The bill requires a county clerk and recorder (clerk) to redact the first 5 digits of a social security number from a public document filed with the clerk upon the request of the individual assigned the social security number or that individual's designee by power of attorney or appointment of personal representative, custodian, conservator, or guardian if:

- ! The document is in electronic form;
- ! The clerk has the equipment needed to make the redaction automatically; and
- ! The individual requesting redaction makes the request in writing on a form provided by the clerk and pays a fee.

A clerk may, but is not required to, make a requested redaction even if he or she lacks the equipment to do so automatically.
