Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

Joint Budget Committee. The General Assembly enacted House Bill 24-1421, a state fiscal year 2024-25 budget package bill that modified funding for certain grant programs administered by the division of criminal justice in the department of public safety, with a safety clause but without a specified effective date. This means, if the governor does not veto the bill, that the bill will take effect during state fiscal year

2023-24 on the date that the governor signs it or it becomes law without his signature. However, to avoid a temporary lapse in spending authority from multiple cash funds during state fiscal year 2023-24 while preserving its own timely implementation, House Bill 24-1421 needs to instead take effect on July 1, 2024, the first day of state fiscal year 2024-25. This bill amends the Session Laws of Colorado to add a July 1, 2024, effective date clause to House Bill 24-1421 and thereby mitigate this problem.

1 Be it enacted by the General Assembly of the State of Colorado: 2 **SECTION 1.** In Session Laws of Colorado 2024, **amend** section 6 of chapter (HB 24-1421); and add section 6 of chapter 3 4 (HB24-1421), as follows: 5 SECTION 6. Effective date. This act takes effect July 1, 6 2024. 7 Section 6. SECTION 7. Safety clause. The general assembly 8 finds, determines, and declares that this act is necessary for the immediate 9 preservation of the public peace, health, or safety or for appropriations for 10 the support and maintenance of the departments of the state and state 11 institutions. 12 SECTION 2. Safety clause. The general assembly finds, 13 determines, and declares that this act is necessary for the immediate 14 preservation of the public peace, health, or safety or for appropriations for 15 the support and maintenance of the departments of the state and state 16 institutions.
