Sec. 3. (*Effective from passage*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 1 to 7, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 1 to 7, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 4. (*Effective from passage*) None of the bonds described in sections 1 to 7, inclusive, of this act, shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

**House Bill No. 5518**

Sec. 5. (*Effective from passage*) For the purposes of sections 1 to 7, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 1 to 7, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 4 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 4, shall include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available hereunder for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available, or thereafter to be made available for costs in connection with such project, may be added to any state moneys available or becoming available hereunder for such project and shall be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall, upon receipt, be used by the State Treasurer, in conformity with applicable federal and state law, to meet the principal of outstanding bonds issued pursuant to sections 1 to 7, inclusive, of this act, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 1 to 7, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever principal of any such temporary notes is retired by application of revenue receipts

**House Bill No. 5518**

of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 1 of this act, shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet principal as hereinabove directed, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 6. (*Effective from passage*) Any balance of proceeds of the sale of said bonds authorized for any project described in section 2 of this act in excess of the cost of such project may be used to complete any other project described in said section 2, if the State Bond Commission shall so determine and direct. Any balance of proceeds of the sale of said bonds in excess of the costs of all the projects described in said section 2 shall be deposited to the credit of the General Fund.

Sec. 7. (*Effective from passage*) The bonds issued pursuant to this section and sections 1 to 6, inclusive, of this act, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 8. (*Effective from passage*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 9 and 10, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the

**House Bill No. 5518**

aggregate, not exceeding \$100,000,000.

Sec. 9. (*Effective from passage*) The proceeds of the sale of bonds described in sections 8 to 11, inclusive, of this act shall be used by the Department of Housing for the purposes hereinafter stated: Housing development and rehabilitation, including moderate cost housing, moderate rental, congregate and elderly housing, urban homesteading, community housing development corporations, housing purchase and rehabilitation, housing for the homeless, housing for low-income persons, limited equity cooperatives and mutual housing projects, abatement of hazardous material including asbestos and lead-based paint in residential structures, emergency repair assistance for senior citizens, housing land bank and land trust, housing and community development, predevelopment grants and loans, reimbursement for state and federal surplus property, private rental investment mortgage and equity program, housing infrastructure, demolition, renovation or redevelopment of vacant buildings or related infrastructure, septic system repair loan program, acquisition and related rehabilitation including loan guarantees for private developers of rental housing for the elderly, projects under the program established in section 8-37pp of the general statutes, and participation in federal programs, including administrative expenses associated with those programs eligible under the general statutes, not exceeding \$100,000,000, provided in using such proceeds, the department shall prioritize areas of the state with low homeownership rates, and provided not more than \$30,000,000 shall be used for revitalization of state moderate rental housing units on the Connecticut Housing Finance Authority's State Housing Portfolio, and provided not more than \$170,000 shall be used to conduct the planning and data analysis concerning state housing needs, subsidized housing inventory and tenant-based subsidy usage required pursuant to sections 8-37s, 8-37t, 8-37bb, 8-37ff, 8-37qqq and 8-37rrr of the general statutes and, to the extent not otherwise funded, such planning and data analysis required pursuant to 24 CFR Part 91, amended from time to time, and

**House Bill No. 5518**

42 USC 3608(e)(2), as amended from time to time.

Sec. 10. (*Effective from passage*) None of the bonds described in sections 8 to 11, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 11. (*Effective from passage*) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this section and sections 8 to 10, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section and sections 8 to 10, inclusive, of this act and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. Such bonds issued pursuant to section 8 of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on such bonds as the same become due, and accordingly and as part of the contract of the state with the holders of such bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 12. (*Effective from passage*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 13 to 19, inclusive, of this act, from time to time to authorize the issuance

Sec. 14. (*Effective from passage*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 12 to 19, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 12 to 19, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said sections 12 to 19, inclusive, and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

**House Bill No. 5518**

Sec. 15. (*Effective from passage*) None of the bonds described in sections 12 to 19, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 16. (*Effective from passage*) For the purposes of sections 12 to 19, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 12 to 19, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 15 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 15, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available under said sections 12 to 19, inclusive, for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project may be added to any state moneys available or becoming available hereunder for such project and be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project upon receipt shall, in conformity with applicable federal and state law, be used by the State Treasurer to meet the principal of outstanding bonds issued pursuant to said sections 12

**House Bill No. 5518**

to 19, inclusive, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 12 to 19, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever the principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 12 of this act shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet the principal as directed in this section, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 17. (*Effective from passage*) The bonds issued pursuant to sections 12 to 19, inclusive, of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 18. (*Effective from passage*) In accordance with section 13 of this act, the state, through the state agencies specified in said section 13, may

**House Bill No. 5518**

provide grants-in-aid and other financings to or for the agencies for the purposes and projects as described in said section 13. All financing shall be made in accordance with the terms of a contract at such time or times as shall be determined within authorization of funds by the State Bond Commission.

Sec. 19. (*Effective from passage*) In the case of any grant-in-aid made pursuant to subsection (b), (c), (d), (e), (f), (g), (h), (i), (j) or (k) of section 13 of this act that is made to any entity which is not a political subdivision of the state, the contract entered into pursuant to section 13 of this act shall provide that if the premises for which such grant-in-aid was made ceases, within ten years of the date of such grant, to be used as a facility for which such grant was made, an amount equal to the amount of such grant, minus ten per cent per year for each full year which has elapsed since the date of such grant, shall be repaid to the state and that a lien shall be placed on such land in favor of the state to ensure that such amount shall be repaid in the event of such change in use, provided if the premises for which such grant-in-aid was made are owned by the state, a municipality or a housing authority, no lien need be placed.

