credit is for a qualifying senior, which means a resident individual who:

- Is 65 years of age or older at the end of 2024;
- Has federal adjusted gross income (AGI) that is less than or equal to \$75,000 if filing a single return, or less than or equal to \$150,000 if filing a joint return; and
- Has not claimed the senior property tax exemption for the 2024 property tax year.

The amount of the credit is:

- \$1,000 for a qualifying senior filing a single return with federal AGI that is \$25,000 or less. For every \$500 of AGI above \$25,000, the amount of the credit is reduced by \$10.
- \$1,000 for a qualifying senior filing a joint return with another individual who is not a qualifying senior with federal AGI that is \$50,000 or less. For every \$500 of AGI above \$50,000, the amount of the credit is reduced by \$10.
- \$2,000 for a qualifying senior filing a joint return with another qualifying senior with federal AGI that is \$50,000 or less. For every \$500 of AGI above \$50,000, the amount of the credit is reduced by \$10.

Notwithstanding the income-based reductions in the allowable credit amount, a taxpayer who also qualifies for a property tax and rent assistance grant or heat assistance grant during calendar year 2024 is eligible to receive the full credit amount.

Section 1 requires the property tax administrator to provide reports from counties related to taxpayers who are eligible for and actually claim the homestead property tax exemption.
