28	BE IT ENACTED BY THE	GENERAL ASSEMBLY OF THE STATE OF	F ARKANSAS:	
29				
30	SECTION 1. DO	NOT CODIFY. Legislative intent	<u>•</u>	
31	The General Assembly finds that:			
32	<u>(1) Full</u>	l implementation of Arkansas' go	al of a student-focused	
33	education system for all students will require most schools to rethink, if			
34	not restructure, their entire educational program and reallocate all current			
35	and any new resources	s to a restructured and more eff	ective educational	
36	<u>delivery;</u>

1	(2) Since 2005, two billion six hundred eighty-six million eight			
2	hundred five thousand eight hundred fifty dollars (\$2,686,805,850) in			
3	national school lunch funds have been sent to public schools in Arkansas;			
4	(3) National school lunch state categorical programs are			
5	designed to provide extra help and strategies for struggling students and			
6	must be focused to target the needs of struggling students;			
7	(4) Current flexibility in national school lunch state			
8	categorical funding allowable expenditures has not shown that the funds have			
9	had a positive impact on student outcomes or successfully closed achievement			
10	gaps;			
11	(5) Public school districts spend the highest amount of national			
12	school lunch state categorical funds on curriculum specialists and			
13	instructional facilitators and other activities that are not specified by law			
14	or Department of Education rule that have been approved by the Department of			
15	Education, and transfer national school lunch state categorical funds to			
16	other categorical programs;			
17	(6) Thirty-four percent (34%) of Arkansas public students in			
18	grades three through ten (3-10) are scoring at the lowest level of			
19	performance on the ACT Aspire reading test;			
20	(7) Six (6) Core Strategies were included in the Odden and Picus			
21	Original 2003 Adequacy Report, the 2006 Recalibration report, and the 2014			
22	Desk Audit, and all educational initiatives included in these reports and the			
23	funding used for the educational initiatives are backed by evidence-based			
24	research;			
25	(8) Arkansas's students must be prepared for college, careers,			
26	and citizenship in the current global economy, and work in the knowledge-			
27	based economy requires the same skills and expertise to go to college or to			
28	enter the work force after high school;			
29	(9) Public schools must deploy more powerful instructional			
30	strategies and use resources more productively, and need to change the			
31	curriculum that is used, the means of organizing instruction, and how			
32	resources are used;			
33	(10) Teacher development opportunities must be redesigned to			
34	provide personalized opportunities so that all teachers acquire the			
35	instructional expertise to educate all students by using the extensive			
36	professional development resources that are included in the funding model in

1	the most effective ways;	
2	(11) Schools must reinforce achievement for struggling students	
3	by providing a series of extended learning opportunities, such as some	
4	combination of one-on-one and small group tutoring by a licensed teacher,	
5	extended-day learning, and summer school programs, and must hold performance	
6	standards high and vary instructional time so all students can achieve	
7	rigorous standards in order to work towards closing the achievement gap; and	
8	(12) The House Committee on Education and the Senate Committee	
9	on Education, meeting jointly, find it necessary to revise current national	
10	school lunch state categorical funding allowable expenditures in order to	
11	maximize the most effective use of funds and focus allowable expenditures on	
12	targeted programs that maximize student achievement.
