3	of such request with its own budget document. This applies to requests for appropriation from the Drug Offender Surcharge Fund, the Offender Identification

8		Section 26-13-108, C.R.S., the Department utilize recoveries to offset the costs of providing public assistance. This appropriation represents an estimate of					
9		the county share of such recoveries and, if the amount of the county share of such recoveries is greater than the amount reflected in this appropriation, the					
10		Department is authorized to disburse an amount in excess of this appropriation to reflect the actual county share of such recoveries.

15		of the State share of recoveries of amounts of support for public assistance recipients be distributed to counties, as described in Section 26-13-108, C.R.S. If					
16		the total amount of the State share of recoveries is greater than the total annual appropriations from this fund source, including appropriations for operating

3 22 Department of Human Services, Division of Child Welfare -- It is the intent of the General Assembly to encourage counties to serve children in the most

4 appropriate and least restrictive manner. For this purpose, the Department may transfer funds among all line items in this long bill group total for the Division

5 of Child Welfare, except that the Department may not transfer funds from non-custodial line items to the Child Welfare Administration line item to increase

6 funding for personal services.

8 22a DEPARTMENT OF HUMAN SERVICES, DIVISION OF CHILD WELFARE, CHILD WELFARE SERVICES – THE DEPARTMENT MAY HOLD OUT UP TO \$500,000 TOTAL

1		funds appropriated for this line item be used to assist county departments of social services in implementing and expanding family- and community-based						
2		services for adolescents. It is the intent of the General Assembly that such services be based on a program or programs that have been demonstrated to be						
3		effective in reducing the need for higher cost residential services.						
4								
5	24	Department of Human Services, Division of Child Welfare, Performance-based Collaborative Management Incentives -- The total appropriation in this line						
6		item exceeds the projected ongoing revenue stream for the Collaborative Management Incentives Cash Fund. Therefore, appropriations at the current level						
7		may not be available when reserves are exhausted.						
8								
9	25	Department of Human Services, Office of Self Sufficiency, Colorado Works Program, County Block Grants -- Pursuant to Sections 26-2-714 (7) and 26-2-714						
10		(9), C.R.S., under certain conditions, a county may transfer federal Temporary Assistance for Needy Families (TANF) funds within its Colorado Works						
11		Program Block Grant to the federal child care development fund or to programs funded by Title XX of the federal Social Security Act. One of the conditions						
12		specified is that the amount a county transfers must be specified by the Department of Human Services as being available for transfer within the limitation						
13		imposed by federal law. It is the intent of the General Assembly that the Department allow individual counties to transfer a greater percent of federal TANF						
14		funds than the state is allowed under federal law as long as: (a) each county has had an opportunity to transfer an amount up to the federal maximum allowed;						
15		and, (b) the total amount transferred statewide does not exceed the federal maximum.