Sec. 20. (*Effective July 1, 2020*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 21 to 26, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate not exceeding \$406,500,000.

Sec. 21. (*Effective July 1, 2020*) The proceeds of the sale of bonds described in sections 20 to 26, inclusive, of this act, to the extent hereinafter stated, shall be used for the purpose of acquiring, by purchase or condemnation, undertaking, constructing, reconstructing, improving or equipping, or purchasing land or buildings or improving sites for the projects hereinafter described, including payment of architectural, engineering, demolition or related costs in connection

(3) Alterations and improvements in compliance with the Americans with Disabilities Act, not exceeding \$5,000,000;

(4) Security improvements at various state-owned and maintained facilities, not exceeding \$2,000,000.

Sec. 22. (*Effective July 1, 2020*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 20 to 26, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 20 to 26, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 23. (*Effective July 1, 2020*) None of the bonds described in sections 20 to 26, inclusive, of this act, shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 24. (*Effective July 1, 2020*) For the purposes of sections 20 to 26, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 20 to 26, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 23 of

**House Bill No. 5518**

this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 23, shall include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available hereunder for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available, or thereafter to be made available for costs in connection with such project, may be added to any state moneys available or becoming available hereunder for such project and shall be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall, upon receipt, be used by the State Treasurer, in conformity with applicable federal and state law, to meet the principal of outstanding bonds issued pursuant to sections 20 to 26, inclusive, of this act, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 20 to 26, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 20 of this act, shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other

**House Bill No. 5518**

moneys so received to meet principal as hereinabove directed, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 25. (*Effective July 1, 2020*) Any balance of proceeds of the sale of said bonds authorized for any project described in section 21 of this act in excess of the cost of such project may be used to complete any other project described in said section 21, if the State Bond Commission shall so determine and direct. Any balance of proceeds of the sale of said bonds in excess of the costs of all the projects described in said section 21 shall be deposited to the credit of the General Fund.

Sec. 26. Sec. 33. (*Effective July 1, 2020*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 31 to 38, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 31 to 38, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said sections 31 to 38, inclusive, and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 34. (*Effective July 1, 2020*) None of the bonds described in sections 31 to 38, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

**House Bill No. 5518**

Sec. 35. (Effective July 1, 2020) For the purposes of sections 31 to 38, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 31 to 38, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 34 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 34, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available under said sections 31 to 38, inclusive, for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project may be added to any state moneys available or becoming available hereunder for such project and be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project upon receipt shall, in conformity with applicable federal and state law, be used by the State Treasurer to meet the principal of outstanding bonds issued pursuant to said sections 31 to 38, inclusive, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 31 to 38, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever the principal of any such temporary

**House Bill No. 5518**

notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 31 of this act shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet the principal as directed in this section, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 36. (*Effective July 1, 2020*) The bonds issued pursuant to sections 31 to 38, inclusive, of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 37. (*Effective July 1, 2020*) In accordance with section 32 of this act, the state, through the state agencies specified in said section 32, may provide grants-in-aid and other financings to or for the agencies for the purposes and projects as described in said section 32. All financing shall be made in accordance with the terms of a contract at such time or times as shall be determined within authorization of funds by the State Bond Commission.

Sec. 38. (*Effective July 1, 2020*) In the case of any grant-in-aid made pursuant to subsection (b), (c), (d), (e), (f), (g), (h), (i), (j) or (k) of section 32 of this act that is made to any entity which is not a political

**House Bill No. 5518**

subdivision of the state, the contract entered into pursuant to section 32 of this act shall provide that if the premises for which such grant-in-aid was made ceases, within ten years of the date of such grant, to be used as a facility for which such grant was made, an amount equal to the amount of such grant, minus ten per cent per year for each full year which has elapsed since the date of such grant, shall be repaid to the state and that a lien shall be placed on such land in favor of the state to ensure that such amount shall be repaid in the event of such change in use, provided if the premises for which such grant-in-aid was made are owned by the state, a municipality or a housing authority, no lien need be placed.

Sec. 39. (*Effective from passage*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 40 to 44, inclusive, of this act, from time to time to authorize the issuance of special tax obligation bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$777,615,000.

Sec. 40. (*Effective from passage*) The proceeds of the sale of bonds described in sections 39 to 44, inclusive, of this act, to the extent hereinafter stated, shall be used for the purpose of payment of the transportation costs, as defined in subdivision (6) of section 13b-75 of the general statutes, with respect to the projects and uses hereinafter described, which projects and uses are hereby found and determined to be in furtherance of one or more of the authorized purposes for the issuance of special tax obligation bonds set forth in section 13b-74 of the general statutes. **House Bill No. 5518**

related projects, not exceeding \$236,000,000.

(c) For the Bureau of Administration: Department facilities, not exceeding \$9,440,000.

Sec. 41. (*Effective from passage*) None of the bonds described in sections 39 to 44, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it (1) a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require, and (2) any capital development impact statement and any human services facility colocation statement required to be filed with the Secretary of the Office of Policy and Management pursuant to section 4b-31 of the general statutes, any advisory report regarding the state conservation and development policies plan required pursuant to section 16a-31 of the general statutes and any statement regarding farmland required pursuant to subsection (g) of section 3-20 of the general statutes and section 22-6 of the general statutes, provided the State Bond Commission may authorize said bonds without a finding that the reports and statements required by subdivision (2) of this section have been filed with it if said commission authorizes the secretary of said commission to accept such reports and statements on its behalf. No funds derived from the sale of bonds authorized by said commission without a finding that the reports and statements required by subdivision (2) of this section have been filed with it shall be allotted by the Governor for any project until the reports and statements required by subdivision (2) of this section, with respect to such project, have been filed with the secretary of said commission.

