Cal. No. 196

(As Amended)

**"AN ACT CONCERNING THE HEALTH AND SAFETY OF CONNECTICUT RESIDENTS."**

1 Strike everything after the enacting clause and substitute the  
2 following in lieu thereof:

3 "Section 1. (NEW) (*Effective October 1, 2024*) (a) Each home health care  
4 agency and home health aide agency, as such terms are defined in

5 section 19a-490 of the general statutes, except any such agency that is  
6 licensed as a hospice organization by the Department of Public Health  
7 pursuant to section 19a-122b of the general statutes, shall, during intake  
8 of a prospective client who will be receiving services from the agency,  
9 collect and provide to any employee assigned to provide services to  
10 such client, to the extent feasible and consistent with state and federal  
11 laws, information regarding: (1) The client, including, if applicable, (A)  
12 the client's history of violence toward health care workers; (B) the  
13 client's history of substance use; (C) the client's history of domestic  
14 abuse; (D) a list of the client's diagnoses, including, but not limited to,  
15 psychiatric history; (E) whether the client's diagnoses or symptoms  
16 thereof have remained stable over time; and (F) any information  
17 concerning violent acts involving the client that is contained in judicial  
18 records or any sex offender registry information concerning the client;  
19 and (2) the location where the employee will provide services,  
20 including, if known to the agency, the (A) crime rate for the municipality  
21 in which the employee will provide services, as determined by the most  
22 recent annual report concerning crime in the state issued by the  
23 Department of Emergency Services and Public Protection pursuant to  
24 section 29-1c of the general statutes, (B) presence of any hazardous  
25 materials at the location, including, but not limited to, used syringes, (C)  
26 presence of firearms or other weapons at the location, (D) status of the  
27 location's fire alarm system, and (E) presence of any other safety hazards  
28 at the locations.

29 (b) To facilitate compliance with subparagraph (A) of subdivision (2)  
30 of subsection (a) of this section, each such agency shall annually review  
31 the annual report issued by the department pursuant to section 29-1c of  
32 the general statutes to collect crime-related data regarding the locations  
33 in the state where such agency's employees provide services.

34 (c) Notwithstanding any provision of subsection (a) or (b) of this  
35 section, no such agency shall deny the provision of services to a client  
36 solely based on (1) the inability or refusal of the client to provide the  
37 information described in subsection (a) of this section, or (2) the  
38 information collected from the client pursuant to subsection (a) of this

39 section.

40 Sec. 2. (NEW) (*Effective October 1, 2024*) (a) Each home health care  
41 agency and home health aide agency, as such terms are defined in  
42 section 19a-490 of the general statutes, except any such agency that is  
43 licensed as a hospice organization by the Department of Public Health  
44 pursuant to section 19a-122b of the general statutes, shall (1) (A) adopt  
45 and implement a health and safety training curriculum for home care  
46 workers that is consistent with the health and safety training curriculum  
47 for such workers that is endorsed by the Centers for Disease Control and  
48 Prevention's National Institute for Occupational Safety and Health and  
49 the Occupational Safety and Health Administration, including, but not  
50 limited to, training to recognize hazards commonly encountered in  
51 home care workplaces and applying practical solutions to manage risks  
52 and improve safety, and (B) provide annual staff training consistent  
53 with such health and safety curriculum; and (2) conduct monthly safety  
54 assessments with direct care staff at the agency's monthly staff meeting.

55 (b) The Commissioner of Social Services shall require any home  
56 health care agency and home health aide agency, except any such  
57 agency that is licensed as a hospice organization by the Department of  
58 Public Health pursuant to section 19a-122b of the general statutes, that  
59 receives reimbursement for services rendered under the Connecticut  
60 medical assistance program, as defined in section 17b-245g of the  
61 general statutes, to provide evidence of adoption and implementation  
62 of such health and safety training curriculum pursuant to subdivision  
63 (1) of subsection (a) of this section, or, at the commissioner's discretion,  
64 an alternative workplace safety training program applicable to such  
65 agency to obtain reimbursement for services provided under the  
66 medical assistance program.

67 (c) The commissioner may provide a rate enhancement under the  
68 Connecticut medical assistance program for any home health care  
69 agency or home health aide agency, except any such agency that is  
70 licensed as a hospice organization by the Department of Public Health  
71 pursuant to section 19a-122b of the general statutes, for timely reporting

72 of any workplace violence incident. For purposes of this section, "timely  
73 reporting" means reporting such incident not later than seven calendar  
74 days after its occurrence to the Department of Social Services and the  
75 Department of Public Health.

76 Sec. 3. (NEW) (*Effective October 1, 2024*) (a) Not later than January 1,  
77 2025, and annually thereafter, each home health care agency and home  
78 health aide agency, as such terms are defined in section 19a-490 of the  
79 general statutes, except any such agency that is licensed as a hospice  
80 organization by the Department of Public Health pursuant to section  
81 19a-122b of the general statutes, shall report, in a form and manner  
82 prescribed by the Commissioner of Public Health, each instance of  
83 verbal abuse that is perceived as a threat or danger by a staff member of  
84 such agency, physical abuse, sexual abuse or any other abuse by an  
85 agency client against a staff member of such agency and the actions  
86 taken by the agency to ensure the safety of the staff member.

87 (b) Not later than March 1, 2025, and annually thereafter, the  
88 commissioner shall report, in accordance with the provisions of section  
89 11-4a of the general statutes, to the joint standing committee of the  
90 General Assembly having cognizance of matters relating to public  
91 health regarding the number of reports received pursuant to subsection  
92 (a) of this section and the actions taken to ensure the safety of the staff  
93 member about whom the report was made.

94 Sec. 4. (*Effective from passage*) (a) Not later than January 1, 2025, the  
95 Commissioner of Social Services shall establish a home health worker  
96 safety grant program. The program shall, on or before January 1, 2027,  
97 provide incentive grants for home health care agencies and home health  
98 aide agencies, as such terms are defined in section 19a-490 of the general  
99 statutes, to provide (1) escorts for safety purposes to staff members  
100 conducting a home visit, and (2) a mechanism for staff to perform safety  
101 checks, which may include, but need not be limited to, (A) a mobile  
102 application that allows staff to access safety information relating to a  
103 client, including information collected pursuant to section 1 of this act,  
104 and a method of communicating with local police or other staff in the

105 event of a safety emergency, and (B) a global positioning system-  
106 enabled, wearable device that allows staff to contact local police by  
107 pressing a button or through another mechanism. The Commissioner of  
108 Social Services shall establish eligibility requirements, priority  
109 categories, funding limitations and the application process for the grant  
110 program.

111 (b) Not later than January 1, 2026, and annually thereafter until  
112 January 1, 2027, the commissioner shall report, in accordance with the  
113 provisions of section 11-4a of the general statutes, to the joint standing  
114 committee of the General Assembly having cognizance of matters  
115 relating to public health regarding the number of home health care  
116 agencies and home health aide agencies that applied for and received  
117 an incentive grant from the grant program established under subsection  
118 (a) of this section, the use of incentive grant funds by such recipients and  
119 any other information deemed pertinent by the commissioner.

120 Sec. 5. (NEW) (*Effective October 1, 2024*) (a) Any hospital, chronic  
121 disease hospital, nursing home, behavioral health facility, multicare  
122 institution or psychiatric residential treatment facility, as such terms are  
123 defined in section 19a-490 of the general statutes, that receives  
124 reimbursement for services rendered under the Connecticut medical  
125 assistance program, as defined in section 17b-245g of the general  
126 statutes, shall adopt and implement workplace violence prevention  
127 standards that are consistent with the workplace violence prevention  
128 standards set forth by the Joint Commission or any applicable  
129 certification or accreditation agency.

130 (b) The Commissioner of Social Services may require any institution  
131 listed in subsection (a) of this section to provide evidence of adoption  
132 and implementation of such workplace violence prevention standards  
133 to obtain reimbursement for services provided under the medical  
134 assistance program.

135 Sec. 6. (*Effective from passage*) (a) The chairpersons of the joint standing  
136 committee of the General Assembly having cognizance of matters

137 relating to public health shall convene a working group to study staff  
138 safety issues affecting (1) home health care and home health aide  
139 agencies, as such terms are defined in section 19a-490 of the general  
140 statutes, and (2) hospice organizations licensed by the Department of  
141 Public Health pursuant to section 19a-122b of the general statutes.

