Furthermore, the Department of Natural Resources is appropriated \$179,127 cash funds from the Energy and Carbon Management Commission Cash Fund for FY 2024-25. This provision also states that the appropriation is based on the assumption that the Department of Public Health will require an additional 0.8 FTE, the Department of Law will require an additional 0.5 FTE, and

the Department of Natural Resources will require an additional 2.0 FTE.

**Points to Consider**

*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2024-25 based on the March 2024 Office of State Planning and Budgeting (OSPB) revenue forecast. The budget package includes \$63.1 million in set-asides for legislation outside of the package (see table below). The budget package accounts for the 15.0 percent reserve associated with the placeholders (a total of \$9.5 million).

General Fund Appropriation Placeholders for Other 2024 Legislation	
Description	FY 2024-25
General Legislative Priorities	\$21,739,130
Legislation for Shared Housing Priorities	12,043,478
Legislation for Shared Workforce and Education Priorities	16,152,110
Legislation for Other Shared Priorities	10,519,130
Legislation for Distributions to Rural Hospitals	2,608,689
<b>TOTAL Placeholders for Other 2024 Legislation</b>	<b>\$63,062,537</b>

This bill requires a General Fund appropriation of \$492,928 for FY 2024-25, reducing the \$63.1 million set aside by the same amount.

*TABOR/ Excess State Revenues Impact*

The March 2024 Office of State Planning and Budgeting (OSPB) revenue forecast projects a TABOR surplus liability of \$1.3 billion for FY 2024-25 and \$1.8 billion for FY 2025-26 to be refunded to taxpayers out of the General Fund. Legislation that increases non-exempt revenue (such as cash funds) will increase the TABOR refund from the General Fund. The budget package includes a set aside of \$63.1 million General Fund for appropriations in FY 2024-25.

This bill is estimated to increase cash fund revenues by \$347,718 in FY 2025-26, which will reduce the available General Fund for FY 2025-26 by the same amount.
