Summary of Legislation

The bill extends the repeal of the Veterans' Service-to-Career program (program) in the Department of Labor and Employment (CDLE) from July 1, 2024 to September 1, 2027, and repeals the authority to appropriate money from the Marijuana Tax Cash Fund for the program. Instead, the program will be supported using General Fund.

State Expenditures

The Veterans' Service-to-Career program has been funded annually at \$500,000 from the Marijuana Tax Cash Fund and has 0.5 FTE for an administrator. Assuming a continuation of funding at prior levels, state expenditures increase for staff administration and grants through FY 2026-27. Centrally appropriated costs, which include employee insurance and supplemental employee retirement payments, are also estimated based on the continuation of current staff. Pursuant to Joint Budget Committee Policy, these costs are appropriated through the annual budget process, rather than in this bill.

Other Budget Impacts

General Fund reserve. Under current law, an amount equal to 15 percent of General Fund appropriations must be set aside in the General Fund statutory reserve. Based on this fiscal note, the bill is expected to increase the amount of General Fund held in reserve by the amounts shown in Table 1, decreasing the amount of General Fund available for other purposes.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.

State Appropriations

For FY 2024-25, the bill requires a General Fund appropriation of \$500,000 to the Colorado Department of Labor and Employment, and 0.5 FTE.