142 (b) The working group shall include, but need not be limited to, the  
143 following members:

144 (1) Three employees of one or more home health care or home health  
145 aide agencies, at least one of whom shall be a direct care worker;

146 (2) Three employees of one or more hospice care organizations, at  
147 least one of whom shall be a direct care worker;

148 (3) Two representatives of a home health care or home health aide  
149 agency;

150 (4) One representative of a collective bargaining unit representing  
151 home health care or home health aide agency employees;

152 (5) One representative of a collective bargaining unit representing  
153 hospice care organizations or hospice care employees;

154 (6) One representative of a mobile crisis response services provider;

155 (7) One representative of an assertive community treatment team;

156 (8) One representative of a police department;

157 (9) One representative of an association of hospitals in the state;

158 (10) One representative of an association of home health care and  
159 home health aide agencies in the state;

160 (11) Two representatives of an association of nurses in the state;

161 (12) One representative of the Division of State Police within the  
162 Department of Emergency Services and Public Protection;

163 (13) One representative of a municipal police department in the state;

164 (14) One member of a labor union in the state;

165 (15) The Commissioner of Mental Health and Addiction Services, or  
166 the commissioner's designee;

167 (16) The Commissioner of Correction, or the commissioner's  
168 designee;

169 (17) The Commissioner of Public Health, or the commissioner's  
170 designee;

171 (18) The Commissioner of Social Services, or the commissioner's  
172 designee;

173 (19) One member or employee of the Board of Pardons and Paroles;  
174 and

175 (20) One member of the judiciary.

176 (c) The chairpersons of the joint standing committee of the General  
177 Assembly having cognizance of matters relating to public health shall  
178 schedule the first meeting of the working group, which shall be held not  
179 later than sixty days after the effective date of this section.

180 (d) The members of the working group shall select two  
181 cochairpersons from among the members of the working group.

182 (e) The administrative staff of the joint standing committee of the  
183 General Assembly having cognizance of matters relating to public  
184 health shall serve as administrative staff of the working group.

185 (f) Not later than January 1, 2025, the working group shall submit a  
186 report on its findings and recommendations to the joint standing  
187 committee of the General Assembly having cognizance of matters  
188 relating to public health, in accordance with the provisions of section 11-  
189 4a of the general statutes. The working group shall terminate on the date  
190 that it submits such report or January 1, 2025, whichever is later.

191 Sec. 7. (NEW) (*Effective July 1, 2024*) (a) As used in this section:

192 (1) "Primary care provider" means a physician, advanced practice  
193 registered nurse or physician assistant who provides primary care  
194 services and is licensed by the Department of Public Health pursuant to  
195 title 20 of the general statutes; and

196 (2) "Primary care" means the medical fields of family medicine,  
197 general pediatrics, primary care, internal medicine, primary care  
198 obstetrics or primary care gynecology, without regard to board  
199 certification.

200 (b) On or before January 1, 2025, the Commissioner of Public Health,  
201 in consultation with the Commission on Community Gun Violence  
202 Intervention and Prevention, established pursuant to section 19a-112j of  
203 the general statutes, and the Connecticut chapters of a national  
204 professional association of physicians, a national professional  
205 association of pediatricians, a national professional association of  
206 advanced practice registered nurses and a national professional  
207 association of physician assistants, provided such chapters and  
208 associations agree to such consultation, shall develop or procure  
209 educational material concerning gun safety practices to be provided by  
210 primary care providers to patients during the patient's appointment  
211 with such patient's primary care provider. On or before February 1,  
212 2025, the Department of Public Health shall make the educational  
213 material available to all primary care providers in the state, at no cost to  
214 the provider, and make recommendations to such primary care  
215 providers for the effective use of such educational material. Such  
216 primary care providers shall make such educational material available  
217 to each patient on an annual basis at the patient's appointment with the  
218 primary care provider, or at each appointment if the patient visits the  
219 primary care provider less frequently than annually.

220 Sec. 8. (*Effective from passage*) (a) The cochairpersons of the joint  
221 standing committee of the General Assembly having cognizance of  
222 matters relating to public health shall establish a working group to

223 study nonalcoholic fatty liver disease, including nonalcoholic fatty liver  
224 and nonalcoholic steatohepatitis. Such study shall include, but need not  
225 be limited to, an examination of the following:

226 (1) The incidences of such disease in the state compared to incidences  
227 of such disease throughout the United States;

228 (2) The population groups most affected by and at risk of being  
229 diagnosed with such disease and the main risk factors contributing to  
230 its prevalence in such groups;

231 (3) Strategies for preventing such disease in high-risk populations  
232 and how such strategies can be implemented state-wide;

233 (4) Methods of increasing public awareness of such disease,  
234 including, but not limited to, public awareness campaigns educating the  
235 public regarding liver health;

236 (5) Whether implementation of a state-wide screening program for  
237 such disease in at-risk populations is recommended;

238 (6) Policy changes necessary to improve care and outcomes for  
239 patients with such disease;

240 (7) Insurance coverage and affordability issues that affect access to  
241 treatments for such disease;

242 (8) The creation of patient advocacy and support networks to assist  
243 persons living with such disease; and

244 (9) The manner in which social determinants of health influence the  
245 risk and outcomes of such disease and interventions needed to address  
246 such determinants.

247 (b) The working group shall include, but need not be limited to, the  
248 following members:

249 (1) A physician with expertise in hepatology and gastroenterology  
250 representing an institution of higher education in the state;

251 (2) Three persons in the state living with nonalcoholic fatty liver  
252 disease;

253 (3) A representative of a patient advocacy organization in the state;

254 (4) A social worker with experience working with communities in  
255 underserved areas in the state and addressing social determinants of  
256 health;

257 (5) An expert in health care policy in the state with experience in  
258 advising on regulatory frameworks, health care access and insurance  
259 issues;

260 (6) A nutritionist and dietician in the state with experience in  
261 providing guidance on preventative measures and dietary interventions  
262 related to nonalcoholic fatty liver disease;

263 (7) A community health worker who works directly with  
264 underserved communities in the state in addressing social determinants  
265 of health;

266 (8) A representative of a nonprofit organization in the state focused  
267 on liver health; and

268 (9) The Commissioner of Public Health, or the commissioner's  
269 designee.

270 (c) The cochairpersons of the joint standing committee of the General  
271 Assembly having cognizance of matters relating to public health shall  
272 convene the first meeting of the working group, which shall be held not  
273 later than sixty days after the effective date of this section.

274 (d) The members of the working group shall select two  
275 cochairpersons from among the members of the working group.

276 (e) The administrative staff of the joint standing committee of the  
277 General Assembly having cognizance of matters relating to public  
278 health shall serve as administrative staff of the working group.

279 (f) Not later than January 1, 2025, the working group shall submit a  
280 report on its findings and recommendations to the joint standing  
281 committee of the General Assembly having cognizance of matters  
282 relating to public health, in accordance with the provisions of section 11-  
283 4a of the general statutes. The working group shall terminate on the date  
284 that it submits such report or January 1, 2025, whichever is later.

285 Sec. 9. (*Effective from passage*) (a) The cochairpersons of the joint  
286 standing committee of the General Assembly having cognizance of  
287 matters relating to public health shall convene a working group to study  
288 health issues experienced by nail salon workers as a result of such  
289 workers' exposure to health hazards in a nail salon. Such study shall  
290 include, but need not be limited to, (1) an identification of health  
291 hazards in a nail salon, (2) mechanisms to reduce nail salon workers'  
292 exposure to such health hazards, (3) best practices for preventing nail  
293 salon workers from acquiring health issues from exposure to health  
294 hazards in a nail salon, and (4) assessing the strengths of policies  
295 protecting nail salon workers' health that have been implemented in  
296 other states.

297 (b) The working group shall include, but need not be limited to, the  
298 following members:

299 (1) Three nail technicians, each employed by a different nail salon in  
300 the state;

301 (2) Three owners or managers of three different nail salons in the  
302 state;

303 (3) A health care professional licensed in the state with experience  
304 treating patients experiencing symptoms of an illness attributable to  
305 such patients' exposure to health hazards while working in a nail salon;

306 (4) A representative of a labor union in the state;

307 (5) An expert in occupational safety;

308 (6) An expert in environmental health;

309 (7) A director of a municipal health department in the state with more  
310 than three nail salons in the department's jurisdiction; and

311 (8) The Commissioner of Public Health, or the commissioner's  
312 designee.

313 (c) The cochairpersons of the joint standing committee of the General  
314 Assembly having cognizance of matters relating to public health shall  
315 convene the first meeting of the working group, which shall occur not  
316 later than sixty days after the effective date of this section.

317 (d) The members of the working group shall select two  
318 cochairpersons from among the members of the working group.

319 (e) The administrative staff of the joint standing committee of the  
320 General Assembly having cognizance of matters relating to public  
321 health shall serve as administrative staff of the working group.

322 (f) Not later than January 1, 2025, the working group shall submit a  
323 report on its findings and recommendations to the joint standing  
324 committee of the General Assembly having cognizance of matters  
325 relating to public health, in accordance with the provisions of section 11-  
326 4a of the general statutes. The working group shall terminate on the date  
327 that it submits such report or January 1, 2025, whichever is later.

328 Sec. 10. (*Effective from passage*) The Commissioner of Consumer  
329 Protection, in collaboration with The University of Connecticut School  
330 of Pharmacy, shall study incidences of prescription drug shortages in  
331 the state and whether the state has a role in alleviating such shortages.  
332 Not later than January 1, 2025, the commissioner shall report, in  
333 accordance with the provisions of section 11-4a of the general statutes,  
334 to the joint standing committees of the General Assembly having  
335 cognizance of matters relating to consumer protection and public health  
336 regarding such study and any recommendations for legislation that  
337 would help alleviate or prevent such shortages.

