provider to seek licensure if the provider demonstrates to the department of public health and environment that the provider has sufficient educational credentials for licensure. Numerous conforming amendments in the bill added references to licensed EMS providers where certified EMS providers were referenced in statute.

Also in 2019, Senate Bill 19-065 was enacted to establish a peer health assistance program for EMS providers. The bill amends the statute created in Senate Bill 19-065 by adding references to licensed EMS providers and licensees to align Senate Bill 19-065 with Senate Bill 19-242.

2           **SECTION 1. Legislative declaration.** The general assembly  
3 hereby finds and declares that the purpose of this act is to clarify statutory  
4 provisions relating to the licensing of emergency medical service  
5 providers. The general assembly further declares that clarifying these  
6 statutory provisions does not alter the scope or applicability of the  
7 remaining statutes.

8           **SECTION 2.** In Colorado Revised Statutes, 25-3.5-208, **amend**  
9 (1) introductory portion, (4)(g), (7)(a) introductory portion, (7)(b), (8),

13 certification, LICENSURE, and certification OR LICENSURE renewal, every  
14 applicant shall pay to the department, at the time of application, two  
15 dollars and fifty-five cents. This amount may be adjusted on January 1,  
16 2021, and annually thereafter by the board to reflect:

17           (4) The department shall select one or more peer health assistance  
18 programs as designated providers. To be eligible for designation by the

2 (7) (a) Any certificate holder OR LICENSEE who does not have