Sec. 42. (*Effective from passage*) For the purposes of sections 39 to 44, inclusive, of this act, each request filed, as provided in section 41 of this act, for an authorization of bonds shall identify the project for which the

**House Bill No. 5518**

proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 41, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available from the proceeds of bonds and temporary notes issued in anticipation of the receipt of the proceeds of bonds. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall be added to such state moneys.

Sec. 43. (*Effective from passage*) Any balance of proceeds of the sale of bonds authorized for the projects or purposes of section 40 of this act, in excess of the aggregate costs of all the projects so authorized, shall be used in the manner set forth in sections 13b-74 to 13b-77, inclusive, of the general statutes, and in the proceedings of the State Bond Commission respecting the issuance and sale of said bonds.

Sec. 44. (*Effective from passage*) Bonds issued pursuant to this section and sections 39 to 43, inclusive, of this act shall be special obligations of the state and shall not be payable from or charged upon any funds other than revenues of the state pledged therefor in subsection (b) of section 13b-61 of the general statutes and section 13b-61a of the general statutes, or such other receipts, funds or moneys as may be pledged therefor. Said bonds shall not be payable from or charged upon any funds other than such pledged revenues or such other receipts, funds or moneys as may be pledged therefor, nor shall the state or any political subdivision thereof be subject to any liability thereon, except to the extent of such pledged revenues or such other receipts, funds or moneys as may be

**House Bill No. 5518**

pledged therefor. Said bonds shall be issued under and in accordance with the provisions of sections 13b-74 to 13b-77, inclusive, of the general statutes.

Sec. 45. (*Effective July 1, 2020*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 46 to 50, inclusive, of this act, from time to time to authorize the issuance of special tax obligation bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$782,375,000.

Sec. 46. (*Effective July 1, 2020*) The proceeds of the sale of bonds described in sections 45 to 50, inclusive, of this act, to the extent hereinafter stated, shall be used for the purpose of payment of the transportation costs, as defined in subdivision (6) of section 13b-75 of the general statutes, with respect to the projects and uses hereinafter described, which projects and uses are hereby found and determined to be in furtherance of one or more of the authorized purposes for the issuance of special tax obligation bonds set forth in section 13b-74 of the general statutes. For the Department of Transportation:

(a) For the Bureau of Engineering and Highway Operations:

(1) Interstate Highway Program, not exceeding \$13,000,000;

(2) Urban Systems Projects, not exceeding \$16,750,000;

(3) Intrastate Highway Program, not exceeding \$44,000,000;

(4) Environmental compliance, soil and groundwater remediation, hazardous materials abatement, demolition, salt shed construction and renovation, storage tank replacement and environmental emergency response at or in the vicinity of state-owned properties or related to Department of Transportation operations, not exceeding \$9,925,000;

development impact statement and any human services facility colocation statement required to be filed with the Secretary of the Office of Policy and Management pursuant to section 4b-31 of the general statutes, any advisory report regarding the state conservation and development policies plan required pursuant to section 16a-31 of the general statutes and any statement regarding farmland required pursuant to subsection (g) of section 3-20 of the general statutes, and section 22-6 of the general statutes, provided the State Bond Commission may authorize said bonds without a finding that the reports and statements required by subdivision (2) of this section have been filed with it if said commission authorizes the secretary of said commission to accept such reports and statements on its behalf. No funds derived from the sale of bonds authorized by said commission without a finding that the reports and statements required by subdivision (2) of this section have been filed with it shall be allotted by the Governor for any project until the reports and statements required by subdivision (2) of this section, with respect to such project, have been filed with the secretary of said commission.

Sec. 48. (*Effective July 1, 2020*) For the purposes of sections 45 to 50, inclusive, of this act, each request filed, as provided in section 47 of this act, for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 47, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available from the proceeds of bonds and temporary notes issued in anticipation of the receipt of the proceeds of bonds. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of

**House Bill No. 5518**

authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall be added to such state moneys.

Sec. 49. (*Effective July 1, 2020*) Any balance of proceeds of the sale of the bonds authorized for the projects or purposes of section 46 of this act, in excess of the aggregate costs of all the projects so authorized, shall be used in the manner set forth in sections 13b-74 to 13b-77, inclusive, of the general statutes, and in the proceedings of the State Bond Commission respecting the issuance and sale of said bonds.

Sec. 50. (*Effective July 1, 2020*) Bonds issued pursuant to this section and sections 45 to 49, inclusive, of this act, shall be special obligations of the state and shall not be payable from or charged upon any funds other than revenues of the state pledged therefor in subsection (b) of section 13b-61 of the general statutes and section 13b-61a of the general statutes, or such other receipts, funds or moneys as may be pledged therefor. Said bonds shall not be payable from or charged upon any funds other than such pledged revenues or such other receipts, funds or moneys as may be pledged therefor, nor shall the state or any political subdivision thereof be subject to any liability thereon, except to the extent of such pledged revenues or such other receipts, funds or moneys as may be pledged therefor. Said bonds shall be issued under and in accordance with the provisions of sections 13b-74 to 13b-77, inclusive, of the general statutes.

