highway may, upon receipt of a permit from the department,  
35 install, use, and maintain a sprinkler system on the portion of the right-of-  
36 way adjoining the property unless the department has installed a barrier

1 designed to prohibit entry.

2 (b) If an owner or lessee elects to mow grass, weeds, or other  
3 vegetation or installs, uses, or maintains a sprinkler system on the right-  
4 of-way adjoining his or her property, the owner or lessee shall do so at the  
5 owner's or lessee's own risk and shall have no right or claim for damages  
6 against the department or any political subdivision of this state for loss of  
7 life, injury, or damage to his or her property while engaged in the ~~mowing~~  
8 activity mowing grass, weeds, or other vegetation, or the installation, use,  
9 or maintenance of the sprinkler system.

10 (c) Subject to the limitations of subsections (a) and (b) of this  
11 section, the owner or lessee shall:

12 (1) Mow the grass, weeds, or other vegetation and install, use,  
13 and maintain the sprinkler system in a manner that does not obstruct or pose  
14 danger to motorists in their lawful use of the public road or highway; and

15 (2) Be liable for any loss, injury, or damage to the life,  
16 person, or property of others that is caused by any negligence in connection  
17 with mowing grass, weeds, or other vegetation or installing, using, or  
18 maintaining the sprinkler system on the highway right-of-way.

19  
20 SECTION 2. Arkansas Title 27, Chapter 65, Subchapter 1, is amended to  
21 add an additional section to read as follows:

22 27-65-146. Restore Property Visibility Permit.

23 (a) The Arkansas Department of Transportation may issue a Restore  
24 Property Visibility Permit to a property owner or lessee that is valid for a  
25 two-year period and allows the permit holder to cut and clear trees:

26 (1) Located in a right-of-way adjoining the property owner's or  
27 lessee's property;

28 (2) Located in a right-of-way and that block the view of a  
29 structure on the property owner's or lessee's property; and

30 (3) Located in a right-of-way within five hundred feet (500 ft.)  
31 in each direction of the property owner's or lessee's property.

32 (b) An application for a Restore Property Visibility Permit shall  
33 include without limitation:

34 (1) The name of the owner or lessee and the address of the  
35 property;

36 (2) The name and contact information of the vendor, if any, who

1 will perform the work authorized under subdivision (a)(2) of this section;  
2 and

3 (3) A detailed description of the location of the right-of-way,  
4 including without limitation the street or highway designations.

5 (c) A holder of a Restore Property Visibility Permit:

6 (1) Shall use a vendor for the removal of trees that meets the  
7 same requirements that the department has for the contractors who do  
8 landscaping work or tree removal from rights-of-way in the state;

9 (2) Is prohibited from authorizing the removal of historic  
10 trees, landmark trees, or trees that:

11 (A) Were planted by the department as part of a highway  
12 beautification or enhancement program; or

13 (B) Are located on a right-of-way within a national park,  
14 state park, county or city park, or wildlife management area; and

15 (3) Shall plant bushes or replacement vegetation as necessary to  
16 avoid erosion if a section of the right-of way is sloped.

17 (f) The department may:

18 (1) Suspend a Restore Property Visibility Permit if the holder  
19 fails to comply with the requirements of this section; and

20 (2) Adopt rules necessary to implement this section.