338 Sec. 11. Section 19a-490ff of the 2024 supplement to the general

339 statutes is repealed and the following is substituted in lieu thereof  
340 (*Effective from passage*):

341 (a) As used in this section, (1) "board eligible" means eligible to take  
342 a qualifying examination administered by a medical specialty board  
343 after having graduated from a medical school, completed a residency  
344 program and trained under supervision in a specialty fellowship  
345 program, (2) "board certified" means having passed the qualifying  
346 examination administered by a medical specialty board to become  
347 board certified in a particular specialty, and (3) "board recertification"  
348 means recertification in a particular specialty after a predetermined time  
349 period prescribed by a medical specialty board, including, but not  
350 limited to, through participation in any required maintenance of  
351 certification program, after having passed the qualifying examination  
352 administered by the medical specialty board to become board certified  
353 in a particular specialty.

354 (b) No hospital, or medical review committee of a hospital, shall  
355 require, as part of its credentialing requirements (1) for a board eligible  
356 physician to acquire privileges to practice in the hospital, that the  
357 physician provide credentials of board certification in a particular  
358 specialty until five years after the date on which the physician became  
359 board eligible in such specialty, or (2) for a board certified physician to  
360 acquire or retain privileges to practice in the hospital, that the physician  
361 provide credentials of board recertification.

362 Sec. 12. (NEW) (*Effective January 1, 2025*) (a) For purposes of this  
363 section:

364 (1) "Health care provider" has the same meaning as provided in  
365 section 38a-477aa of the general statutes;

366 (2) "Maintenance of certification" means any process requiring  
367 periodic recertification examinations or other professional development  
368 activities to maintain specialty certification; and

369 (3) "Specialty certification" means any certification by a medical

370 board that specializes in one area of medicine and has requirements in  
371 addition to licensing requirements in this state.

372 (b) No insurer, health care center, hospital service corporation,  
373 medical service corporation, fraternal benefit society or other entity that  
374 delivers, issues for delivery, renews, amends or continues an individual  
375 or group health insurance policy providing coverage of the type  
376 specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-469 of  
377 the general statutes in this state on or after January 1, 2025, shall deny  
378 reimbursement to a health care provider or prevent any health care  
379 provider from participating in any provider network based solely on  
380 such health care provider's decision not to maintain a specialty  
381 certification, including, but not limited to, through participation in any  
382 maintenance of certification program, provided such health care  
383 provider does not hold such health care provider out to be a specialist  
384 under such specialty certification.

385 Sec. 13. (NEW) (*Effective January 1, 2025*) (a) For purposes of this  
386 section:

387 (1) "Health care provider" has the same meaning as provided in  
388 section 38a-477aa of the general statutes;

389 (2) "Maintenance of certification" means any process requiring  
390 periodic recertification examinations or other professional development  
391 activities to maintain specialty certification;

392 (3) "Professional liability insurance" has the same meaning as  
393 provided in section 38a-393 of the general statutes; and

394 (4) "Specialty certification" means any certification by a medical  
395 board that specializes in one area of medicine and has requirements in  
396 addition to licensing requirements in this state.

397 (b) No insurance company that delivers, issues for delivery, renews,  
398 amends or continues a professional liability insurance policy in this state  
399 on or after January 1, 2025, shall (1) deny coverage of a health care

400 provider based solely on such health provider's decisions not to  
401 maintain a specialty certification, including, but not limited to, through  
402 participation in a maintenance of certification program, or (2) require  
403 evidence of maintenance of such specialty certification as a prerequisite  
404 for obtaining professional liability insurance or other indemnity against  
405 liability for professional malpractice in accordance with section 20-11b  
406 of the general statutes, provided such health care provider does not hold  
407 such health care provider out to be a specialist under such specialty  
408 certification.

409 Sec. 14. (NEW) (*Effective October 1, 2024*) (a) As used in this section:

410 (1) "Dispense" has the same meaning as provided in section 21a-240  
411 of the general statutes;

412 (2) "Opioid drug" has the same meaning as provided in section 20-  
413 14o of the general statutes;

414 (3) "Personal opioid drug deactivation and disposal system" means a  
415 product that is designed for personal use and enables a patient to  
416 permanently deactivate and destroy an opioid drug;

417 (4) "Pharmacist" has the same meaning as provided in section 21a-240  
418 of the general statutes; and

419 (5) "Pharmacy" has the same meaning as provided in section 21a-240  
420 of the general statutes.

421 (b) Each pharmacist who dispenses an opioid drug to a patient in this  
422 state may provide to such patient, at the time such pharmacist dispenses  
423 such drug to such patient, information concerning a personal opioid  
424 drug deactivation and disposal system, including, but not limited to, the  
425 Internet web site address for the Department of Mental Health and  
426 Addiction Services containing such information pursuant to section 15  
427 of this act. Nothing in this section shall be construed to apply to a  
428 pharmacist who dispenses an opioid drug for a patient while the patient  
429 is in a facility or health care setting.

430 Sec. 15. (NEW) (*Effective from passage*) Not later than October 1, 2024,  
431 the Commissioner of Mental Health and Addiction Services shall post  
432 on the Department of Mental Health and Addiction Services' Internet  
433 web site information regarding personal opioid drug deactivation and  
434 disposal systems. As used in this section, "personal opioid drug  
435 deactivation and disposal system" means a product that is designed for  
436 personal use and enables a patient to permanently deactivate and  
437 destroy an opioid drug, as defined in section 20-14o of the general  
438 statutes.

439 Sec. 16. (*Effective from passage*) (a) As used in this section:

440 (1) "Opioid drug" has the same meaning as provided in section 20-  
441 14o of the general statutes; and

442 (2) "Personal opioid drug deactivation and disposal system" means a  
443 product that is designed for personal use and enables a patient to  
444 permanently deactivate and destroy an opioid drug.

445 (b) The Commissioner of Mental Health and Addiction Services, in  
446 collaboration with the Commissioners of Consumer Protection and  
447 Public Health, the Insurance Commissioner and the Governor's  
448 Prevention Partnership, shall study long-term payment options for the  
449 dispensing of personal opioid drug deactivation and disposal systems  
450 to patients in the state, including, but not limited to, at the time an opioid  
451 drug is dispensed to the patient. Not later than January 1, 2025, the  
452 Commissioner of Mental Health and Addiction Services shall report, in  
453 accordance with the provisions of section 11-4a of the general statutes,  
454 to the joint standing committees of the General Assembly having  
455 cognizance of matters relating to public health and consumer protection,  
456 regarding such study.

457 Sec. 17. Subdivision (7) of section 31-101 of the general statutes is  
458 repealed and the following is substituted in lieu thereof (*Effective October*  
459 *1, 2024*):

460 (7) "Employer" means any person acting directly or indirectly in the

461 interest of an employer in relation to an employee, but shall not include  
462 any person engaged in farming, or any person subject to the provisions  
463 of the National Labor Relations Act, unless the National Labor Relations  
464 Board has declined to assert jurisdiction over such person, or any person  
465 subject to the provisions of the Federal Railway Labor Act, or the state  
466 or any political or civil subdivision thereof or any religious agency or  
467 corporation, or any labor organization, except when acting as an  
468 employer, or any one acting as an officer or agent of such labor  
469 organization. An employer licensed by the Department of Public Health  
470 under section 19a-490 shall be subject to the provisions of this chapter  
471 with respect to all its employees except those licensed under [chapters  
472 370 and] chapter 379, unless such employer is the state or any political  
473 subdivision thereof;

474       Sec. 18. (NEW) (*Effective January 1, 2025*) (a) As used in this section,  
475 "coronary calcium scan" means a computed tomography scan of the  
476 heart that looks for calcium deposits in the heart arteries.

477       (b) Each individual health insurance policy providing coverage of the  
478 type specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-469  
479 of the general statutes and delivered, issued for delivery, renewed,  
480 amended or continued in this state on or after January 1, 2025, shall  
481 provide coverage for coronary calcium scans.

482       (c) The provisions of this section shall apply to a high deductible  
483 health plan, as such term is used in subsection (f) of section 38a-493 of  
484 the general statutes, to the maximum extent permitted by federal law,  
485 except if such plan is used to establish a medical savings account or an  
486 Archer MSA pursuant to Section 220 of the Internal Revenue Code of  
487 1986, as amended from time to time, or any subsequent corresponding  
488 internal revenue code of the United States, as amended from time to  
489 time, or a health savings account pursuant to Section 223 of said Internal  
490 Revenue Code of 1986, as amended from time to time, the provisions of  
491 this section shall apply to such plan to the maximum extent that (1) is  
492 permitted by federal law, and (2) does not disqualify such account for  
493 the deduction allowed under said Section 220 or 223 of said Internal

494 Revenue Code of 1986, as applicable.

495 Sec. 19. (NEW) (*Effective January 1, 2025*) (a) As used in this section,  
496 "coronary calcium scan" means a computed tomography scan of the  
497 heart that looks for calcium deposits in the heart arteries.

