Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)

Under current law, nonprofit organizations are authorized to offer the program of all-inclusive care for the elderly (PACE program). If permitted by federal law, the bill authorizes public, private, and for-profit entities, in addition to nonprofit entities, to provide the PACE program.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1.** In Colorado Revised Statutes, 25.5-5-412, **amend**
3 (1) (a), (2) (b), and (8) as follows:

4 **25.5-5-412. Program of all-inclusive care for the elderly -**
5 **legislative declaration - services - eligibility - rules.** (1) (a) The general
6 assembly hereby finds and declares that it is the intent of this section to
7 replicate the ON LOK program in San Francisco, California, that has
8 proven to be cost-effective at both the state and federal levels. The PACE
9 program is part of a national replication project authorized in section
10 9412(b)(2) of the federal "Omnibus Budget Reconciliation Act of 1986",
11 as amended. ~~which instructs the secretary of the federal department of~~
12 ~~health and human services to grant medicare and medicaid waivers to~~
13 ~~permit not more than ten public or nonprofit private community-based~~
14 ~~organizations in the country to provide comprehensive health care~~
15 ~~services on a capitated basis to frail elderly who are at risk of~~
16 ~~institutionalization.~~ The general assembly finds that, by coordinating an
17 extensive array of medical and nonmedical services, the needs of the
18 participants will be met primarily in an outpatient environment in an adult
19 day health center, in their homes, or in an institutional setting. The
20 general assembly finds that such a service delivery system will enhance
21 the quality of life for the participant and offers the potential to reduce and
22 cap the costs to Colorado of the medical needs of the participants,
23 including hospital and nursing home admissions.

24 (2) The general assembly has determined on the recommendation
25 of the state department that the PACE program is cost-effective. As a
26 result of such determination and after consultation with the joint budget
27 committee of the general assembly, application has been made to and

1 waivers have been obtained from the federal health care financing
2 administration to implement the PACE program as provided in this
3 section. The general assembly, therefore, authorizes the state department
4 to implement the PACE program in accordance with this section. In
5 connection with the implementation of the program, the state department
6 shall:

7 (b) Develop and implement a contract with any ~~nonprofit~~
8 ~~organization~~ PUBLIC, PRIVATE, NONPROFIT, OR FOR-PROFIT ENTITY
9 providing the PACE program, AS PERMITTED BY FEDERAL LAW, that sets
10 forth contractual obligations for the PACE program, including but not
11 limited to reporting and monitoring of utilization of services and of the
12 costs of the program as required by the state department;

13 (8) Using a risk-based financing model, any ~~nonprofit~~
14 ~~organization~~ PUBLIC, PRIVATE, NONPROFIT, OR FOR-PROFIT ENTITY
15 providing the PACE program, AS PERMITTED BY FEDERAL LAW, shall
16 assume responsibility for all costs generated by PACE program
17 participants, and shall create and maintain a risk reserve fund that will
18 cover any cost overages for any participant. The PACE program is
19 responsible for the entire range of services in the consolidated service
20 model, including hospital and nursing home care, according to participant
21 need as determined by the multidisciplinary team. Any ~~nonprofit~~
22 ~~organization~~ PUBLIC, PRIVATE, NONPROFIT, OR FOR-PROFIT ENTITY
23 providing the PACE program, AS PERMITTED BY FEDERAL LAW, is
24 responsible for the full financial risk at the conclusion of the
25 demonstration period and when permanent waivers from the federal
26 health care financing administration are granted. Specific arrangements
27 of the risk-based financing model shall be adopted and negotiated by the

1 federal health care financing administration, any ~~nonprofit organization~~
2 PUBLIC, PRIVATE, NONPROFIT, OR FOR-PROFIT ENTITY providing the PACE
3 program, AS PERMITTED BY FEDERAL LAW, and the state department.

4 **SECTION 2.** In Colorado Revised Statutes, **repeal** 25.5-5-412 (1)
5 (b).

6 **SECTION 3. Act subject to petition - effective date.** This act
7 takes effect at 12:01 a.m. on the day following the expiration of the
8 ninety-day period after final adjournment of the general assembly (August
9 5, 2015, if adjournment sine die is on May 6, 2015); except that, if a
10 referendum petition is filed pursuant to section 1 (3) of article V of the
11 state constitution against this act or an item, section, or part of this act
12 within such period, then the act, item, section, or part will not take effect
13 unless approved by the people at the general election to be held in
14 November 2016 and, in such case, will take effect on the date of the
15 official declaration of the vote thereon by the governor.
