1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 hereby finds and declares that:

4 (a) Backcountry search and rescue in Colorado originated in the  
5 1940s and has a strong heritage, saving the lives of thousands of  
6 Coloradans and visitors who engage in outdoor recreation in the state;

7 (b) Volunteer first responders, who are members of nonprofit  
8 backcountry search and rescue teams, risk their physical and  
9 psychological health when utilizing their specialized skills and local  
10 knowledge of Colorado's unique, diverse, and sometimes dangerous  
11 backcountry areas to render aid to anyone in need;

12 (c) Backcountry search and rescue is a vital service ensuring the  
13 safety of Colorado residents and visitors and is best accomplished with  
14 the cooperation and coordination of local backcountry search and rescue  
15 teams, county sheriffs, the Colorado National Guard, other local partners,  
16 and state, local, and federal government agencies;

17 (d) While limited state funding is currently generated from  
18 hunters, anglers, motorized boaters, off-highway vehicle users, and  
19 snowmobilers to reimburse political subdivisions and volunteer teams for

1 the costs incurred in conducting backcountry search and rescue  
2 operations, local governments and volunteer teams, especially those in  
3 rural areas, are experiencing more rescues and rising costs because of  
4 increasing backcountry use; and

5 (e) Maintaining strong backcountry search and rescue capabilities  
6 across the state is vital to the outdoor recreation industry, which is a  
7 major economic driver for the state and local economies.
