SB218

1	(a) The Board of Trustees of the Arkansas Teacher Retirement System,
2	in consultation with its actuary, may promulgate rules and regulations to
3	allow members having at least twenty-eight (28) but less than thirty (30)
4	years of credited service to enter the Teacher Deferred Retirement Option
5	Plan as early participants. The board may authorize the early participation
6	as soon as it is technologically feasible and actuarially appropriate.
7	(b) If the board authorizes early participation, the plan deposit
8	under § 24-7-1306 shall be based upon the deposit percent payable for a
9	participant with thirty (30) years of service, reduced by at least an
10	additional one-half of one percent (0.5%) and no more than one percent (1%)
11	of the plan benefit for each month the member begins participating in the
12	plan prior to having thirty (30) years of credited service. The board may
13	increase the percentage required as an early participation reduction, by
14	board resolution, in order to provide a fair and just and reasonable benefit
15	for all members of the Arkansas Teacher Retirement System and to provide for
16	appropriate actuary considerations.
17	
18	SECTION 3. EMERGENCY CLAUSE. It is found and determined by the
19	General Assembly of the State of Arkansas that certain provisions of the
20	Arkansas Teacher Retirement System Act, an act that created a state agency
21	for the purpose of providing retirement benefits to school employees of the
22	state, are in need of revision and updating to maintain the teacher
23	retirement laws in conformance with sound public pension policy; that the
24	Arkansas Teacher Retirement System operates on a fiscal year of July 1 to
25	June 30; that a July 1, 2019 effective date is necessary to allow the
26	provisions within this act to begin on the first day of the fiscal year to
27	provide proper administration of the procedures referenced in this act; that
28	the updates and revisions to the Arkansas Teacher Retirement System Act are
29	of great importance for actuarial purposes and the protection of member
30	benefits under the Arkansas Teacher Retirement System; and that this act is
31	necessary in order to maintain an orderly system of benefits for the members
32	of the Arkansas Teacher Retirement System. Therefore, an emergency is
33	declared to exist, and this act being necessary for the preservation of the
34	public peace, health, and safety shall become effective on July 1, 2019.