498 (b) Each group health insurance policy providing coverage of the  
499 type specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-469  
500 of the general statutes and delivered, issued for delivery, renewed,  
501 amended or continued in this state on or after January 1, 2025, shall  
502 provide coverage for coronary calcium scans.

503 (c) The provisions of this section shall apply to a high deductible  
504 health plan, as such term is used in subsection (f) of section 38a-493 of  
505 the general statutes, to the maximum extent permitted by federal law,  
506 except if such plan is used to establish a medical savings account or an  
507 Archer MSA pursuant to Section 220 of the Internal Revenue Code of  
508 1986, as amended from time to time, or any subsequent corresponding  
509 internal revenue code of the United States, as amended from time to  
510 time, or a health savings account pursuant to Section 223 of said Internal  
511 Revenue Code of 1986, as amended from time to time, the provisions of  
512 this section shall apply to such plan to the maximum extent that (1) is  
513 permitted by federal law, and (2) does not disqualify such account for  
514 the deduction allowed under said Section 220 or 223 of said Internal  
515 Revenue Code, as applicable.

516 Sec. 20. (NEW) (*Effective from passage*) Not later than January 1, 2025,  
517 and not less than annually thereafter, each hospital licensed pursuant to  
518 chapter 368v of the general statutes, except any such hospital that is  
519 operated exclusively by the state, shall (1) submit the hospital's plans  
520 and processes to respond to a cybersecurity disruption of the hospital's  
521 operations to an audit by an independent, certified cybersecurity  
522 auditor or cybersecurity expert credentialed by the Information Systems  
523 Audit and Control Association, or similar entity that provides such  
524 credentials, to determine the adequacy of such plans and processes and  
525 identify any necessary improvements to such plans and processes, and

526 (2) make available for inspection on a confidential basis to the  
527 Departments of Public Health and Administrative Services and the  
528 Division of Emergency Management and Homeland Security within the  
529 Department of Emergency Services and Public Protection information  
530 regarding whether such plans and processes have been determined to  
531 be adequate pursuant to such audit and the steps the hospital is taking  
532 to implement any recommended improvements by the auditor. Any  
533 recipient of the information submitted or made available pursuant to  
534 this section shall maintain the maximum level of confidentiality allowed  
535 under law for such information and shall not disclose such information  
536 except as expressly required by law. The information submitted or made  
537 available pursuant to this section shall be exempt from disclosure under  
538 the Freedom of Information Act, as defined in section 1-200 of the  
539 general statutes.

540 Sec. 21. Subsection (b) of section 17b-59d of the general statutes is  
541 repealed and the following is substituted in lieu thereof (*Effective July 1,*  
542 *2024*):

543 (b) It shall be the goal of the State-wide Health Information Exchange  
544 to: (1) Allow real-time, secure access to patient health information and  
545 complete medical records across all health care provider settings; (2)  
546 provide patients with secure electronic access to their health  
547 information in accordance with 45 CFR 171; (3) allow voluntary  
548 participation by patients to access their health information at no cost; (4)  
549 support care coordination through real-time alerts and timely access to  
550 clinical information; (5) reduce costs associated with preventable  
551 readmissions, duplicative testing and medical errors; (6) promote the  
552 highest level of interoperability; (7) meet all state and federal privacy  
553 and security requirements; (8) support public health reporting, quality  
554 improvement, academic research and health care delivery and payment  
555 reform through data aggregation and analytics; (9) support population  
556 health analytics; (10) be standards-based; and (11) provide for broad  
557 local governance that (A) includes stakeholders, including, but not  
558 limited to, representatives of the Department of Social Services,  
559 hospitals, physicians, behavioral health care providers, long-term care

560 providers, health insurers, employers, patients and academic or medical  
561 research institutions, and (B) is committed to the successful  
562 development and implementation of the State-wide Health Information  
563 Exchange.

564 Sec. 22. Section 17b-59e of the general statutes is repealed and the  
565 following is substituted in lieu thereof (*Effective July 1, 2024*):

566 (a) For purposes of this section:

567 (1) "Health care provider" means any individual, corporation, facility  
568 or institution licensed by the state to provide health care services; and

569 (2) "Electronic health record system" means a computer-based  
570 information system that is used to create, collect, store, manipulate,  
571 share, exchange or make available electronic health records for the  
572 purposes of the delivery of patient care.

573 (b) Not later than one year after commencement of the operation of  
574 the State-wide Health Information Exchange, each hospital licensed  
575 under chapter 368v and clinical laboratory licensed under section 19a-  
576 565 shall maintain an electronic health record system capable of  
577 connecting to and participating in the State-wide Health Information  
578 Exchange and shall apply to begin the process of connecting to, and  
579 participating in, the State-wide Health Information Exchange.

580 (c) Not later than two years after commencement of the operation of  
581 the State-wide Health Information Exchange, (1) each health care  
582 provider with an electronic health record system capable of connecting  
583 to, and participating in, the State-wide Health Information Exchange  
584 shall apply to begin the process of connecting to, and participating in,  
585 the State-wide Health Information Exchange, and (2) each health care  
586 provider without an electronic health record system capable of  
587 connecting to, and participating in, the State-wide Health Information  
588 Exchange shall be capable of sending and receiving secure messages  
589 that comply with the Direct Project specifications published by the  
590 federal Office of the National Coordinator for Health Information

591 Technology. A health care provider shall not be required to connect with  
592 the State-wide Health Information Exchange if the provider (A)  
593 possesses no patient medical records, or (B) is an individual licensed by  
594 the state that exclusively practices as an employee of a covered entity,  
595 as defined by the Health Insurance Portability and Accountability Act  
596 of 1996, P.L. 104-191, as amended from time to time, and such covered  
597 entity is legally responsible for decisions regarding the safeguarding,  
598 release or exchange of health information and medical records, in which  
599 case such covered entity is responsible for compliance with the  
600 provisions of this section.

601 (d) Nothing in this section shall be construed to require a health care  
602 provider to share patient information with the State-wide Health  
603 Information Exchange if (1) sharing such information is prohibited by  
604 state or federal privacy and security laws, or (2) affirmative consent  
605 from the patient is legally required and such consent has not been  
606 obtained.

607 (e) No health care provider shall be liable for any private or public  
608 claim related directly to a data breach, ransomware or hacking  
609 experienced by the State-wide Health Information Exchange, provided  
610 a health care provider shall be liable for any failure to comply with  
611 applicable state and federal data privacy and security laws and  
612 regulations in sharing information with and connecting to the exchange.  
613 Any health care provider that would violate any other law by sharing  
614 information with or connecting to the exchange shall not be required to  
615 share such information with or connect to the exchange.

616 [(d)] (f) The executive director of the Office of Health Strategy shall  
617 adopt regulations in accordance with the provisions of chapter 54 that  
618 set forth requirements necessary to implement the provisions of this  
619 section. The executive director may implement policies and procedures  
620 necessary to administer the provisions of this section while in the  
621 process of adopting such policies and procedures in regulation form,  
622 provided the executive director holds a public hearing at least thirty  
623 days prior to implementing such policies and procedures and publishes

624 notice of intention to adopt the regulations on the Office of Health  
625 Strategy's Internet web site and the eRegulations System not later than  
626 twenty days after implementing such policies and procedures. Policies  
627 and procedures implemented pursuant to this subsection shall be valid  
628 until the time such regulations are effective.

629 (g) Not later than eighteen months after the date of implementation  
630 of policies and procedures pursuant to subsection (f) of this section, each  
631 health care provider shall be connected to and actively participating in  
632 the State-wide Health Information Exchange. As used in this subsection,  
633 (1) "connection" includes, but is not limited to, onboarding with the  
634 exchange, and (2) "participation" means the active sharing of medical  
635 records with the exchange in accordance with applicable law including,  
636 but not limited to, the Health Insurance Portability and Accountability  
637 Act of 1996, P.L. 104-191, as amended from time to time, and 42 CFR 2.

638 Sec. 23. (*Effective from passage*) (a) Not later than September 1, 2025,  
639 the executive director of the Office of Health Strategy shall establish a  
640 working group to make recommendations to the office regarding the  
641 parameters of the regulations to be adopted by, and any policies and  
642 procedures to be implemented by, the office pursuant to subsection (f)  
643 of section 17b-59e of the general statutes, as amended by this act. Such  
644 recommendations shall include, but need not be limited to (1) privacy  
645 of protected health care information, (2) cybersecurity, (3) health care  
646 provider liability, (4) any contract required of health care providers to  
647 participate in the State-wide Health Information Exchange, and (5) any  
648 statutory changes that may be necessary to address any concerns raised  
649 by the working group.

