27

DATA MINING OF PATIENT INFORMATION.

28

29

30

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

31

32

SECTION 1. Arkansas Code Title 17, Chapter 92, Subchapter 1, is

33

amended to add an additional section to read as follows:

34

17-92-118. New prescription requests and new refill requests from

35

prescriber.

36

(a) A pharmacy, pharmacist, employee of a pharmacy, or entity who owns

1 or controls, is owned or controlled by, or is under ownership or control with
2 an insurance company, health clinic, rural health center, federally qualified
3 health center, pharmacy benefits manager, pharmaceutical manufacturer,
4 pharmaceutical wholesaler, or pharmacy benefits manager affiliate shall not
5 request or solicit:

6 (1) Refill requests for prescription medications from a
7 prescriber for a patient who has not previously filled prescriptions with the
8 pharmacy without express written consent for each individual prescription
9 requested; or

10 (2) New prescription medications from a prescriber for a patient
11 who has not previously filled prescriptions with the pharmacy without express
12 written consent for each individual prescription requested.

13 (b)(1) When a physician or other licensed prescriber authorizes or
14 provides new prescriptions or refill medications to a pharmacy that is not
15 physically located in this state or to a pharmacy that utilizes common
16 carriers to deliver medications through the mail for a new patient who has
17 not previously received pharmacist services or prescriptions filled through
18 that pharmacy, that pharmacy shall:

19 (A) Establish a professional relationship between a
20 pharmacist and the patient by telephone or telemedicine consult;

21 (B) Obtain express consent to provide pharmacist services
22 before any prescription medication being processed, filled, mailed, or
23 delivered to a patient; and

24 (C) Include communication to the patient about:

25 (i) The address and physical city and state of the
26 pharmacy;

27 (ii) The name of the licensed pharmacist who will be
28 providing services;

29 (iii) The telephone number and website for the
30 pharmacy;

31 (iv) Expectations for time of delivery of
32 prescription medications; and

33 (v) Disclosure of any conflicts of interest
34 including common ownership of the pharmacy by a health care insurer, pharmacy
35 benefit manager, medical clinic, federal qualified health center, rural
36 health center, hospital, pharmaceutical wholesaler, or pharmaceutical

1 manufacturer.

2 (2) If the conditions within subdivision (b)(1) of this section
3 are not met, then the pharmacy and pharmacist shall not fill, bill, dispense,
4 or mail any prescription medications to the patient.

5 (c) This section does not prohibit:

6 (1) A physician licensed in this state or any other prescriber
7 licensed in this state from issuing new prescriptions or prescription refills
8 to any licensed pharmacy in this state or out of state that a patient wishes
9 to use; or

10 (2) A pharmacy licensed in this state or out of this state from
11 requesting prescription transfers from another licensed pharmacy as directed
12 by a patient.

13
14 SECTION 2. Arkansas Code Title 17, Chapter 92, Subchapter 4, is
15 amended to add an additional section to read as follows:

16 17-92-413. Disclosure of ownership interest or possible conflicts of
17 interest required – Prohibition on data mining.

18 A pharmacy, pharmacist, physician, employee, or entity who owns or
19 controls, is owned or controlled by, or is under ownership or control with an
20 insurance company, health clinic, hospital, rural health center, federally
21 qualified health center, pharmacy benefits manager, pharmaceutical
22 manufacturer, pharmaceutical wholesaler, or pharmacy benefits manager that
23 provides a pharmacy benefits plan or program, including prescription drug
24 coverage, or contracts with a third party for prescription drug services
25 under a health benefit plan shall:

26 (1) Disclose to the consumer any ownership interest or possible
27 conflicts of interest with a pharmacy benefits manager, healthcare insurer,
28 or healthcare payor; and

29 (2) Not access and utilize patient information including either
30 medical information in patient charts or billing claims information to market
31 or contact patients in order to solicit the transfer of the patient to a
32 particular pharmacy.
