1 *Be it enacted by the General Assembly of the State of Colorado:*

2           **SECTION 1. Legislative declaration.** (1) The general assembly  
3 hereby finds that:

4           (a) The reporting of child abuse is a matter of public concern, and  
5 it is in the best interests of the children of Colorado that we provide  
6 protective services when needed to prevent any further harm to a child  
7 suffering from child abuse or neglect;

8           (b) The existing mandatory reporting laws, which require a person  
9 who has reasonable cause to know or suspect that a child has been  
10 subjected to abuse or neglect or has observed a child being subject to  
11 circumstances or conditions that would reasonably result in abuse or  
12 neglect to report his or her suspicion to proper authorities, have been  
13 effective in bringing cases of suspected child abuse to the attention of the  
14 proper authorities; and

15           (c) Reporting suspected child abuse or neglect to the proper  
16 authorities allows determinations relating to a child's safety to be made by  
17 those persons who are in the best position through training and experience  
18 to not only assess the threat to the child, but to protect the child from  
19 further harm and provide any necessary services to the child.

20           (2) The general assembly further finds that:

21           (a) While public and private school officials and employees,  
22 including athletic program personnel, are currently required to report  
23 suspected child abuse in Colorado, many children today participate in  
24 private sports organization activities that are not administered by public  
25 or private schools;

26           (b) Some of these private children's sports programs involve

1 extensive participation by children in the evenings and on weekends, with  
2 time commitments for practice and competitions that are even more  
3 extensive than for school-based programs;

4 (c) Through consistent supervision and observation, the directors,  
5 coaches, and athletic trainers in these private sports programs build  
6 trusting relationships with children and are in a unique position to notice  
7 signs of suspected child abuse or neglect; and

8 (d) Several states have recently strengthened successful mandatory  
9 reporting laws by enacting legislation that specifically requires reporting  
10 by private children's sports programs.

11 (3) Therefore, the generally assembly declares that in order to  
12 protect children from harm, it is in the best interests of the children of  
13 Colorado to include directors, coaches, assistant coaches, and other  
14 athletic program personnel of private sports organizations as mandatory  
15 reporters of suspected child abuse and neglect.

16 **SECTION 2.** In Colorado Revised Statutes, 19-3-304, **amend** (2)  
17 (hh); and **add** (2) (ii) as follows:

18 **19-3-304. Persons required to report child abuse or neglect.**

19 (2) Persons required to report such abuse or neglect or circumstances or  
20 conditions include any:

21 (hh) Educator providing services through a federal special  
22 supplemental nutrition program for women, infants, and children, as  
23 provided for in 42 U.S.C. sec. 1786; AND

24 (ii) DIRECTOR, COACH, ASSISTANT COACH, OR ATHLETIC PROGRAM  
25 PERSONNEL EMPLOYED BY A PRIVATE SPORTS ORGANIZATION OR  
26 PROGRAM.

27 **SECTION 3. Safety clause.** The general assembly hereby finds,

- 1 determines, and declares that this act is necessary for the immediate
- 2 preservation of the public peace, health, and safety.
