construction to the state charter school institute by making a monthly payment to the institute and requires the institute to promptly remit the appropriate amount to each qualified institute charter school. Both **sections 1 and 2** are conforming amendments necessary due to a change, made during the 2009 legislative session, in the way capital construction moneys are distributed to charter schools.

**Section 3** eliminates a local board of education's authority to negotiate business incentive agreements (BIAs) with a taxpayer who establishes a new business facility in the school district. **Section 5** eliminates the provision allowing any school district that has entered into a business incentive agreement with a taxpayer to receive state share of total program funding in an amount equal to the amount of the incentive payment or credit to the taxpayer pursuant to the agreement. This funding is in lieu of property taxes that are not collected by the district due to the agreement. School districts were prohibited from entering into new agreements after May 22, 2003. Only 2 districts still have an agreement in place, and those agreements will expire in the 2010-11 budget year. Money has not been appropriated for funding the agreements since the 2006-07 budget year. **Sections 4 and 10** make conforming amendments necessary due to the elimination of BIAs.

**Section 6.** During the 2009 legislative session, the amount of additional local property tax revenues that a school district may receive was increased from 20% to 25% of the district's total program. To retain the additional 5%, the statute requires a district to notify the state board of education when it plans to seek voter approval to retain and spend the additional property tax revenues and to submit a proposal of what the district will do with the additional revenues. Section 6 eliminates the notification requirements but still allows a district to receive up to 25% of the district's total program from additional local property tax revenues.

**Section 7** eliminates the requirement that the department reduce a school district's state share of total program funding by an amount equal to the payment that the district receives as impact assistance in lieu of taxes from the division of wildlife. **Section 11** eliminates the requirement that the district certify to the department the amount it receives from impact funds.

**Section 8.** The general assembly is required to make an annual appropriation for matching funds pursuant to the "National School Lunch Act". Prior to the budget year in which the general assembly began to appropriate moneys for the matching funds, some school food authorities used moneys from the authority's general fund to subsidize school lunches. Those authorities are prohibited from using the matching fund moneys in lieu of the general fund moneys they were already spending on school lunches. Section 8 eliminates the prohibition.

**Section 9.** In the 2008 legislative session, the general assembly increased the charter school capital construction appropriation and

required that a specific amount of the increase be distributed to a charter school for the deaf and blind for the 2008-09 budget year only. Section 9 eliminates language that was necessary in connection with the distribution of these moneys. **Section 12** is a conforming amendment necessitated by the repeal in section 9.

19 **SECTION 4.** 22-54-104.1 (2), Colorado Revised Statutes, is  
20 amended to read:

21 **22-54-104.1. General fund appropriations requirements -**  
22 **maintenance of effort base.** (2) For purposes of this section,  
23 "maintenance of effort base" means the aggregate amount of general fund  
24 appropriations for total program pursuant to the provisions of this article  
25 for the immediately preceding state fiscal year, including ANY INCREASES  
26 OR DECREASES MADE TO SAID APPROPRIATIONS THROUGH THE ENACTMENT  
27 OF A SUPPLEMENTAL APPROPRIATION BILL OR BILLS FOR THAT STATE

1 FISCAL YEAR.

2 ~~(a) Any increases or decreases made to said appropriations~~  
3 ~~through the enactment of a supplemental appropriation bill or bills for~~  
4 ~~that state fiscal year; and~~

5 ~~(b) Any general fund appropriation for the state's share of the~~  
6 ~~district's total program as determined pursuant to section 22-54-106 (8).~~

7 **SECTION 5.** 22-54-106 (1) (b), (4) (d), and (8), Colorado  
8 Revised Statutes, are amended to read:

9 **22-54-106. Local and state shares of district total program.**

10 (1) (b) Except as provided in ~~subsections (8), (11),~~ SUBSECTIONS (11) and  
11 (12) of this section, the state's share of a district's total program shall be  
12 the difference between the district's total program and the district's share  
13 of its total program; except that no district shall receive less in state aid  
14 than an amount established by the general assembly in the annual general  
15 appropriation act based upon the amount of school lands and mineral  
16 lease moneys received pursuant to the provisions of article 41 of this title  
17 and section 34-63-102 (2), C.R.S., multiplied by the district's funded  
18 pupil count.

