26 SECTION 1. DO NOT CODIFY. LEGISLATIVE FINDINGS. The General Assembly

33
34 Facing law and social custom that defined them as second tier citizens, the
35 Little Rock Nine, taking their cue from the ever expanding struggle for civil
36 rights, opted to define themselves quite differently. With the help of

1 stalwart parents, other family members and those in the community who shared
2 their vision, this group of young people came to understand the reality of
3 their time, but chose to believe in a reality yet to come. It was, in part,
4 this focus that allowed them to suffer the indignities heaped upon them by
5 those who firmly believed in the laws of equality. With the support of
6 countless others around the globe, and especially the guidance of L.C. and
7 Daisy Bates, the Little Rock Nine walked through the doors of Central High
8 School. Their act of courage opened doors symbolically all over segregated
9 America.
