SB-1146

AN ACT CONCERNING REVISIONS TO VARIOUS PROGRAMS OF  
THE DEPARTMENT OF ENERGY AND ENVIRONMENTAL  
PROTECTION.

## AMENDMENT

LCO No.: 6755

File Copy No.: 517

Senate Calendar No.: 313

### **OFA Fiscal Note**

#### **State Impact:**

Agency Affected	Fund-Effect	FY 24 \$	FY 25 \$
Department of Energy and Environmental Protection	GF - Reduces Savings in Bill	Minimal	Minimal

Note: GF=General Fund

**Municipal Impact:** None

#### **Explanation**

The amendment narrows the notice provision contained in the underlying bill, requiring the Department of Energy and Environmental Protection (DEEP) to provide newspaper advertisements in certain newspapers when there are changes to certain fishing regulations.

This is anticipated to reduce the minimal savings to DEEP, starting in FY 24, identified in the underlying fiscal note since DEEP would still be required to publish newspaper notices when certain fishing regulations change.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.*