Sec. 51. Subsections (a) and (b) of section 4-66c of the general statutes are repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) For the purposes of subsection (b) of this section, the State Bond Commission shall have power, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate [one billion seven hundred

of any right or power granted thereby, which are not inconsistent with the provisions of this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section, and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization which is signed by or on behalf of the Secretary of the Office of Policy and Management and states such terms and conditions as said commission, in its discretion, may require. Said bonds issued pursuant to this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 58. Subsection (a) of section 8-336n of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) For the purpose of capitalizing the Housing Trust Fund created by section 8-336o, the State Bond Commission shall have power, in accordance with the provisions of this section, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding [three hundred fifteen million] three hundred forty-five million dollars, provided (1)

**House Bill No. 5518**

twenty million dollars shall be effective July 1, 2005, (2) twenty million dollars shall be effective July 1, 2006, (3) twenty million dollars shall be effective July 1, 2007, (4) thirty million dollars shall be effective July 1, 2008, (5) twenty million dollars shall be effective July 1, 2009, (6) twenty-five million dollars shall be effective July 1, 2011, (7) twenty-five million dollars shall be effective July 1, 2012, (8) thirty million dollars shall be effective July 1, 2013, (9) thirty million dollars shall be effective July 1, 2014, (10) forty million dollars shall be effective July 1, 2015, (11) twenty-five million dollars shall be effective July 1, 2016, and (12) thirty million dollars shall be effective July 1, 2018. The proceeds of the sale of bonds pursuant to this section shall be deposited in the Housing Trust Fund.

Sec. 59. Subsection (a) of section 10-265h of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) The Commissioner of Administrative Services, in consultation with the Commissioner of Education, shall establish, within available bond authorizations, a grant program to assist alliance districts, as defined in section 10-262u, in paying for general improvements to school buildings. For purposes of this section "general improvements to school buildings" means work that (1) is generally not eligible for reimbursement pursuant to chapter 173, and (2) is to (A) replace windows, doors, boilers and other heating and ventilation system components, internal communications and technology systems, lockers, floors, cafeteria equipment and ceilings, including the installation of new drop ceilings, (B) upgrade restrooms including the replacement of fixtures and related water supplies and drainage, (C) upgrade and replace lighting, including energy efficient upgrades to lighting systems and controls to increase efficiency, and reduce consumption levels and cost, (D) upgrade entryways, driveways, parking areas, play areas and athletic fields, (E) upgrade equipment, including, but not limited to, the following equipment purchased on or after November 1, 2017: Cabinets,

Sec. 64. Subsections (a) to (d), inclusive, of section 10a-91e of the general statutes are repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) The State Bond Commission shall approve the CSCU 2020 program and authorize the issuance of bonds of the state in principal amounts not exceeding in the aggregate one billion sixty-nine million five hundred thousand dollars. The amount provided for the issuance and sale of bonds in accordance with this section shall be capped in each fiscal year in the following amounts, provided, to the extent the board of regents does not provide for the issuance of all or a portion of such amount in a fiscal year, or the Governor disapproves the request for issuance of all or a portion of the amount of the bonds as provided in subsection (d) of this section, any amount not provided for or disapproved, as the case may be, shall be carried forward and added to the capped amount for a subsequent fiscal year, but not later than the fiscal year ending June 30, [2020] 2021, and provided further, the costs of issuance and capitalized interest, if any, may be added to the capped amount in each fiscal year, and each of the authorized amounts shall be effective on July first of the fiscal year indicated as follows:

Fiscal Year Ending June 30	Amount
2009	95,000,000

<u>2021</u>	<u>46,000,000</u>
Total	\$1,069,500,000

(b) The State Bond Commission shall approve a memorandum of understanding between the board of regents and the state, acting by and through the Secretary of the Office of Policy and Management and the Treasurer, providing for the issuance of said bonds for the purposes of sections 10a-91a to 10a-91h, inclusive, including provisions regarding the extent to which federal, private or other moneys then available or thereafter to be made available for costs should be added to the proceeds of the bonds authorized pursuant to sections 10a-91a to 10a-91h, inclusive, for such project or projects. The memorandum of understanding shall be deemed to satisfy the provisions of section 3-20 and the exercise of any right or power granted thereby which is not inconsistent with the provisions of sections 10a-91a to 10a-91h, inclusive. The memorandum of understanding dated July 8, 2008, and approved by the State Bond Commission on August 8, 2008, shall be deemed to incorporate the amendments to sections 10a-91a to 10a-91h, inclusive, enacted in sections 50 to 57, inclusive, of public act 14-98.

(c) All bonds issued pursuant to sections 10a-91a to 10a-91h, inclusive, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of

**House Bill No. 5518**

said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the Treasurer shall pay such principal and interest as the same become due.

(d) (1) On or before the first day of March in each year, the board of regents shall submit to the Governor, the Treasurer and the Secretary of the Office of Policy and Management, the most recently approved facilities and academic plans and the amount of bonds required for the CSCU 2020 program for the fiscal year beginning on July first of that year. The Governor may, not later than thirty days after such submission, approve or disapprove all or a portion of such amount of bonding submitted by the board of regents by notifying the board of regents, in writing, of such decision and the reasons for it. If the Governor does not act within such thirty-day period, the issuance of bonds for the CSCU 2020 program for the fiscal year beginning on July first of that year is deemed approved.

