

**ARIZONA STATE SENATE**  
*Fifty-Sixth Legislature, Second Regular Session*

FACT SHEET FOR H.B. 2482

voter registration changes; text notice

Purpose

Requires the county recorder to notify an elector of any changes made to the elector's voter registration information and outlines requirements for the notice to the elector.

Background

Statute outlines circumstances in which a county recorder must cancel a person's voter registration, including: 1) when the county recorder knows of the death of a registered person; 2) if a person has been adjudicated an incapacitated person; 3) when a person is convicted of a felony and the judgement has not been reversed or set aside; and 4) when the county recorder receives written information from the registered person that the person has a change of address outside of the county. After cancellation, a county recorder must send the person a notice that the registration has been cancelled, along with a new voter registration form ([A.R.S. § 16-165](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.
