22 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
23

24 *SECTION 1. DO NOT CODIFY. Legislative findings.*

25 *The General Assembly finds that:*

26 *(1) Through bonded debt assistance, the state provides school*
27 *districts financial assistance for the purpose of retiring outstanding bonded*
28 *indebtedness in existence as of January 1, 2005;*

29 *(2) This bonded debt assistance is necessary to maintain good*
30 *standing with investors, as bonded debt assistance is restricted to bond*
31 *payments and was considered in coverage and in calculation of required debt*
32 *service mills;*

33 *(3) School district expenditure of savings yielded from*
34 *refunding these bonds is restricted to the support of academic facilities;*

35 *(4) This restriction creates inefficiencies and is time-*
36 *consuming to implement because refunding and restructuring the bonds multiple*
37 *times makes it difficult to track and accurately restrict and report bond*
38 *savings;*

39 *(5) Any benefit derived from the restrictions is minimal; and*

40 *(6) In the interest of improving efficiency and aligning benefit*
41 *to cost, the law should be amended to eliminate this restriction by allowing*

1 savings realized from the refunding of bond that were issued and outstanding
 2 as of January 1, 2005 bonds to be expended by school districts for any
 3 legitimate school or school district purpose.
 4

5 SECTION 2. Arkansas Code § 6-20-2503(b)-(h), concerning bonded debt
 6 assistance, is amended to read as follows:

7 (b)(1) In accordance with the requirements and limitations of this
 8 section, the state shall provide eligible school districts with financial
 9 assistance for the purpose of retiring outstanding bonded indebtedness in
 10 existence as of January 1, 2005.

11 (2) The amount of financial assistance under this section is
 12 based on:

13 (A) The total amount required to satisfy a school
 14 district's outstanding bonded indebtedness in existence as of January 1,
 15 2005;

16 (B) The annual amount due on a fiscal year basis from the
 17 school district in accordance with the principal and interest payment
 18 schedule in effect and on file with the Department of Education on January 1,
 19 2005, for the outstanding bonded indebtedness identified under subdivision
 20 (b)(2)(A) of this section; and

21 (C) The calculation in subdivision (b)(3)(A) ~~or~~
 22 ~~subdivision (b)(3)(B)~~ of this section.

23 (3)(A) The Commission for Arkansas Public School Academic
 24 Facilities and Transportation shall determine the amount of ~~financial~~ bonded
 25 debt assistance for each eligible school district as follows:

26 (i)(a) For the year that financial assistance under
 27 this section will be provided, ascertain the scheduled debt payment on a
 28 fiscal year basis from the principal and interest payment schedule in effect
 29 and on file with the department on January 1, 2005, and reduce the amount of
 30 the payment by ten percent (10%) except as provided in subdivision
 31 (b)(3)(A)(i)(b) of this section.

32 (b)(1) If a school district can demonstrate to
 33 the satisfaction of the commission that all or a portion of the ten percent
 34 (10%) reduction in its scheduled debt payment under subdivision
 35 (b)(3)(A)(i)(a) of this section can be attributed to the support of academic
 36 facilities, the commission shall reverse all or a portion of the ten percent
 37 (10%) reduction by a percentage proportionate to the amount attributable to

1 *academic facilities.*

2 *(2) A school district that applied to*
3 *the commission during the 2006-2007 school year for a reversal of the ten*
4 *percent (10%) reduction but was denied the reversal by the commission due to*
5 *the failure of the school district to submit timely appeals shall be entitled*
6 *to receive bonded debt assistance for the relevant period of the program*
7 *beginning with the 2007-2008 school year in the amount approved by the*
8 *Division of Public School Academic Facilities and Transportation;*

9 *(ii) For the year that ~~financial~~ bonded debt*
10 *assistance will be provided, divide the scheduled debt payment as adjusted*
11 *under subdivision (b)(3)(A)(i) by the total assessed valuation of taxable*
12 *real, personal, and utility property in the school district as shown by the*
13 *applicable county assessment for the most recent year with the result*
14 *multiplied by one thousand (1,000);*

15 *(iii)(a) Multiply the calculation under subdivision*
16 *(b)(3)(A)(ii) of this section by a funding factor per average daily*
17 *membership that will distribute a total amount of ~~state financial~~ bonded debt*
18 *assistance no less than the total amount of funds that would have been*
19 *distributed during fiscal year 2005 if every school district in the state had*
20 *received an amount of ~~state financial~~ bonded debt assistance equal to an*
21 *amount calculated by applying the debt service funding supplement formula*
22 *under the Supplemental School District Funding Act of 2003, § 6-20-2401 et*
23 *seq. [repealed], during fiscal year 2005 with a funding factor of eighteen*
24 *dollars and three cents (\$18.03).*

25 *(b) The funding factor for each fiscal year*
26 *after Fiscal Year 2006 shall be equal to the funding factor derived for*
27 *Fiscal Year 2006 under subdivision (b)(3)(A)(iii)(a) of this section; and*

28 *(iv) Multiply the calculation under subdivision*
29 *(b)(3)(A)(iii) of this section by the state wealth index.*

30 *~~(B)(i) As used in this subdivision (b)(3)(B), "mandatory~~*
31 *~~callable bonds" means a bond issue in which all net proceeds from debt~~*
32 *~~service millage used to secure the issuance of that bond must be applied to~~*
33 *~~payment of the issue and cannot be used for any other purposes.~~*

34 *~~(ii) School districts having mandatory callable~~*
35 *~~bonds shall receive an amount of state financial assistance with regard to~~*
36 *~~the mandatory callable bonds proportionate to the amount of state financial~~*

1 ~~assistance provided under subdivision (b)(3)(A) of this section to school~~
2 ~~districts that do not have mandatory callable bonds.~~

3 ~~(C) As the amount of state financial bonded debt~~
4 ~~assistance under this section decreases to correlate with reductions in~~
5 ~~principal and interest payments and increases in property assessments, the~~
6 ~~commission shall distribute any ~~savings~~ remaining funded bonded debt~~
7 ~~assistance appropriation through the Educational Facilities Partnership Fund~~

19 the funds received as state ~~financial bonded debt~~ assistance under this
20 section as restricted funds and shall account for the funds in accordance
21 with provisions of law, including, without limitation, the Arkansas
22 Educational Financial Accounting and Reporting Act of 2004, § 6-20-2201 et
23 seq., and rules established by the commission.

24 (c)(1)(A)~~(i)~~ Nothing in this section shall prohibit a school district
25 from refunding bonds that were issued and outstanding as of January 1, 2005.

26 ~~(ii)(B)~~ If a school district qualifies for ~~state~~
27 ~~financial bonded debt~~ assistance under this section, the amount of ~~state~~
28 ~~financial bonded debt~~ assistance under this section shall not be altered or
29 reduced as a result of refunding the bonds that were issued and outstanding
30 as of January 1, 2005, and the ~~financial bonded debt~~ assistance shall
31 continue after the refunding based on the principal and interest payment
32 schedule in effect and on file with the department on January 1, 2005.
