Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)

To reduce the current backlog of air quality permit applications,

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
*Capital letters indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.*

the bill:

- ! Directs the air quality control commission to adopt a policy by November 1, 2011, to prioritize the division of administration's efforts in processing permit applications based on one or more factors other than the date of filing; and
- ! Directs the division to establish a list of at least 2 approved nongovernmental air quality modeling engineers that an applicant can use to establish its emissions for purposes of the division's permit application analysis. If the list does not include at least 2 modeling engineers on or after June 15, 2011, an applicant may contract with any modeling engineer that is not affiliated with the applicant to establish the applicant's emissions. To be able to use the results of the modeling for purposes of the division's permit application analysis, an applicant must contract with a second modeling engineer that is not affiliated with either the applicant or the first modeling engineer to review the results of the first modeling engineer's work.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1.** 25-7-114.5, Colorado Revised Statutes, is amended
3 BY THE ADDITION OF A NEW SUBSECTION to read:

4 **25-7-114.5. Application review - public participation.** _____
