Summary of the Strike-Everything Amendment to SB 1237

Overview

Requires a filing officer to notify the Secretary of State when a candidate in their jurisdiction has an unsatisfied amount of \$1,000 or more in fines resulting from a failure to comply with Arizona law on campaign contributions and expenses and requires that information to be publicly available on the Secretary of State's website.

History

A filing officer may not accept the nomination paper of a candidate for state or local office if the person is liable for a total of \$1,000 or more in fines, penalties or late fees that have not been fully satisfied at the time of the attempted filing and the liability arose from a failure to comply with Arizona law on campaign contributions and expenses. In cases where the liability of these penalties is being appealed, the filing officer may accept a candidate's nomination paper ([A.R.S. § 16-311](#)).