650 (b) The working group shall consist of not more than fifteen  
651 members, including, but not limited to, (1) the executive director of the  
652 Office of Health Strategy, or the executive director's designee, who shall  
653 serve as chairperson of the working group, (2) the Health Information  
654 Technology Officer, designated pursuant to section 19a-754a of the  
655 general statutes, or the officer's designee, (3) the chairpersons and  
656 ranking members of the joint standing committee of the General

657 Assembly having cognizance of matters relating to public health, and  
658 (4) representatives of health care provider associations in the state,  
659 which may include associations representing hospitals, ambulatory  
660 surgical centers, physicians, women's health care providers, behavioral  
661 and mental health care providers, health care services providers for the  
662 aging, gender affirming care providers, patient advocates and health  
663 care payers.

664 (c) Not later than January 1, 2025, the executive director of the Office  
665 of Health Strategy shall report, in accordance with the provisions of  
666 section 11-4a of the general statutes, to the joint standing committee of  
667 the General Assembly having cognizance of matters relating to public  
668 health regarding the recommendations of the working group.

669 Sec. 24. Subsection (b) of section 17b-59f of the general statutes is  
670 repealed and the following is substituted in lieu thereof (*Effective July 1,*  
671 *2024*):

672 (b) The council shall consist of the following members:

673 (1) One member appointed by the executive director of the Office of  
674 Health Strategy, who shall be an expert in state health care reform  
675 initiatives;

676 (2) The health information technology officer, designated in  
677 accordance with section 19a-754a, or the health information technology  
678 officer's designee;

679 (3) The Commissioners of Social Services, Mental Health and  
680 Addiction Services, Children and Families, Correction, Public Health  
681 and Developmental Services, or the commissioners' designees;

682 (4) The Chief Information Officer of the state, or the Chief Information  
683 Officer's designee;

684 (5) The chief executive officer of the Connecticut Health Insurance  
685 Exchange, or the chief executive officer's designee;

686 (6) The chief information officer of The University of Connecticut  
687 Health Center, or the chief information officer's designee;

688 (7) The Healthcare Advocate, or the Healthcare Advocate's designee;

689 (8) The Comptroller, or the Comptroller's designee;

690 (9) The Attorney General, or the Attorney General's designee;

691 ~~[(9)]~~ (10) Five members appointed by the Governor, one each who  
692 shall be (A) a representative of a health system that includes more than  
693 one hospital, (B) a representative of the health insurance industry, (C)  
694 an expert in health information technology, (D) a health care consumer  
695 or consumer advocate, and (E) a current or former employee or trustee  
696 of a plan established pursuant to subdivision (5) of subsection (c) of 29  
697 USC 186;

698 ~~[(10)]~~ (11) Three members appointed by the president pro tempore of  
699 the Senate, one each who shall be (A) a representative of a federally  
700 qualified health center, (B) a provider of behavioral health services, and  
701 (C) a physician licensed under chapter 370;

702 ~~[(11)]~~ (12) Three members appointed by the speaker of the House of  
703 Representatives, one each who shall be (A) a technology expert who  
704 represents a hospital system, as defined in section 19a-486i, (B) a  
705 provider of home health care services, and (C) a health care consumer  
706 or a health care consumer advocate;

707 ~~[(12)]~~ (13) One member appointed by the majority leader of the  
708 Senate, who shall be a representative of an independent community  
709 hospital;

710 ~~[(13)]~~ (14) One member appointed by the majority leader of the House  
711 of Representatives, who shall be a physician who provides services in a  
712 multispecialty group and who is not employed by a hospital;

713 ~~[(14)]~~ (15) One member appointed by the minority leader of the  
714 Senate, who shall be a primary care physician who provides services in

715 a small independent practice;

716 ~~[(15)]~~ (16) One member appointed by the minority leader of the  
717 House of Representatives, who shall be an expert in health care analytics  
718 and quality analysis;

719 ~~[(16)]~~ (17) The president pro tempore of the Senate, or the president's  
720 designee;

721 ~~[(17)]~~ (18) The speaker of the House of Representatives, or the  
722 speaker's designee;

723 ~~[(18)]~~ (19) The minority leader of the Senate, or the minority leader's  
724 designee; and

725 ~~[(19)]~~ (20) The minority leader of the House of Representatives, or the  
726 minority leader's designee.

727 Sec. 25. (NEW) (*Effective from passage*) Not later than January 1, 2025,  
728 and annually thereafter, the Department of Public Health shall report,  
729 within available appropriations and in accordance with the provisions  
730 of section 11-4a of the general statutes, to the joint standing committee  
731 of the General Assembly having cognizance of matters relating to public  
732 health regarding the department's work on the Healthy Brain Initiative.  
733 As used in this section, "Healthy Brain Initiative" means the National  
734 Centers for Disease Control and Prevention's collaborative approach to  
735 fully integrate cognitive health into public health practice and reduce  
736 the risk and impact of Alzheimer's disease and other dementias.

737 Sec. 26. (NEW) (*Effective from passage*) (a) As used in this section:

738 (1) "Health care provider" means any person or organization that  
739 furnishes health care services to persons with Parkinson's disease or  
740 Parkinsonism and is licensed or certified to furnish such services  
741 pursuant to chapters 370 and 378 of the general statutes; and

742 (2) "Hospital" has the same meaning as provided in section 19a-490  
743 of the general statutes.

744 (b) Not later than April 1, 2026, the Department of Public Health, in  
745 collaboration with a public institution of higher education in the state,  
746 shall maintain and operate, within available appropriations, a state-  
747 wide registry of data on Parkinson's disease and Parkinsonism.

748 (c) Each hospital and each health care provider shall make available  
749 to the registry such data concerning each patient with Parkinson's  
750 disease or Parkinsonism admitted to such hospital or treated by such  
751 health care provider for such patient's Parkinson's disease or  
752 Parkinsonism as the Commissioner of Public Health shall require by  
753 regulations adopted in accordance with chapter 54 of the general  
754 statutes. Each hospital and health care provider shall provide each such  
755 patient with notice of, and the opportunity to opt out of, such disclosure.

756 (d) The data contained in such registry may be used by the  
757 department and authorized researchers as specified in such regulations,  
758 provided personally identifiable information in such registry  
759 concerning any such patient with Parkinson's disease or Parkinsonism  
760 shall be held confidential pursuant to section 19a-25 of the general  
761 statutes. The data contained in the registry shall not be subject to  
762 disclosure under the Freedom of Information Act, as defined in section  
763 1-200 of the general statutes. The commissioner may enter into a contract  
764 with a nonprofit association in this state concerned with the prevention  
765 and treatment of Parkinson's disease and Parkinsonism to provide for  
766 the implementation and administration of the registry established  
767 pursuant to this section.

768 (e) Each hospital shall provide access to its records to the Department  
769 of Public Health, as the department deems necessary, to perform case  
770 finding or other quality improvement audits to ensure completeness of  
771 reporting and data accuracy consistent with the purposes of this section.

772 (f) The Department of Public Health may enter into a contract for the  
773 receipt, storage, holding or maintenance of the data or files under its  
774 control and management for the purpose of implementing the  
775 provisions of this section.

776 (g) The Department of Public Health may enter into reciprocal  
777 reporting agreements with the appropriate agencies of other states to  
778 exchange Parkinson's disease and Parkinsonism care data.

779 (h) The Department of Public Health shall establish a Parkinson's  
780 disease and Parkinsonism data oversight committee to (1) monitor the  
781 operations of the state-wide registry established pursuant to subsection  
782 (b) of this section, (2) provide advice regarding the oversight of such  
783 registry, (3) develop a plan to improve quality of Parkinson's disease  
784 and Parkinsonism care and address disparities in the provision of such  
785 care, and (4) develop short and long-term goals for improvement of such  
786 care.

787 (i) Said committee shall include, but need not be limited to, the  
788 following members, who shall be appointed by the Commissioner of  
789 Public Health not later than April 1, 2026: (1) A neurologist; (2) a

801 experience providing services to persons with Parkinson's disease; (15)  
802 a geriatric specialist; and (16) a palliative care specialist. Each member  
803 shall serve a term of two years. The commissioner shall appoint, from  
804 among the members of the oversight committee, a chairperson who  
805 shall schedule the first meeting of the oversight committee on or before  
806 April 1, 2026. The Department of Public Health shall assist said  
807 committee in its work and provide any information or data that the  
808 committee deems necessary to fulfil its duties, unless the disclosure of  
809 such information or data is prohibited by state or federal law. Not later

810 than January 1, 2027, and annually thereafter, the chairperson of the  
811 committee shall report, in accordance with the provisions of section 11-  
812 4a of the general statutes, to the joint standing committee of the General  
813 Assembly having cognizance of matters relating to public health,  
814 regarding the work of the committee. Not later than January 1, 2027, and  
815 at least annually thereafter, such chairperson shall report to the  
816 Commissioner of Public Health regarding the work of the committee.

817 (j) The Commissioner of Public Health may adopt regulations, in  
818 accordance with the provisions of chapter 54 of the general statutes, to  
819 implement the provisions of this section. The commissioner may  
820 implement policies and procedures necessary to administer the  
821 provisions of this section while in the process of adopting such policies  
822 and procedures as regulations, provided notice of intent to adopt  
823 regulations is published on the eRegulations system not later than  
824 twenty days after the date of implementation. Policies and procedures  
825 implemented pursuant to this section shall be valid until the time final  
826 regulations are adopted.

