The bill clarifies that, for purposes of the accreditation statutes, a public school includes an on-line school but not an on-line program.

Under existing law, if a school district or the state charter school institute is in the accreditation category of accredited or accredited with distinction, the district's or the institute's accreditation contract is automatically renewed each year. The bill authorizes the department of education to automatically renew a district's or the institute's accreditation contract if the district or the institute is accredited with an improvement plan.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. In Colorado Revised Statutes, 22-11-103, **amend** (28) as follows:

22-11-103. Definitions. As used in this article, unless the context otherwise requires:

(28) "Public school" ~~shall have~~ HAS the same meaning as provided in section 22-1-101 and includes, but is not limited to, a district charter school, an institute charter school, ~~an on-line program, as defined in section 22-30.7-102 (9),~~ and an on-line school, as defined in section 22-30.7-102 (9.5).

SECTION 2. In Colorado Revised Statutes, 22-11-206, **amend** (2) as follows:

22-11-206. Accreditation of school districts and institute - contracts - rules. (2) The state board shall enter into an accreditation contract with each local school board and with the institute. 2 based on appropriate and reasonable changes in the circumstances upon
3 which the original contract terms were based. The state board shall
4 promulgate rules specifying the contents and terms of the accreditation
5 contract in accordance with the provisions of this article.

7 determines, and declares that this act is necessary for the immediate
8 preservation of the public peace, health, and safety.
