year and concludes on June 30 of the following calendar year instead of around a calendar year as under existing law.

! **Section 2** of the bill extends the obligation to file disclosure statements with the secretary to include volunteer as well as professional lobbyists as under current law. Among other things, the disclosure statement enumerates expenditures by the lobbyist for gifts or entertainment purposes for public officials. This section of the bill also specifies when volunteer lobbyists are to file disclosure statements.

! Currently, the secretary imposes a fine of \$10 per day for each day after the deadline for filing a disclosure statement that a lobbyist fails to file the statement. **Section 2** of the bill maintains the \$10 fine for the first 10 business days on which the disclosure statement has not been filed after the day due. For failure to file a disclosure statement by the close of the 11th business day on which the disclosure statement has not been filed after the day due, in addition to the existing criminal penalty, section 2 requires the secretary to impose an additional penalty of \$100 for each day thereafter that a disclosure statement is not filed by the close of the business day. Section 2 also clarifies that the secretary may excuse the payment of any such penalty, or reduce the amount of any penalty imposed, for bona fide personal emergencies.

! **Section 3** of the bill requires volunteer lobbyists to register with the secretary in the same manner as professional lobbyists but exempts volunteer lobbyists from paying a registration fee. Section 3 also sets the fee for professional lobbyists at a level that will offset, in part, the costs of requiring the registration of volunteer lobbyists.

! **Section 6** of the bill requires the secretary to revoke the certificate of registration of any individual whose lobbying privileges before the general assembly have been suspended following action on a written complaint against the person in accordance with the general assembly's rules on lobbying practices.

! In the case of misconduct by an individual culminating in the revocation of a certificate of registration, **section 7** of the bill requires the secretary to additionally indicate the revocation of the individual's certificate of registration on the web site maintained by the secretary and requires the secretary to send written notice of the revocation by United States mail to each person for whom the individual lobbies

as shown on the individual's registration statement. In the case of misconduct by an individual culminating in a resolution of censure that has been adopted by the general assembly in accordance with its rules on lobbying practices, section 7 also requires the secretary to send a copy of the resolution by United States mail to each person for whom the individual lobbies as shown on the individual's registration statement. This section of the bill also grants the secretary authority to revoke or suspend the registration of a lobbyist for failure of the lobbyist to pay any penalty fines.