827 Sec. 27. (NEW) (*Effective from passage*) (a) The Commissioner of Mental  
828 Health and Addiction Services, in consultation with the Commissioner  
829 of Children and Families, shall establish, within available  
830 appropriations, a program for persons diagnosed with recent-onset  
831 schizophrenia spectrum disorder for specialized treatment early in such  
832 persons' psychosis. Such program shall serve as a hub for the state-wide  
833 dissemination of information regarding best practices for the provision  
834 of early intervention services to persons diagnosed with a recent-onset  
835 schizophrenia spectrum disorder. Such program shall address (1) the  
836 limited knowledge of (A) region-specific needs in treating such  
837 disorder, (B) the prevalence of first-episode psychosis in persons  
838 diagnosed with such disorder, and (C) disparities across different  
839 regions in treating such disorder, (2) uncertainty regarding the  
840 availability and readiness of clinicians to implement early intervention  
841 services for persons diagnosed with such disorder and such persons'  
842 families, and (3) funding of and reimbursement for early intervention  
843 services available to persons diagnosed with such disorder.

844 (b) The program established pursuant to subsection (a) of this section  
845 shall perform the following functions:

846 (1) Develop structured curricula, online resources and  
847 videoconferencing-based case conferences to disseminate information  
848 for the development of knowledge and skills relevant to patients with  
849 first-episode psychosis and such patients' families;

850 (2) Assess and improve the quality of early intervention services  
851 available to persons diagnosed with a recent-onset schizophrenic  
852 spectrum disorder across the state;

853 (3) Provide expert input on complex cases of a recent-onset  
854 schizophrenic spectrum disorder and launch a referral system for  
855 consultation with persons having expertise in treating such disorders;

856 (4) Share lessons and resources from any campaigns aimed at  
857 reducing the duration of untreated psychosis to improve local pathways  
858 to care for persons with such disorders;

859 (5) Serve as an incubator for new evidence-based treatment  
860 approaches and pilot such approaches for deployment across the state;

861 (6) Advocate for policies addressing the financing, regulation and  
862 provision of services for persons with such disorders; and

863 (7) Collaborate with state agencies to improve outcomes for persons  
864 diagnosed with first-episode psychosis in areas including, but not  
865 limited to, crisis services and employment services.

866 (c) Not later than January 1, 2025, and annually thereafter, the  
867 Commissioner of Mental Health and Addiction Services shall report, in  
868 accordance with the provisions of section 11-4a of the general statutes,  
869 to the joint standing committee of the General Assembly having  
870 cognizance of matters relating to public health, regarding the functions  
871 and outcomes of the program for specialized treatment early in  
872 psychosis and any recommendations for legislation to address the needs  
873 of persons diagnosed with recent-onset schizophrenic spectrum

874 disorders.

875 Sec. 28. (*Effective from passage*) (a) The cochairpersons of the joint  
876 standing committee of the General Assembly having cognizance of  
877 matters relating to public health shall establish a working group to  
878 study and make recommendations concerning methods of addressing  
879 loneliness and isolation experienced by persons in the state and to  
880 improve social connection among such persons, including, but not  
881 limited to, through the establishment of a pilot program that utilizes  
882 technology to combat loneliness and foster social engagement. The  
883 working group shall perform the following functions:

884 (1) Evaluate the causes of and other factors contributing to the sense  
885 of isolation and loneliness experienced by persons in the state;

886 (2) Evaluate methods of preventing and eliminating the sense of  
887 isolation and loneliness experienced by persons in the state;

910 education in the state;

911 (6) A student of a school of social work at an institution of higher  
912 education in the state;

913 (7) A resident of an assisted living facility for veterans in the state;

914 (8) A resident of an assisted living facility in a suburban town of the  
915 state;

916 (9) A member of the administration of a senior center in the state;

917 (10) A librarian from a library in an urban area of the state;

918 (11) A representative of an organization serving children in an urban  
919 area of the state;

920 (12) A representative of an organization that represents  
921 municipalities in the state;

922 (13) A representative of an organization that represents small towns  
923 in the state;

924 (14) A representative of an organization in the state that is working  
925 on policies to improve planning and zoning laws to create an inclusive  
926 society and improve access to transit-oriented development in the state;

927 (15) A representative of an organization in the state that is working  
928 to improve and create more walkable and accessible main streets in  
929 towns and municipalities in the state;

930 (16) A representative of an organization in the state that advocates for  
931 persons with a physical disability;

932 (17) An expert in digital health and identifying safe digital education;

933 (18) A representative of an organization in the state that develops  
934 mobile applications that are intended to address loneliness and  
935 isolation;

936 (19) A representative of an organization that is exploring the use of  
937 technology to address loneliness and isolation;

938 (20) A psychiatrist who treats adolescents in the state;

939 (21) A psychiatrist who treats adults in the state;

940 (22) A librarian from a library in a rural area of the state;

941 (23) A social worker who practices in an urban area of the state;

942 (24) The Commissioner of Mental Health and Addiction Services, or  
943 the commissioner's designee; and

944 (25) The Commissioner of Children and Families, or the  
945 commissioner's designee.

946 (c) The cochairpersons of the joint standing committee of the General  
947 Assembly having cognizance of matters relating to public health shall  
948 schedule the first meeting of the working group, which shall be held not  
949 later than sixty days after the effective date of this section.

950 (d) The members of the working group shall elect two chairpersons  
951 from among the members of the working group.

952 (e) The administrative staff of the joint standing committee of the  
953 General Assembly having cognizance of matters relating to public  
954 health shall serve as administrative staff of the working group.

955 (f) Not later than January 1, 2025, the working group shall submit a

956 report on its findings and recommendations to the joint standing  
957 committee of the General Assembly having cognizance of matters  
958 relating to public health, in accordance with the provisions of section 11-  
959 4a of the general statutes. The working group shall terminate on the date  
960 that it submits such report or January 1, 2025, whichever is later.

961 Sec. 29. (*Effective from passage*) (a) The chairpersons of the joint  
962 standing committee of the General Assembly having cognizance of  
963 matters relating to public health shall establish a working group to  
964 examine hospice services for pediatric patients across the state. The  
965 working group shall include, but need not be limited to, the following  
966 members:

967 (1) At least one representative of each pediatric hospice association in  
968 the state;

977 (7) The chairpersons and ranking members of the joint standing  
978 committee of the General Assembly having cognizance of matters  
979 relating to public health;

980 (8) The Commissioner of Public Health, or the commissioner's  
981 designee; and

982 (9) The Commissioner of Social Services, or the commissioner's  
983 designee.

984 (b) The working group shall be responsible for the following:

985 (1) Reviewing existing hospice services for pediatric patients across  
986 the state;

987 (2) Making recommendations for appropriate levels of hospice  
988 services for pediatric patients across the state; and

989 (3) Evaluating payment and funding options for pediatric hospice  
990 care.

991 (c) The cochairpersons of the joint standing committee of the General  
992 Assembly having cognizance of matters relating to public health shall  
993 schedule the first meeting of the working group, which shall be held not  
994 later than sixty days after the effective date of this section.

995 (d) The members of the working group shall elect two chairpersons  
996 from among the members of the working group.

997 (e) The administrative staff of the joint standing committee of the  
998 General Assembly having cognizance of matters relating to public  
999 health shall serve as administrative staff of the working group.

1000 (f) Not later than March 1, 2025, the chairpersons of the working  
1001 group shall report, in accordance with the provisions of section 11-4a of  
1002 the general statutes, to the joint standing committee of the General  
1003 Assembly having cognizance of matters relating to public health  
1004 concerning the findings of the working group.

1005 Sec. 30. (NEW) (*Effective from passage*) Not later than July 1, 2025, and  
1006 at the time of hiring of each new member of its nursing staff, each  
1007 organization licensed as a hospice by the Department of Public Health  
1008 pursuant to section 19a-122b of the general statutes shall encourage its  
1009 nursing staff to spend three weeks each in a pediatric intensive care unit,  
1010 pediatric oncology unit and pediatric hospice facility to (1) enhance the  
1011 skills and expertise of hospice nurses in pediatric care; and (2) prepare  
1012 hospice nurses for future roles in pediatric hospice care.

1013 Sec. 31. Section 19a-563h of the general statutes is repealed and the  
1014 following is substituted in lieu thereof (*Effective from passage*):

1015 (a) As used in this section, "direct care" means hands-on care  
1016 provided by a registered nurse, licensed pursuant to chapter 378,  
1017 licensed practical nurse, licensed pursuant to chapter 378, or a nurse's  
1018 aide, registered pursuant to chapter 378a, to residents of nursing homes,  
1019 as defined in section 19a-563, including, but not limited to, assistance  
1020 with feeding, bathing, toileting, dressing, lifting and moving,  
1021 administering medication, promoting socialization and personal care  
1022 services, but does not include food preparation, housekeeping, laundry  
1023 services, maintenance of the physical environment of the nursing home  
1024 or performance of administrative tasks.

