- SECTION 2. Arkansas Code  $\S$  21-5-1407 is amended to read as follows:
- 27 21-5-1407. Compensation plan.
  - (a) There is established for institutions of higher education covered by this subchapter a compensation plan for the setting of salaries and salary increases, when deserved, of all employees serving in positions covered by this subchapter.
- 32 (b)(1) No employee shall be paid at a rate of pay higher than the 33 appropriate rate in the grade assigned to his or her class, and no employee 34 shall be paid more than the highest pay level established for the employee's 35 grade unless otherwise provided for in this subchapter.
  - (2) However, an employee presently employed in a position who is

- being paid at a rate in excess of the maximum for his or her assigned grade may continue to receive his or her rate of pay.
- (c) It is the intent of the General Assembly to authorize, in the enactment of the compensation plans, rates of pay for each of the appropriate grades assigned to a class, but it is not the intent of the General Assembly that any pay increases be automatic or that any employee have a claim or a right to pay increases unless the head of the institution determines that the employee, by experience, ability, and work performance, is eligible for the increase in pay authorized for the grade assigned by classification to the employee's position.
- 11 (d) Pay levels established in this subchapter are for compensation 12 management purposes and are not to be construed as a contract, right, or 13 other expectation of actual employee salary determination.
  - (e)(1) The following grades and pay levels are the authorized pay plan, effective July 1, 2019 2021, and thereafter, for the state service for all positions of institutions covered by this subchapter to which a classification title and salary grade have been assigned in accordance with this subchapter and the appropriation act of the institution:

6	SECTION 5. EMERGENCY CLAUSE. It is found and determined by the
7	General Assembly of the State of Arkansas that this act revises the
8	compensation plan for institutions of higher education; that a disruption to
9	the compensation of the state's higher education employees would threaten the
10	public peace by having negative effects on higher education in the state; and
11	that this act should become effective at the beginning of the state's fiscal
12	year to work in concert with the appropriation acts of institutions of higher
13	education and ensure that fiscal matters pertinent to institutions of higher
14	education are implemented at the same time to avoid harmful effects on higher
15	education employees. Therefore, an emergency is declared to exist, and this
16	act being necessary for the preservation of the public peace, health, and
17	safety shall become effective on July 1, 2021.
