## **HB 2274: appropriation; stipend; kinship foster care**

**Sponsor: Representative Weninger, LD 17**

**Committee on Appropriations**

### **Overview**

Appropriates \$24.2 million from the state General Fund (GF) in FY 2023 to the Department of Child Safety (DCS) to use for \$300 monthly stipends per child for specified caretakers. Exempts the appropriation from lapsing and deems the funds ongoing for future years.

### **History**

The primary purpose of DCS is to protect children. To achieve this DCS will do and focus equally on: 1) investigating reports of abuse and neglect; 2) assessing, promoting and supporting the safety of a child in a safe and stable family or other appropriate placement in response to allegations of abuse and neglect; 3) cooperating with law enforcement regarding reports that include allegations of criminal conduct; and 4) coordinating services to achieve and maintain permanency for the child, strengthen the family and provide prevention, intervention and treatment services without compromising the child's safety ([A.R.S. § 8-451](#)).

The DCS must establish kinship foster care services for a child who has been removed from their home and is in the custody of DCS. The program will promote the placement of the child with a relative or a person with a significant relationship with the child for kinship foster care ([A.R.S. § 8-514.03](#)).