1025 [(a)] (b) On or before January 1, 2022, the Department of Public Health  
1026 shall (1) establish minimum staffing level requirements for nursing  
1027 homes of three hours of direct care per resident per day, and (2) modify  
1028 staffing level requirements for social work and recreational staff of  
1029 nursing homes such that the requirements (A) for social work, a number  
1030 of hours that is based on one full-time social worker per sixty residents  
1031 and that shall vary proportionally based on the number of residents in  
1032 the nursing home, and (B) for recreational staff are lower than the  
1033 current requirements, as deemed appropriate by the Commissioner of  
1034 Public Health.

1035 [(b)] (c) The commissioner shall adopt regulations in accordance with  
1036 the provisions of chapter 54 that set forth nursing home staffing level  
1037 requirements to implement the provisions of this section. The  
1038 Commissioner of Public Health may implement policies and procedures  
1039 necessary to administer the provisions of this section while in the  
1040 process of adopting such policies and procedures as regulations,  
1041 provided notice of intent to adopt regulations is published on the  
1042 eRegulations System not later than twenty days after the date of  
1043 implementation. Policies and procedures implemented pursuant to this  
1044 section shall be valid until the time final regulations are adopted.

1045 Sec. 32. Subdivision (7) of section 38a-591a of the 2024 supplement to  
1046 the general statutes is repealed and the following is substituted in lieu  
1047 thereof (*Effective January 1, 2025*):

1048 (7) "Clinical peer" means a physician or other health care professional  
1049 who:

1050 (A) ~~[holds] For a review other than one specified under subparagraph~~  
1051 ~~(B) or (C) of subdivision (38) of this section, holds~~ a nonrestricted license  
1052 in a state of the United States [and] in the same [or similar] specialty as  
1053 [typically manages] the treating physician or other health care  
1054 professional who is managing the medical condition, procedure or  
1055 treatment under review; [, and] or

1056 (B) [for] For a review specified under subparagraph (B) or (C) of  
1057 subdivision (38) of this section concerning:

1058 (i) [a] A child or adolescent substance use disorder or a child or  
1059 adolescent mental disorder, holds (I) a national board certification in  
1060 child and adolescent psychiatry, or (II) a doctoral level psychology  
1061 degree with training and clinical experience in the treatment of child  
1062 and adolescent substance use disorder or child and adolescent mental  
1063 disorder, as applicable; [,] or

1064 (ii) [an] An adult substance use disorder or an adult mental disorder,  
1065 holds (I) a national board certification in psychiatry, or (II) a doctoral  
1066 level psychology degree with training and clinical experience in the  
1067 treatment of adult substance use disorders or adult mental disorders, as  
1068 applicable.

1069 Sec. 33. Subsection (a) of section 38a-591d of the 2024 supplement to  
1070 the general statutes is repealed and the following is substituted in lieu  
1071 thereof (*Effective January 1, 2025*):

1072 (a) (1) Each health carrier shall maintain written procedures for (A)  
1073 utilization review and benefit determinations, (B) expedited utilization  
1074 review and benefit determinations with respect to prospective urgent

1075 care requests and concurrent review urgent care requests, and (C)  
1076 notifying covered persons or covered persons' authorized  
1077 representatives of such review and benefit determinations. Each health  
1078 carrier shall make such review and benefit determinations within the  
1079 specified time periods under this section.

1080 (2) In determining whether a benefit request shall be considered an  
1081 urgent care request, an individual acting on behalf of a health carrier  
1082 shall apply the judgment of a prudent layperson who possesses an  
1083 average knowledge of health and medicine, except that any benefit  
1084 request (A) determined to be an urgent care request by a health care  
1085 professional with knowledge of the covered person's medical condition,  
1086 or (B) specified under subparagraph (B) or (C) of subdivision (38) of  
1087 section 38a-591a shall be deemed an urgent care request.

1088 (3) (A) At the time a health carrier notifies a covered person, a covered  
1089 person's authorized representative or a covered person's health care  
1090 professional of an initial adverse determination that was based, in whole  
1091 or in part, on medical necessity, of a concurrent or prospective  
1092 utilization review or of a benefit request, the health carrier shall notify  
1093 the covered person's health care professional (i) of the opportunity for a  
1094 conference as provided in subparagraph (B) of this subdivision, and (ii)  
1095 that such conference shall not be considered a grievance of such initial  
1096 adverse determination as long as a grievance has not been filed as set  
1097 forth in subparagraph (B) of this subdivision.

1098 (B) After a health carrier notifies a covered person, a covered person's  
1099 authorized representative or a covered person's health care professional  
1100 of an initial adverse determination that was based, in whole or in part,  
1101 on medical necessity, of a concurrent or prospective utilization review  
1102 or of a benefit request, the health carrier shall offer a covered person's  
1103 health care professional the opportunity to confer, at the request of the  
1104 covered person's health care professional, with a clinical peer of such  
1105 health carrier, provided such covered person, covered person's  
1106 authorized representative or covered person's health care professional  
1107 has not filed a grievance of such initial adverse determination prior to

1108 such conference. Such conference shall not be considered a grievance of  
1109 such initial adverse determination. Such health carrier shall grant such  
1110 clinical peer the authority to reverse such initial adverse determination.

1111 Sec. 34. Section 38a-498a of the general statutes is repealed and the  
1112 following is substituted in lieu thereof (*Effective January 1, 2025*):

1113 (a) No individual health insurance policy providing coverage of the  
1114 type specified in subdivisions (1), (2), (4), (6), (10), (11) and (12) of section  
1115 38a-469, delivered, issued for delivery or renewed in this state, on or  
1116 after [October 1, 1996] January 1, 2025, shall direct or require an enrollee  
1117 to obtain approval from the insurer or health care center prior to (1)  
1118 calling a 9-1-1 local prehospital emergency medical service system  
1119 whenever such enrollee is confronted with a life or limb threatening  
1120 emergency, or (2) transporting such enrollee when medically necessary  
1121 by ambulance to a hospital. For purposes of this section, a "life or limb  
1122 threatening emergency" means any event which the enrollee believes  
1123 threatens [his] such enrollee's life or limb in such a manner that a need  
1124 for immediate medical care is created to prevent death or serious  
1125 impairment of health.

1126 (b) No insurer or health care center subject to the provisions of  
1127 subsection (a) of this section shall deny payment to any ambulance  
1128 provider responding to a 9-1-1 local prehospital emergency medical  
1129 service system call on the basis that the enrollee did not obtain approval  
1130 from such insurer or health care center prior to calling such emergency  
1131 medical service system or prior to transporting such enrollee when  
1132 medically necessary by ambulance to a hospital.

1133 Sec. 35. Section 38a-525a of the general statutes is repealed and the  
1134 following is substituted in lieu thereof (*Effective January 1, 2025*):

1135 (a) No group health insurance policy providing coverage of the type  
1136 specified in subdivisions (1), (2), (4), (6), (10), (11) and (12) of section 38a-  
1137 469, delivered, issued for delivery or renewed in this state, on or after  
1138 [October 1, 1996] January 1, 2025, shall direct or require an enrollee to  
1139 obtain approval from the insurer or health care center prior to (1) calling

1140 a 9-1-1 local prehospital emergency medical service system whenever  
1141 such enrollee is confronted with a life or limb threatening emergency,  
1142 or (2) transporting such enrollee when medically necessary by  
1143 ambulance to a hospital. For purposes of this section, a "life or limb  
1144 threatening emergency" means any event which the enrollee believes  
1145 threatens [his] such enrollee's life or limb in such a manner that a need  
1146 for immediate medical care is created to prevent death or serious  
1147 impairment of health.

1148 (b) No insurer or health care center subject to the provisions of  
1149 subsection (a) of this section shall deny payment to any ambulance  
1150 provider responding to a 9-1-1 local prehospital emergency medical  
1151 service system call on the basis that the enrollee did not obtain approval  
1152 from such insurer or health care center prior to calling such emergency  
1153 medical service system or prior to transporting such enrollee when  
1154 medically necessary by ambulance to a hospital.

1155 Sec. 36. (NEW) (*Effective October 1, 2024*) (a) As used in this section:

1156 (1) "BIPOC" means a person who is black, indigenous or a person of  
1157 color;

1158 (2) "Peer-run organization" means a nonprofit organization that (A)  
1159 is controlled and operated by persons who have psychiatric histories or  
1160 have experienced other life-interrupting challenges, and (B) provides a  
1161 place for support and advocacy for persons who experience similar  
1162 challenges, including, but not limited to, peer respite services and peer  
1163 support services;

1164 (3) "Peer-run respite center" means a facility that is operated by a  
1165 peer-run organization in a safe, physical space that employs peer  
1166 support specialists to provide peer respite services and peer support  
1167 services for persons age eighteen and older who are experiencing  
1168 emotional or mental distress, either as an immediate precursor to or as  
1169 part of a mental health crisis;

1170 (4) "Peer respite services" means voluntary, trauma-informed, short-

1171 term services provided to adults in a home-like environment that are the  
1172 least restrictive of individual freedom, culturally competent and focus  
1173 on recovery, resiliency and wellness;

1174 (5) "Peer support services" means assistance that promotes  
1175 engagement, socialization, recovery, self-sufficiency, self-advocacy,  
1176 development of natural supports and identification of personal  
1177 strengths;

1178 (6) "Peer support specialist" means a person who has a psychiatric  
1179 history or has experienced similarly life-interrupting challenges, who  
1180 has experience in the provision of peer respite services and peer support  
1181 services and has completed training specified by the Commissioner of  
1182 Mental Health and Addiction Services; and

1183 (7) "TQI+" means persons who identify as transgender, queer or  
1184 questioning, intersex or other gender identities.

