### ***Explanation***

The bill requires the state's All-Payer Claims Database (APCD) to begin recording non-claims data starting June 30, 2026. The APCD Advisory Group must also submit recommendations regarding reporting requirements to the Office of Health Strategy (OHS) by February 1, 2025, so that OHS can update its written procedures. There is no fiscal impact to OHS as any additional workload is expected to be handled by existing staff.