(2) In the event the capped amount of authorized bonds is increased by the General Assembly for the fiscal year beginning on July first for which the issuance of such bonds has already been approved by the Governor or deemed approved pursuant to subdivision (1) of this subsection or the General Assembly authorizes new bonds after the first day of March for the fiscal year beginning on July first of that year, the board of regents shall submit to the Governor, the Treasurer and the Secretary of the Office of Policy and Management, not later than thirty days after the effective date of such increase or authorization of new bonds, an addendum to the most recently approved facilities and academic plans and the amount of additional bonds required for the CSCU 2020 program for the fiscal year beginning on July first of that year. The Governor may, not later than thirty days after such submission, approve or disapprove all or a portion of such additional amount of bonding submitted by the board of regents by notifying the board of regents in writing, of such decision and the reasons for such

**House Bill No. 5518**

decision. If the Governor does not act within such thirty-day period, the issuance of additional bonds for the CSCU 2020 program for the fiscal year beginning on July first of that year is deemed approved.

(3) Subject to the amount of limitations of such capping provisions in subsection (a) of this section and following the approval or deemed approval of the request to issue bonds as provided in subdivision (1) of this subsection, the principal amount of the bonds authorized under this section shall be deemed to be an appropriation and allocation of such amount, and such approval of such request shall be deemed the allotment by the Governor of such capital outlays within the meaning of section 4-85.

Sec. 65. Subdivision (1) of subsection (a) of section 10a-109g of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) (1) The university is authorized to provide by resolution, at one time or from time to time, for the issuance and sale of securities, in its own name on behalf of the state, pursuant to section 10a-109f. The board of trustees of the university is hereby authorized by such resolution to delegate to its finance committee such matters as it may determine appropriate other than the authorization and maximum amount of the securities to be issued, the nature of the obligation of the securities as established pursuant to subsection (c) of this section and the projects for which the proceeds are to be used. The finance committee may act on such matters unless and until the board of trustees elects to reassume the same. The amount of securities the special debt service requirements of which are secured by the state debt service commitment that the board of trustees is authorized to provide for the issuance and sale in accordance with this subsection shall be capped in each fiscal year in the following amounts, provided, to the extent the board of trustees does not provide for the issuance of all or a portion of such amount in a fiscal year, all or such portion, as the case may be, may be carried forward to

Sec. 66. Subsection (a) of section 13b-236 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate [seven million five hundred thousand] seventeen million five hundred thousand dollars.

Sec. 67. Subsection (a) of section 22a-483 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) For the purposes of sections 22a-475 to 22a-483, inclusive, the State Bond Commission shall have the power, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts, not exceeding in the aggregate [one billion seven hundred fifteen million one hundred twenty-five thousand nine hundred seventy-six] one billion eight hundred sixty-five million one hundred twenty-five thousand nine hundred seventy-six dollars, provided [eighty-five million] seventy-five million dollars of said authorization shall be effective July 1, [2018] 2020.

Sec. 68. Subsection (d) of section 22a-483 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2020*):

**House Bill No. 5518**

(d) Notwithstanding the foregoing, nothing herein shall preclude the State Bond Commission from authorizing the issuance of revenue bonds, in principal amounts not exceeding in the aggregate [three billion eight hundred eighty-four million eighty thousand] three billion nine hundred sixty-eight million eighty thousand dollars, provided three hundred fifty million three hundred thousand dollars of said authorization shall be effective July 1, 2018, that are not general obligations of the state of Connecticut to which the full faith and credit of the state of Connecticut are pledged for the payment of the principal and interest. Such revenue bonds shall mature at such time or times not exceeding thirty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such revenue bonds. The revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes authorized to be issued under sections 22a-475 to 22a-483, inclusive, shall be special obligations of the state and shall not be payable from nor charged upon any funds other than the revenues or other receipts, funds or moneys pledged therefor as provided in said sections 22a-475 to 22a-483, inclusive, including the repayment of municipal loan obligations; nor shall the state or any political subdivision thereof be subject to any liability thereon except to the extent of such pledged revenues or the receipts, funds or moneys pledged therefor as provided in said sections 22a-475 to 22a-483, inclusive. The issuance of revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes under the provisions of said sections 22a-475 to 22a-483, inclusive, shall not directly or indirectly or contingently obligate the state or any political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. The revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes shall not constitute a charge, lien or encumbrance, legal or equitable, upon any property of the state or of any political subdivision thereof, except the property mortgaged or otherwise

**House Bill No. 5518**

encumbered under the provisions and for the purposes of said sections 22a-475 to 22a-483, inclusive. The substance of such limitation shall be plainly stated on the face of each revenue bond, revenue state bond anticipation note and revenue state grant anticipation note issued pursuant to said sections 22a-475 to 22a-483, inclusive, shall not be subject to any statutory limitation on the indebtedness of the state and such revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes, when issued, shall not be included in computing the aggregate indebtedness of the state in respect to and to the extent of any such limitation. As part of the contract of the state with the owners of such revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes, all amounts necessary for the punctual payment of the debt service requirements with respect to such revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes shall be deemed appropriated, but only from the sources pledged pursuant to said sections 22a-475 to 22a-483, inclusive. The proceeds of such revenue bonds or notes may be deposited in the Clean Water Fund for use in accordance with the permitted uses of such fund. Any expense incurred in connection with the carrying out of the provisions of this section, including the costs of issuance of revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes may be paid from the accrued interest and premiums or from any other proceeds of the sale of such revenue bonds, revenue state bond anticipation notes or revenue state grant anticipation notes and in the same manner as other obligations of the state. All provisions of subsections (g), (k), (l), (s) and (u) of section 3-20 or the exercise of any right or power granted thereby which are not inconsistent with the provisions of said sections 22a-475 to 22a-483, inclusive, are hereby adopted and shall apply to all revenue bonds, state revenue bond anticipation notes and state revenue grant anticipation notes authorized by the State Bond Commission pursuant to said sections 22a-475 to 22a-483, inclusive. For the purposes of subsection (o) of section 3-20, "bond act" shall be construed to include said sections

22a-475 to 22a-483, inclusive.

