This bill requires the state department to treat a previously licensed entity that is issued a new FEIN as a renewal instead of requiring submission of an original application when the following occur:

- ! The reason for the new FEIN is solely due to a change in the corporate structure;
- ! The management or governing body of the entity remains the same as originally licensed; and
- ! The facility or facilities are the same as those originally licensed.

The bill requires that only newly hired employees undergo criminal background checks.
