Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$26,353 cash funds to the Department of Regulatory Agencies for FY 2021-22 from the Division of Insurance Cash Fund. This provision also states that the appropriation is based on the assumption that the Department will require an additional 0.2 FTE.

Points to Consider*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2021-22 based on the March 2021 Legislative Council Staff revenue forecast. The budget package includes a set aside of \$48.0 million General Fund for bills that require General Fund appropriations for FY 2021-22. This bill requires a General Fund appropriation of \$26,353 for FY 2021-22, reducing the \$48.0 million set aside by the same amount.

Pursuant to Section 10-3-209 (4), C.R.S., taxes on insurance premiums are credited to the Division of Insurance Cash Fund (with a maximum transfer of five percent of premium tax collections) to cover appropriations made by the General Assembly. Any increase in appropriations reduces the amount of tax revenue deposited in the General Fund, thereby reducing the amount of General Fund available for other purposes.
