**Senate Committees**

---

**SENATE RESOLUTION 20-002**

101     **CONCERNING THE DESIGNATION OF FEBRUARY 4 AS "MISSING**  
102             **PERSONS DAY" IN COLORADO.**

---

1             WHEREAS, While too many families grieve and hope for their  
2 missing children, others are in search of their missing family members of  
3 all ages; and

4             WHEREAS, The awareness of citizens, media, and law  
5 enforcement, as well as their support, their efforts, and their search for  
6 missing persons, must continue; and

7             WHEREAS, The public plays a critical role in the success of the  
8 AMBER Alert program and other alert programs: They become the eyes  
9 and ears of law enforcement and can be on the lookout for the missing  
10 person; and

11            WHEREAS, The common misconception that a person must be  
12 absent for at least 24 hours before being legally classified as missing is  
13 dangerous. When there is evidence of violence or of an unusual absence,  
14 it is critical that an investigation begin promptly.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
*Capital letters or bold & italic numbers indicate new material to be added to existing statute.*  
*Dashes through the words indicate deletions from existing statute.*

SENATE  
Final Reading  
February 4, 2020

1           WHEREAS, New advances in technology must be utilized and  
2 made available to locate the missing; and

3           WHEREAS, The state of Colorado is committed to the safety and  
4 well-being of its citizens, both children and adults; and

5           WHEREAS, The designation of Missing Persons Day in Colorado  
6 will firmly embed the importance of missing persons and their families  
7 and friends in our state calendar and will raise a level of awareness with  
8 other cities and states that have already designated a Missing Persons  
9 Day; and

10           WHEREAS, The designation of Missing Persons Day in Colorado  
11 offers a platform to plan events that will connect families with resources  
12 to help identify and find their long-term missing loved ones; and

13           WHEREAS, Each year, hundreds of thousands of families are  
14 faced with what President Ronald Reagan called "the stark terror of a  
15 unique tragedy" -- a missing family member; and

16           WHEREAS, On January 10, 2020, the FBI reported 86,989 active  
17 missing persons in the United States, with a large portion being juveniles  
18 under the age of 21; and

19           WHEREAS, Children and adults go missing from their families for  
20 a number of devastating reasons: They run away or wander and become  
21 lost; they disappear under circumstances indicating that their  
22 disappearance may not have been voluntary; or they go missing under  
23 suspicious circumstances, indicating that they may be in physical danger  
24 or the victims of foul play; and

25           WHEREAS, In 2002, Colorado Governor Bill Owens signed  
26 House Bill 02-1083, establishing the AMBER (America's Missing:  
27 Broadcast Emergency Response) Alert program in Colorado. Named after  
28 nine-year-old Amber Hagerman, who was abducted and killed in Texas  
29 in 1996, the program ensures that local law enforcement agencies can use  
30 the Emergency Alert System in Colorado to broadcast information to alert  
31 citizens of missing children.

32           WHEREAS, Since 1996, AMBER Alerts have successfully  
33 recovered 977 children nationally and 61 due to the Wireless Emergency  
34 Alert; and

1           WHEREAS, For all the important work done to recover missing  
2 children, the National Center for Missing & Exploited Children assisted  
3 law enforcement and families in 2019 with more than 29,000 cases of  
4 missing children nationwide, and the organization lists 155 active missing  
5 child cases in Colorado with posters circulating on nearly 70 of those  
6 cases. Even though all disappeared from their families when they were  
7 children, some have been missing for decades.

8           WHEREAS, The designation of Missing Persons Day in Colorado  
9 will ensure that the families and friends of the missing know that they are  
10 not alone in this tragedy of uncertainties and lack of closure, which leads  
11 to extreme suffering and long-lasting effects on the health, finances, and  
12 relationships of those left behind; and

13           WHEREAS, Every missing person is someone's son or daughter,  
14 father or mother, brother or sister, partner or friend, and every missing  
15 person deserves to be searched for and found; now, therefore,

16           *Be It Resolved by the Senate of the Seventy-second General*  
17 *Assembly of the State of Colorado:*

18           (1) That we, the members of the Colorado Senate, recognize the  
19 epidemic of the missing in America as "The Silent Mass Disaster" and  
20 empathize with the ongoing suffering of the families and friends of those  
21 who are missing;

22           (2) That we recognize the importance of raising awareness of the  
23 number of people who go missing in Colorado each year;

24           (3) That we applaud the committed efforts of families, law  
25 enforcement agencies, and concerned citizens who work to locate missing  
26 persons;

27           (4) That we encourage the continued support of worthy initiatives  
28 and private and public programs to increase efforts to locate missing  
29 persons;

30           (5) That we hereby designate February 4 of each year as "Missing  
31 Persons Day" and support the goals and ideals of the day; and

32           (6) That we acknowledge the names, and the families, of the  
33 Coloradans who are currently missing: Christopher Enoch Abeyta, Victor
