SECTION 1. Legislative declaration. The general assembly finds and declares that this act will protect at-risk adults from unlawful abandonment and unlawful confinement. The abuse and neglect of senior citizens, people with disabilities, and other at-risk adults is a problem that impacts communities all across Colorado. Abandonment and unlawful confinement have risen as two forms of abuse and neglect that prove difficult to prosecute, as they are currently undefined in Colorado statute. This act defines these crimes and therefore provides law enforcement the tools they need to prosecute individuals who commit these crimes, further protecting at-risk adults from abuse and neglect.

SECTION 2. In Colorado Revised Statutes, 18-6.5-102, add (14)
as follows:
