

Substitute House Bill No. 5430

Special Act No. 24-18

AN ACT CONCERNING A STUDY OF MIGRAINE TREATMENT FOR WOMEN AND VETERANS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (*Effective July 1, 2024*) The University of Connecticut Health Center's Department of Neurology shall conduct a study of migraine treatment, specifically relating to treatment for women and veterans. Not later than July 1, 2026, the chair of said department shall report, in accordance with the provisions of section 11-4a of the general statutes, on the results of such study to the joint standing committees of the General Assembly having cognizance of matters relating to public health and appropriations.
