22 appropriations exceed the estimated available funding available for such
23 projects and that the immediate passage of this Act is necessary to establish
24 a method of providing for the orderly financing and a system of priority for
25 the financing of such projects. Therefore, an emergency is declared to exist
26 and this act being immediately necessary for the preservation of the public
27 peace, health and safety shall become effective on July 1, 2013.
