## **HB 2187: DUI; administrative suspension; license revocation**

**Sponsor: Representative Pratt, LD 8**

**Caucus & COW**

### **Overview**

Requires driver license revocation by the Arizona Department of Transportation (ADOT) for aggravated driving under the influence. Modifies the list of restrictions for license suspension.

### **History**

ADOT is required to suspend an individual's driver license when it receives notice that the individual received a final conviction for certain crimes, including for conviction or forfeiture of bail not vacated on a second charge of driving while under the influence or driving while under the severe influence ([A.R.S. § 28-3304](#)).

Aggravated driving under the influence occurs when an individual drives or is in actual physical control while under the influence of intoxicating liquor or drugs and:

- 1) Has had the privilege to drive suspended or restricted;
- 2) Has driven under the influence two or more times in the preceding 84-month period;
- 3) Has a person under fifteen years of age in the vehicle;
- 4) Is ordered to operate a certified ignition interlock device; or
- 5) Drives on the wrong way on a highway ([A.R.S. § 28-1383](#)).

A restriction on a person's driver license following a conviction limits the privilege to drive to a list of destinations and time periods, including between the person's residence and place of employment, school, the office of a health professional and others ([A.R.S. § 28-144](#)).

### **Provisions**

1. Adds *aggravated driving or actual control under the influence* to the list of offenses for which ADOT shall revoke a license. (Sec. 2)
2. Expands list of possible destinations to include:
  - a) Certified ignition interlock device service facilities;
  - b) A location for the purpose of parenting time; and
  - c) A dependent's employment, school or medical appointment. (Sec. 1)
3. Makes technical changes. (Sec. 1, 2)

### **Amendment**

Committee on Judiciary

1. Removes revocation of a driver license after two offenses of aggravated driving under the influence and replaces it with revocation after three or more offenses of aggravated driving under the influence.