Sec. 69. Subsection (a) of section 23-103 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate [ten million] thirteen million dollars.

Sec. 70. Subdivision (2) of subsection (d) of section 13 of public act 07-7 of the June special session is amended to read as follows (*Effective from passage*):

(2) Grants-in-aid for containment, removal or mitigation of identified hazardous waste disposal sites, not exceeding \$17,500,000, provided not more than \$4,000,000 shall be provided to the Department of Economic and Community Development for a grant-in-aid to the town of Hamden and the Hamden Economic Development Corporation to fund the reasonable costs related to the purchase, rehabilitation, structural repair or demolition of homes in the Newhall Street neighborhood of Hamden that suffered severe structural damage due to historic fill;

Sec. 71. Section 1 of public act 12-189, as amended by section 152 of public act 16-4 of the May special session and section 484 of public act 17-2 of the June special session, is amended to read as follows (*Effective from passage*):

The State Bond Commission shall have power, in accordance with the provisions of sections 1 to 7, inclusive, of public act 12-189, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding [\$90,776,000] \$89,900,000.

**House Bill No. 5518**

Sec. 72. Subdivision (2) of subsection (c) of section 2 of public act 12-189, as amended by section 100 of public act 13-239 and section 485 of public act 17-2 of the June special session, is amended to read as follows (*Effective from passage*):

(2) Design and construction of a firearms training facility and vehicle operations training center, including land acquisition, not exceeding [~~\$3,576,000~~] \$2,700,000.

Sec. 73. Section 84 of public act 13-3, as amended by section 15 of public act 13-122, section 191 of public act 13-247, section 73 of public act 14-98, section 1 of public ac 15-5, section 1 of public act 16-171, section 1 of public act 17-68 and section 490 of public act 17-2 of the June special session, is amended to read as follows (*Effective from passage*):

(a) The Departments of Emergency Services and Public Protection, Administrative Services and Education shall jointly administer a school security infrastructure competitive grant program to reimburse (1) a town, (2) a regional educational service center, (3) the governing authority for a state charter school, (4) the Department of Education on behalf of the technical high school system, (5) an incorporated or endowed high school or academy approved by the State Board of Education pursuant to section 10-34 of the general statutes, [and] (6) the supervisory agent for a nonpublic school, [including] and (7) a licensed child care center or private preschool operator that has received threats, provided no family child care providers may be eligible for reimbursement pursuant to this section, for certain expenses for schools, centers or preschools incurred on or after January 1, 2013, for: [(1)] (A) The development or improvement of the security infrastructure of schools, centers or preschools, based on the results of school building or child care center building security assessments pursuant to subsection (d) of this section, including, but not limited to, the installation of surveillance cameras, penetration resistant vestibules, ballistic glass, solid core doors, double door access, computer-controlled electronic

locks, entry door buzzer systems, scan card systems, panic alarms, real time interoperable communications and multimedia sharing infrastructure or other systems; and [(2) (A)] (B) (i) the training of school personnel in the operation and maintenance of the security infrastructure of school buildings, or [(B)] (ii) the purchase of portable entrance security devices, including, but not limited to, metal detector wands and screening machines and related training.

(b) (1) On and after April 4, 2013, each local and regional board of education may, on behalf of its town or its member towns, apply, at such time and in such manner as the Commissioner of Emergency Services and Public Protection prescribes, to the Department of Emergency Services and Public Protection for a grant for certain expenses for schools under the jurisdiction of such board of education incurred on or after January 1, 2013, for the purposes described in subsection (a) of this section. Prior to the date that the School Safety Infrastructure Council makes its initial submission of the school safety infrastructure standards, pursuant to subsection (c) of section 10-292r of the general statutes, the Commissioner of Emergency Services and Public Protection, in consultation with the Commissioners of Administrative Services and Education, shall determine which expenses are eligible for reimbursement under the program. On and after the date that the School Safety Infrastructure Council submits the school safety infrastructure standards, the decision to approve or deny an application and the determination of which expenses are eligible for reimbursement under the program shall be in accordance with the most recent submission of the school safety infrastructure standards, pursuant to subsection (c) of section 10-292r of the general statutes.

(2) A regional educational service center may apply, at such time and in such manner as the Commissioner of Emergency Services and Public Protection prescribes, to the Department of Emergency Services and Public Protection for a grant for certain expenses for schools under the

**House Bill No. 5518**

jurisdiction of such regional educational service center incurred on or after January 1, 2013, for the purposes described in subsection (a) of this section. The department shall decide whether to approve or deny an application and which expenses are eligible for reimbursement under the program. Such decisions shall be in accordance with the school safety infrastructure standards developed pursuant to subsection (c) of section 10-292r of the general statutes.

(3) The governing authority for a state charter school may apply, at such time and in such manner as the Commissioner of Emergency Services and Public Protection prescribes, to the Department of Emergency Services and Public Protection for a grant for certain expenses for schools under the jurisdiction of such governing authority incurred on or after January 1, 2013, for the purposes described in subsection (a) of this section. The department shall decide whether to approve or deny an application and which expenses are eligible for reimbursement under the program. Such decisions shall be in accordance with the school safety infrastructure standards developed pursuant to subsection (c) of section 10-292r of the general statutes.

