1     **FOOTNOTES** -- The following statements are referenced to the numbered footnotes throughout section 2.

2

3     1     Department of Corrections, Management, Executive Director's Office Subprogram; Department of Human Services, Mental Health and Alcohol and Drug  
4     Abuse Services, Alcohol and Drug Abuse Division; and Division of Youth Corrections; Judicial Department, Probation and Related Services; and Department  
5     of Public Safety, Division of Criminal Justice; and Colorado Bureau of Investigation -- State agencies involved in multi-agency programs requiring separate  
6     appropriations to each agency are requested to designate one lead agency to be responsible for submitting a comprehensive annual budget request for such  
7     programs to the Joint Budget Committee, including prior year, request year, and three year forecasts for revenues into the fund and expenditures from the fund  
8     by agency. The requests should be sustainable for the length of the forecast based on anticipated revenues. Each agency is still requested to submit its portion  
9     of such request with its own budget document. This applies to requests for appropriation from the Drug Offender Surcharge Fund, the Offender Identification  
10    Fund, the Sex Offender Surcharge Fund, the Persistent Drunk Driver Cash Fund, and the Alcohol and Drug Driving Safety Program Fund, among other  
11    programs.

12

13    18    Department of Human Services, Office of Information Technology Services, Child Care Automated Tracking System; and Division of Child Care -- It is the  
14    intent of the General Assembly that this project: 1) have a steering committee that includes a county commissioner, a county human services director, and  
15    a user of the system; 2) that the Department pilot the program before rolling it out; 3) that the steering committee, including the county representatives, should  
16    decide whether the system is "go" or "no go" at the roll out stages; and 4) that ongoing costs for maintenance and administration of this system be covered

1 through savings in or reductions to the Colorado Child Care Assistance Program and remaining Child Care Development Fund reserves. The new system will  
 2 not drive additional costs to the state General Fund.

3  
 4 19 Department of Human Services, County Administration, County Share of Offsetting Revenues -- It is the intent of the General Assembly that, pursuant to  
 5 Section 26-13-108, C.R.S., the Department utilize recoveries to offset the costs of providing public assistance. This appropriation represents an estimate of  
 6 the county share of such recoveries and, if the amount of the county share of such recoveries is greater than the amount reflected in this appropriation, the  
 7 Department is authorized to disburse an amount in excess of this appropriation to reflect the actual county share of such recoveries.

8  
 9 20 Department of Human Services, County Administration, County Incentive Payments; Office of Self Sufficiency, Colorado Works Program, County Block  
 10 Grants and Child Support Enforcement, Child Support Enforcement -- It is the intent of the General Assembly that, pursuant to Sections 26-13-108 and  
 11 26-13-112.5 (2), C.R.S., the Department distribute child support incentive payments to counties. It is the intent of the General Assembly that at least one-half  
 12 of the State share of recoveries of amounts of support for public assistance recipients be distributed to counties, as described in Section 26-13-108, C.R.S.  
 13 If the total amount of the State share of recoveries is greater than the total annual appropriations from this fund source, including appropriations for operating  
 14 and capital construction purposes, the Department is authorized to distribute to counties, for county incentive payments, one-half of the actual State share of  
 15 any additional recoveries.

1           21     Department of Human Services, Division of Child Welfare -- It is the intent of the General Assembly to encourage counties to serve children in the most  
 2                     appropriate and least restrictive manner. For this purpose, the Department may transfer funds among all line items in this long bill group total for the Division  
 3                     of Child Welfare, except that the Department may not transfer funds from non-custodial line items to the Child Welfare Administration line item to increase  
 4                     funding for personal services.

6           21a     Department of Human Services, Division of Child Welfare, Child Welfare Services -- Pursuant to Section 26-5-104 (6), C.R.S., subject to Department rules,  
 7                     counties are authorized to negotiate rates, services, and outcomes with child welfare services providers and are thus not required to provide a specific rate  
 8                     decrease for any individual provider. This provision does not apply, however, to Medicaid treatment rates. The funding appropriated for this line item includes  
 9                     a decrease of \$6,635,156 based on a 2.0 percent decrease in funding for county staff salaries and benefits, community provider rates including subsidized  
 10                    adoption rates, and Medicaid treatment rates.

12          21b     Department of Human Services, Division of Child Welfare, Family and Children's Programs -- Pursuant to Section 26-5-104 (6), C.R.S., subject to Department  
 13                     rules, counties are authorized to negotiate rates, services, and outcomes with child welfare services providers and are thus not required to provide a specific  
 14                     rate decrease for any individual provider. The funding appropriated for this line item includes a decrease of \$913,797 based on a 2.0 percent decrease in  
 15                     funding for community provider rates.

1	21c	Department of Human Services, Division of Child Welfare, Family and Children's Programs -- It is the intent of the General Assembly that \$4,006,949 of the					
2		funds appropriated for this line item be used to assist county departments of social services in implementing and expanding family- and community-based					
3		services for adolescents. It is the intent of the General Assembly that such services be based on a program or programs that have been demonstrated to be					
4		effective in reducing the need for higher cost residential services.					
5							
6	21d	Department of Human Services, Division of Child Welfare, Performance-based Collaborative Management Incentives -- The total appropriation in this line					
7		item exceeds the projected ongoing revenue stream for the Collaborative Management Incentives Cash Fund. Therefore, appropriations at the current level					
8		may not be available when reserves are exhausted.					
9							
10	22	Department of Human Services, Office of Self Sufficiency, Colorado Works Program, County Block Grants -- Pursuant to Sections 26-2-714 (7) and 26-2-714					
11		(9), C.R.S., under certain conditions, a county may transfer federal Temporary Assistance for Needy Families (TANF) funds within its Colorado Works					
12		Program Block Grant to the federal child care development fund or to programs funded by Title XX of the federal Social Security Act. One of the conditions					
13		specified is that the amount a county transfers must be specified by the Department of Human Services as being available for transfer within the limitation					
14		imposed by federal law. It is the intent of the General Assembly that the Department allow individual counties to transfer a greater percent of federal TANF					
15		funds than the state is allowed under federal law as long as: (a) Each county has had an opportunity to transfer an amount up to the federal maximum allowed;					
16		and, (b) the total amount transferred statewide does not exceed the federal maximum.
