24 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
25

26 *SECTION 1. Arkansas Code § 23-2-304(a), concerning the powers of the*
27 *Arkansas Public Service Commission, is amended to add an additional*
28 *subdivision to read as follows:*

29 *(11)(A)(i) Propose, develop, solicit, approve, require,*
30 *implement, and monitor financial assistance programs for utility customers*
31 *who are sixty-five (65) years of age or older or who meet the income*
32 *eligibility qualifications of the Low Income Home Energy Assistance Program*
33 *administered by the Department of Human Services.*

34 *(ii) After notice and a hearing, the commission may*
35 *approve and order a financial assistance program for utility customers if the*
36 *commission determines that the financial assistance program is beneficial to*

1 the ratepayers of a public utility and the public utility.

2 (B) The commission shall not fix rates, charges, or
 3 surcharges that recover directly or indirectly any portion of the cost of
 4 programs authorized under subdivision (a)(1)(A) of this section from a
 5 ratepayer that is not in the customer class of ratepayers eligible to
 6 participate in the programs.

7
 8 SECTION 2. Arkansas Code § 23-3-405(a), concerning the authority of
 9 the Arkansas Public Service Commission over energy conservation programs and
 10 measures, is amended to read as follows:

11 (a)(1)(A) Except as otherwise stated in this section, the Arkansas
 12 Public Service Commission is authorized to propose, develop, solicit,
 13 approve, require, implement, and monitor measures by utility companies which
 14 cause the companies to incur costs of service and investments which conserve,
 15 as well as distribute, electrical energy and existing supplies of natural
 16 gas, oil, and other fuels.

17 (B) The commission is authorized to order, require,
 18 promote, or engage in energy conservation programs and measures for the
 19 benefit of utility customers who are sixty-five (65) years of age or older or
 20 who meet the income eligibility qualifications for the Low Income Home Energy
 21 Assistance Program administered by the Department of Human Services.

22 (2) After proper notice and hearings, the energy conservation
 23 programs and measures may be approved and ordered into effect by the
 24 commission if ~~it~~ the commission determines ~~they~~ that the energy conservation
 25 programs and measures will be beneficial to the ratepayers of ~~such~~ the public
 26 utilities and to the public utilities themselves.

27 (3)(A) In such instances, the commission shall declare that the
 28 cost of ~~such conservation~~ the energy conservation programs and measures is a
 29 proper cost of providing utility service.

30 (B) At the time ~~any such programs or~~ the energy
 31 conservation programs and measures are approved and ordered into effect, the
 32 commission shall also order that the affected public utility company be
 33 allowed to increase its rates or charges as necessary to recover from
 34 consumers who have not opted out of utility-sponsored energy conservation
 35 programs and measures under subdivision (c)(1) of this section any costs
 36 incurred by the public utility company as a result of its engaging in ~~any~~

1 ~~such program or measure~~ the energy conservation programs and measures.

2
3 SECTION 3. Arkansas Code § 23-3-405(c)(1)(A)(ii)(b), concerning the
4 exemption criteria for a nonresidential business consumer, is amended to read
5 as follows:

6 (b) Has accepted but returned to an applicable
7 public utility through a separate payment to the public utility or through
8 payment of rates approved under subdivision (a)(3) of this section any amount
9 received from an applicable public utility calculated from the date of the
10 installation of the last energy conservation program or measure, including
11 any interest and directly attributable rate effects, ~~from an applicable~~
12 ~~public utility~~, for:

13 (1) The installation of any energy
14 conservation programs and measures by the applicable public utility; or

15 (2) Financing or direct monetary
16 compensation in the form of a rebate or incentive to enable the installation
17 of any energy conservation programs and measures by the applicable public
18 utility.