(4) The superintendent of the technical high school system may apply, at such time and in such manner as the Commissioner of Emergency Services and Public Protection prescribes, to the Department of Emergency Services and Public Protection for a grant for certain expenses for schools in the technical high school system incurred on or after January 1, 2013, for the purposes described in subsection (a) of this section. The department shall decide whether to approve or deny an application and which expenses are eligible for reimbursement under the program. Such decisions shall be in accordance with the school safety infrastructure standards developed pursuant to subsection (c) of section 10-292r of the general statutes.

(5) An incorporated or endowed high school or academy may apply, at such time and in such manner as the Commissioner of Emergency

**House Bill No. 5518**

Services and Public Protection prescribes, to the Department of Emergency Services and Public Protection for a grant for certain expenses incurred on or after January 1, 2013, for the purposes described in subsection (a) of this section. The department shall decide whether to approve or deny an application and which expenses are eligible for reimbursement under the program. Such decisions shall be in accordance with the school safety infrastructure standards developed pursuant to subsection (c) of section 10-292r of the general statutes.

(6) (A) The supervisory agent for a nonpublic school or a licensed child care center or private preschool operator described in subdivision (7) of subsection (a) of this section may apply, at such time and in such manner as the Commissioner of Emergency Services and Public Protection prescribes, to the Department of Emergency Services and Public Protection for a grant for certain expenses for schools under the jurisdiction of such supervisory agent or for such licensed child care centers or private preschools incurred on or after January 1, 2013, for the purposes described in subsection (a) of this section. The department shall decide whether to approve or deny an application and which expenses are eligible for reimbursement under the program. Such decisions shall be in accordance with the school safety infrastructure standards developed pursuant to subsection (c) of section 10-292r of the general statutes.

(B) Ten per cent of the funds available under the program shall be awarded to the supervisory agents of nonpublic schools and licensed child care center or private preschool operators described in subdivision (7) of subsection (a) of this section, in accordance with the provisions of subdivision (6) of subsection (c) of this section.

(c) (1) A town may receive a grant equal to a percentage of its eligible expenses. The percentage shall be determined as follows: (A) Each town shall be ranked in descending order from one to one hundred sixty-nine according to town wealth, as defined in subdivision (26) of section 10-

**House Bill No. 5518**

262f of the general statutes, (B) based upon such ranking, a percentage of not less than twenty or more than eighty shall be assigned to each town on a continuous scale, and (C) the town ranked first shall be assigned a percentage of twenty and the town ranked last shall be assigned a percentage of eighty.

(2) A regional educational service center may receive a grant equal to a percentage of its eligible expenses. The percentage shall be determined by its ranking. Such ranking shall be determined by (A) multiplying the population of each member town in the regional educational service center by such town's ranking, as determined in subsection (a) of section 10-285a of the general statutes; (B) adding together the figures for each town determined under subparagraph (A) of this subdivision; and (C) dividing the total computed under subparagraph (B) of this subdivision by the total population of all member towns in the regional educational service center. The ranking of each regional educational service center shall be rounded to the next higher whole number and each such center shall receive the same reimbursement percentage as would a town with the same rank.

(3) The governing authority for a state charter school may receive a grant equal to a percentage of its eligible expenses that is the same as the town in which such state charter school is located, as calculated pursuant to subdivision (1) of this subsection.

(4) The Department of Education, on behalf of the technical high school system, may receive a grant equal to one hundred per cent of its eligible expenses.

(5) An incorporated or endowed high school or academy may receive a grant equal to a percentage of its eligible expenses. The percentage shall be determined by its ranking. Such ranking shall be determined by (A) multiplying the total population, as defined in section 10-261 of the general statutes, of each town which at the time of application for such

**House Bill No. 5518**

school security infrastructure competitive grant has designated such school as the high school for such town for a period of not less than five years from the date of such application, by such town's percentile ranking, as determined in subsection (a) of section 10-285a of the general statutes, (B) adding together the figures for each town determined under subparagraph (A) of this subdivision, and (C) dividing the total computed under subparagraph (B) of this subdivision by the total population of all towns which designate the school as their high school under subparagraph (A) of this subdivision. The ranking determined pursuant to this subsection shall be rounded to the next higher whole number. Such incorporated or endowed high school or academy shall receive the reimbursement percentage of a town with the same rank.

(6) The supervisory agent for a nonpublic school or a licensed child care center or private preschool operator described in subdivision (7) of subsection (a) of this section may receive a grant equal to fifty per cent of its eligible expenses, provided any such grant shall not exceed fifty thousand dollars.

(d) (1) For the fiscal year ending June 30, 2014, if there are not sufficient funds to provide grants to all towns, based on the percentage determined pursuant to subsection (c) of this section, the Commissioner of Emergency Services and Public Protection, in consultation with the Commissioners of Administrative Services and Education, shall give priority to applicants on behalf of schools with the greatest need for security infrastructure, as determined by said commissioners based on school building security assessments of the schools under the jurisdiction of the town's school district conducted pursuant to this subdivision. Of the applicants on behalf of such schools with the greatest need for security infrastructure, said commissioners shall give first priority to applicants on behalf of schools that have no security infrastructure at the time of such school building security assessment and succeeding priority to applicants on behalf of schools located in

**House Bill No. 5518**

priority school districts pursuant to section 10-266p of the general statutes. To be eligible for reimbursement pursuant to this section, an applicant board of education shall (A) demonstrate that it has developed and periodically practices an emergency plan at the schools under its jurisdiction and that such plan has been developed in concert with applicable state or local first-responders, and (B) provide for a uniform assessment of the schools under its jurisdiction, including any security infrastructure, using the National Clearinghouse for Educational Facilities' Safe Schools Facilities Checklist. The assessment shall be conducted under the supervision of the local law enforcement agency.