1185 (b) The Commissioner of Mental Health and Addiction Services shall  
1186 establish, within available appropriations, a peer-run respite center. The  
1187 commissioner shall contract with a peer-run organization to operate  
1188 such peer-run respite center.

1189 (c) Not later than October 1, 2025, the commissioner shall report, in  
1190 accordance with the provisions of section 11-4a of the general statutes,  
1191 to the joint standing committee of the General Assembly having  
1192 cognizance of matters relating to public health regarding the peer-run  
1193 respite center and post such report on the Department of Mental Health  
1194 and Addiction Services' Internet web site. Such report shall (1) identify  
1195 any barriers to implementing the peer-run respite center established  
1196 pursuant to this section and include recommendations for addressing  
1197 such barriers; (2) share data regarding the outcomes and effectiveness  
1198 of the peer-run respite center and, based on such data, make  
1199 recommendations regarding the establishment of additional peer-run  
1200 respite centers in the state, including, but not limited to, the  
1201 establishment of peer-run respite centers managed, operated and  
1202 controlled by members of the BIPOC, TQI+ and Spanish-speaking

1203 communities who have psychiatric histories or related lived experience;  
1204 and (3) review other states' practices regarding the establishment of a  
1205 peer-run technical assistance center that may (A) assist peer-run respite  
1206 centers in hiring and recruiting peer support specialists and other staff,  
1207 (B) promote community awareness of peer-run respite centers, (C)  
1208 evaluate and identify the need for peer respite services in communities  
1209 throughout the state, (D) evaluate the effectiveness and quality of peer  
1210 respite services in the state, (E) convene peer respite services meetings  
1211 throughout the state to facilitate networking, collaboration and shared  
1212 learning, (F) consult peer-run respite centers regarding development of  
1213 peer respite services, (G) develop resources to support the supervision  
1214 of peer support specialists, and (H) in consultation with peer-run respite  
1215 centers and stakeholders in the TQI+, BIPOC and Spanish-speaking  
1216 communities, develop recommendations regarding (i) best practices for  
1217 delivering peer respite services, (ii) training requirements for peer  
1218 support specialists, including specialized training requirements  
1219 depending on the population that such specialists serve, and (iii) the  
1220 establishment of a program fidelity tool to measure the extent to which  
1221 the delivery of peer respite services in the state adheres to the provisions  
1222 of this section and best practices for the delivery of peer respite services.

1223 Sec. 37. Section 29 of public act 22-81 is repealed and the following is  
1224 substituted in lieu thereof (*Effective from passage*):

1225 (a) [On or before January 1, 2023, the] The Commissioner of Public  
1226 Health shall convene a working group to advise the commissioner  
1227 regarding methods to enhance physician recruitment in the state. The  
1228 working group shall examine issues that include, but need not be  
1229 limited to, (1) recruiting, retaining and compensating primary care,  
1230 psychiatric and behavioral health care providers; (2) the potential  
1231 effectiveness of student loan forgiveness; (3) barriers to recruiting and  
1232 retaining physicians as a result of covenants not to compete, as defined  
1233 in section 20-14p of the general statutes; (4) access to health care  
1234 providers; (5) the effect, if any, of the health insurance landscape on  
1235 limiting health care access; (6) barriers to physician participation in  
1236 health care networks; [and] (7) assistance for graduate medical

1237 education training; and (8) issues related to primary care residency  
1238 positions in the state and methods to retain physicians who perform  
1239 their primary care residency in the state. As used in this subsection,  
1240 "primary care" means pediatrics, internal medicine, family medicine,  
1241 obstetrics and gynecology or psychiatry.

1242 (b) The working group convened pursuant to subsection (a) of this  
1243 section shall include, but need not be limited to, the following members:

1244 (1) A representative of a hospital association in the state; (2) a  
1245 representative of a medical society in the state; (3) a physician licensed  
1246 under chapter 370 of the general statutes with a small group practice; (4)  
1247 a physician licensed under chapter 370 of the general statutes with a  
1248 multisite group practice; (5) one representative each of at least three  
1249 different schools of medicine; (6) a representative of a regional physician  
1250 recruiter association; (7) the human resources director of at least one  
1251 hospital in the state; (8) a member of a patient advocacy group; and (9)  
1252 four members of the general public. The working group shall elect  
1253 chairpersons from among its members. As used in this subsection,  
1254 "small group practice" means a group practice comprised of less than  
1255 eight full-time equivalent physicians and "multisite group practice"  
1256 means a group practice comprised of over one hundred full-time  
1257 equivalent physicians practicing throughout the state.

1258 (c) On or before January 1, [2024] 2026, the working group shall  
1259 report, in accordance with the provisions of section 11-4a of the general  
1260 statutes, its findings to the commissioner and to the joint standing  
1261 committee of the General Assembly having cognizance of matters  
1262 relating to public health.

1263 Sec. 38. (NEW) (*Effective October 1, 2024*) (a) As used in this section,  
1264 (1) "direct threat" has the same meaning as provided in 28 CFR 35.104,  
1265 as amended from time to time, (2) "institution for mental diseases" has  
1266 the same meaning as provided in 42 CFR 435.1010, as amended from  
1267 time to time, (3) "nursing home" has the same meaning as provided in  
1268 section 19a-490 of the general statutes, and (4) "mental health services"

1269 means counseling, therapy, rehabilitation, crisis intervention,  
1270 emergency services or psychiatric medication for the screening,  
1271 diagnosis or treatment of mental illness.

1272 (b) It shall be a discriminatory practice in violation of this section for  
1273 any nursing home to reject an applicant for admission to such nursing  
1274 home solely on the basis that such person has, at any time, received  
1275 mental health services. Nothing in this subsection shall be construed to  
1276 require a nursing home to admit a person as a resident if (1) such person  
1277 poses a direct threat to the health or safety of others, (2) such person  
1278 does not require the level of care provided in a nursing home as  
1279 determined in accordance with applicable state and federal  
1280 requirements, or (3) admitting such person as a resident would result in  
1281 converting the nursing home into an institution for mental diseases.

1282 Sec. 39. Subdivision (8) of section 46a-51 of the 2024 supplement to  
1283 the general statutes is repealed and the following is substituted in lieu  
1284 thereof (*Effective October 1, 2024*):

1285 (8) "Discriminatory practice" means a violation of section 4a-60, 4a-  
1286 60a, 4a-60g, 31-40y, subsection (b), (d), (e) or (f) of section 31-51i,  
1287 subparagraph (C) of subdivision (15) of section 46a-54, subdivisions (16)  
1288 and (17) of section 46a-54, section 46a-58, 46a-59, 46a-60, 46a-64, 46a-64c,  
1289 46a-66 [.] or 46a-68, sections 46a-68c to 46a-68f, inclusive, [or] sections  
1290 46a-70 to 46a-78, inclusive, subsection (a) of section 46a-80, [or] sections  
1291 46a-81b to 46a-81o, inclusive, [and] sections 46a-80b to 46a-80e,  
1292 inclusive, [and] sections 46a-80k to 46a-80m, inclusive, or section 38 of  
1293 this act;

1294 Sec. 40. (NEW) (*Effective from passage*) On and after January 1, 2025,  
1295 each hospital and outpatient surgical facility, as such terms are defined  
1296 in section 19a-490bb of the general statutes, and each group practice, as  
1297 defined in section 19a-486i of the general statutes, may record and  
1298 maintain data regarding the amount of time spent when an employee of  
1299 the hospital, outpatient surgical facility or group practice requests prior  
1300 authorization for or precertification of an admission, service,

1301 medication, procedure or extension of stay from a health carrier for a  
 1302 patient of the hospital, outpatient surgical facility or group practice,  
 1303 including, but not limited to, speaking directly with the health carrier,  
 1304 physician peer-to-peer conversations regarding the prior authorization  
 1305 or precertification and writing appeals of a denial of any request for a  
 1306 prior authorization or precertification. Each hospital, outpatient surgical  
 1307 facility and group practice may (1) use preauthorization and  
 1308 precertification codes generated by a hospital association in the state to  
 1309 uniformly record such data, and (2) make such data available to the joint  
 1310 standing committee of the General Assembly having cognizance of  
 1311 matters relating to public health upon the request of the chairpersons  
 1312 and ranking members of such committee."