19 ~~(4) (d) For purposes of this subsection (4), "state's share of the~~  
20 ~~total program of all districts" does not include the aggregate amount of~~  
21 ~~additional state aid provided pursuant to subsection (8) of this section to~~  
22 ~~all districts that have entered into agreements with taxpayers pursuant to~~  
23 ~~section 22-32-110 (1) (ff) or (1) (gg).~~

24 (8) (a) (I) ~~Subject to the limitations in subparagraph (II) of this~~  
25 ~~paragraph (a), for any school district that has entered into an agreement~~  
26 ~~with a taxpayer pursuant to section 22-32-110 (1) (ff) or (1) (gg) before~~  
27 ~~May 22, 2003, the state's share of the district's total program shall be the~~

1 amount by which the district's total program exceeds the amount of  
2 specific ownership tax revenue paid to the district and the amount of  
3 property tax revenue that the district would have been entitled to receive  
4 if the valuation for assessment of the district did not include the portion  
5 of the valuation for assessment of the personal property of such taxpayer  
6 that, when levied upon by the district, would result in property tax  
7 revenue equal to the amount of incentive payment or credit to such  
8 taxpayer pursuant to such agreement.

9 (H) For the 1995-96 budget year and budget years thereafter until  
10 the earlier of the 2012-13 budget year or ten years after the creation of an  
11 agreement entered into pursuant to section 22-32-110 (1) (ff) or (1) (gg)  
12 before May 22, 2003, the department of education shall ensure that the  
13 amount of the state's share of the district's total program, as calculated  
14 pursuant to subparagraph (I) of this paragraph (a), does not exceed the  
15 amount of the state's share of the district's total program that would  
16 otherwise have resulted if the taxpayer had not established the new  
17 business facility or expanded the existing facility. The state board shall  
18 prescribe, by rule and regulation, guidelines for the department to use in  
19 making the determination concerning the state's share pursuant to this  
20 subparagraph (H).

21 (b) The calculation required by paragraph (a) of this subsection  
22 (8) is solely for the purpose of determining the state's share of a district's  
23 total program if the district has entered into an agreement pursuant to  
24 section 22-32-110 (1) (ff) or (1) (gg), and nothing in this subsection (8)  
25 shall be construed to decrease the valuation for assessment of personal  
26 property in the district or to affect the number of mills required by  
27 subsection (2) of this section or section 22-54-107 to be levied on the

1 valuation for assessment of real and personal property in the district.

2 (c) Nothing in this subsection (8) shall be construed to increase a  
3 district's total program as determined in accordance with section  
4 22-54-104.

5 (d) The state's share of a district's total program shall only be  
6 calculated under the provisions of this subsection (8) for a period of ten  
7 years as a result of an agreement or series of agreements between the  
8 district and a taxpayer with respect to the establishment of the same new  
9 business facility or the same specific expansion of an existing facility.

10 (e) (I) For the 2005-06 budget year and each budget year  
11 thereafter, if the general assembly does not appropriate an amount  
12 sufficient to fully fund the amount of additional state aid available  
13 pursuant to paragraph (a) of this subsection (8) to all districts that have  
14 entered into an agreement with a taxpayer pursuant to section 22-32-110  
15 (1) (ff) or (1) (gg), or if a supplemental appropriation is made to reduce  
16 or eliminate the additional state aid that such districts would otherwise  
17 receive pursuant to paragraph (a) of this subsection (8), the additional  
18 state aid that each such district would otherwise receive pursuant to  
19 paragraph (a) of this subsection (8) shall be reduced by a percentage  
20 determined by dividing the deficit in such appropriation or the reduction  
21 in the appropriation, whichever is applicable, by the total amount of  
22 additional state aid that such districts would have received pursuant to  
23 paragraph (a) of this subsection (8) absent the deficit or reduction in the  
24 appropriation. The department of education shall ensure that the  
25 reduction in state aid required by this paragraph (e) is accomplished prior  
26 to the end of the budget year.

27 (H) For purposes of this section, "additional state aid" means the

1 difference between:

2 ~~(A) The amount of the state's share of a district's total program~~  
3 ~~calculated in accordance with paragraph (a) of this subsection (8); and~~

4 ~~(B) The amount of what the state's share of such district's total~~  
5 ~~program would have been if the valuation for assessment of the district~~  
6 ~~that entered into an agreement with a taxpayer pursuant to section~~  
7 ~~22-32-110 (1) (ff) or (1) (gg) included the portion of the valuation for~~  
8 ~~assessment of the personal property of the taxpayer which, when levied~~  
9 ~~upon by the district, would result in property tax revenue equal to the~~  
10 ~~amount of incentive payment or credit to such taxpayer pursuant to such~~  
11 ~~agreement.~~

12 **SECTION 6.** 22-54-108 (3) (b) (III) and (4), Colorado Revised  
13 Statutes, are amended to read:

14 **22-54-108. Authorization of additional local revenues.**

15 (3) (b) (III) On and after May 21, 2009, for any district that meets the  
16 requirements of subsection (4) of this section, the total additional local  
17 property tax revenues that may be received pursuant to an election held  
18 pursuant to this section shall not exceed under any circumstances  
19 twenty-five percent of the district's total program, as determined pursuant  
20 to section 22-54-104 (2), or two hundred thousand dollars, whichever is  
21 greater, plus an amount equal to the maximum dollar amount of property  
22 tax revenue that the district could have generated for the 2001-02 budget  
23 year if, in accordance with the provisions of section 22-54-107.5, the  
24 district submitted a question to and received approval of the eligible  
25 electors of the district at an election held in November 2001.

26 ~~(4) (a) On and after May 21, 2009, any district that intends to seek~~  
27 ~~voter approval to retain and spend additional property tax revenues~~

1 pursuant to subparagraph (III) of paragraph (b) of subsection (3) of this  
2 section shall notify the state board, in a manner to be determined by the  
3 state board, prior to holding an election pursuant to this section.

4 (b) Any district that submits notice to the state board pursuant to  
5 paragraph (a) of this subsection (4) shall also submit to the state board a  
6 proposal regarding the district's proposed use of the additional property  
7 tax revenues, which may include capital construction projects.

8   
9 **SECTION 7.** 22-54-123 (1), Colorado Revised Statutes, is  
10 amended to read:

11 **22-54-123. National school lunch act - appropriation of state**  
12 **matching funds.** (1) For the 2001-02 budget year and budget years  
13 thereafter, the general assembly shall appropriate by separate line item an  
14 amount to comply with the requirements for state matching funds under  
15 the federal "National School Lunch Act", 42 U.S.C. sec. 1751 et seq. The  
16 department of education shall develop procedures to allocate and disburse  
17 the funds among participating school food authorities each year in an  
18 equitable manner so as to comply with the requirements of said act. In  
19 any participating school food authority that, prior to the enactment of this  
20 section, subsidized school lunch service with moneys from the school  
21 food authority's general fund, moneys received by such school food  
22 authority pursuant to this section shall be applied in addition to, and not  
23 in lieu of, the amount of the school food authority's subsidy. Any moneys  
24 received pursuant to this section shall be used only for the provision of  
25 the school food authority's school lunch program.

26 **SECTION 8.** The introductory portion to 22-54-128 (2) and  
27 22-54-128 (4), (6), and (8), Colorado Revised Statutes, are amended, and

1 the said 22-54-128 is further amended BY THE ADDITION OF A NEW  
2 SUBSECTION, to read:

3 **22-54-128. Military dependent supplemental pupil enrollment**

18 supplemental appropriation in an amount that will fully fund the  
19 aggregate amount of the military dependent supplemental pupil  
20 enrollment aid allowed for the budget year pursuant to subsection (3) of  
21 this section. The department shall calculate the amount of the request by  
22 applying the total military dependent supplemental pupil enrollment  
23 submitted to the department by all eligible districts pursuant to subsection  
24 (5) of this section to the formula specified in subsection (3) of this  
25 section. The department shall make the request to the general assembly