(2) For the fiscal years ending June 30, 2015, to June 30, 2018, and the fiscal years ending June 30, 2020, to June 30, 2021, if there are not sufficient funds to provide grants to all applicants that are towns, regional educational service centers, governing authorities for state charter schools, the Department of Education, on behalf of the technical high school system, and incorporated or endowed high schools or academies based on the percentage determined pursuant to subsection (c) of this section, the Commissioner of Emergency Services and Public Protection, in consultation with the Commissioners of Administrative Services and Education, shall give priority to applicants on behalf of schools with the greatest need for security infrastructure, as determined by said commissioners based on school building security assessments of the schools under the jurisdiction of the applicant conducted pursuant to this subdivision. Of the applicants on behalf of such schools with the greatest need for security infrastructure, said commissioners shall give first priority to applicants on behalf of schools that have no security infrastructure at the time of such school building security assessment and succeeding priority to applicants on behalf of schools located in priority school districts pursuant to section 10-266p of the general statutes. To be eligible for reimbursement pursuant to this section, an applicant shall (A) demonstrate that it has developed and periodically practices an emergency plan at the schools under its jurisdiction and

**House Bill No. 5518**

that such plan has been developed in concert with applicable state or local first-responders, and (B) provide for a uniform assessment of the schools under its jurisdiction, including any security infrastructure, using the National Clearinghouse for Educational Facilities' Safe Schools Facilities Checklist. The assessment shall be conducted under the supervision of the local law enforcement agency.

(3) For the fiscal years ending June 30, 2015, to June 30, 2018, and the fiscal years ending June 30, 2020, to June 30, 2021, if there are not sufficient funds to provide grants to all applicant supervisory agents for nonpublic schools or licensed child care center or private preschool operators described in subdivision (7) of subsection (a) of this section, based on the percentages described in subsection (c) of this section, the Commissioner of Emergency Services and Public Protection, in consultation with the Commissioners of Administrative Services and Education, shall give priority to applicants on behalf of schools, centers or preschools with the greatest need for security infrastructure, as determined by said commissioners. Of the applicants on behalf of such schools, centers or preschools with the greatest need for security infrastructure, said commissioners shall give first priority to applicants on behalf of schools, centers or preschools that have no security infrastructure at the time of application. To be eligible for reimbursement pursuant to this section, an applicant supervisory agent for a nonpublic school or licensed child care center or private preschool operator described in subdivision (7) of subsection (a) of this section shall (A) demonstrate that it has developed and periodically practices an emergency plan at the school, center or preschool under its jurisdiction and that such plan has been developed in concert with applicable state or local first-responders, and (B) provide for a uniform assessment of the schools, centers or preschools under its jurisdiction, including any security infrastructure, using the National Clearinghouse for Educational Facilities' Safe Schools Facilities Checklist. The assessment shall be conducted under the supervision of the local law

Sec. 81. (*Effective from passage*) For each of the fiscal years ending June 30, 2020, June 30, 2021, and June 30, 2022, Connecticut Innovations, Incorporated shall provide a grant-in-aid in the amount of three hundred fifty thousand dollars to the Women's Business Development Council in the city of Stamford.

Sec. 82. (*Effective July 1, 2020*) (a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate forty-five million dollars.

**House Bill No. 5518**

(b) The proceeds of the sale of said bonds, to the extent of the amount stated in subsection (a) of this section, shall be used by the Connecticut Municipal Redevelopment Authority for the purpose of capitalization.

(c) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby, which are not inconsistent with the provisions of this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section, and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 of the general statutes and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization which is signed by or on behalf of the Secretary of the Office of Policy and Management and states such terms and conditions as said commission, in its discretion, may require. Said bonds issued pursuant to this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 83. (NEW) (*Effective from passage*) (a) For the purposes of this section:

(1) "Commissioner" means the Commissioner of Emergency Services and Public Protection;

**House Bill No. 5518**

(2) "Department" means the Department of Emergency Services and Public Protection;

(3) "Eligible expenses" means expenses incurred by an eligible nonprofit organization for items and training described in subdivisions (1) and (2) of subsection (c) of this section that are eligible for a grant pursuant to this section;

(4) "Eligible nonprofit organization" means an organization that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, or any subsequent corresponding internal revenue code of the United States, as amended from time to time, and that is at heightened risk, as determined by the commissioner, of being the target of a terrorist attack, hate crime or violent act;

(5) "Eligible nonprofit organization building" means a building in the state that is owned by an eligible nonprofit organization;

(6) "Eligible nonprofit organization applicant" means an organization that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, or any subsequent corresponding internal revenue code of the United States, as amended from time to time, and that applies for a grant pursuant to subsection (d) of this section; and

(7) "Eligible nonprofit organization applicant building" means a building in the state that is owned by an eligible nonprofit organization applicant.

(b) (1) On or before May 1, 2020, the commissioner shall develop eligible nonprofit organization building security infrastructure criteria for eligible nonprofit organization buildings that are the subject of grants awarded pursuant to this section. Such criteria shall conform to industry standards for building security infrastructure and shall address areas including, but not limited to, (A) entryways to eligible nonprofit organization buildings and rooms, such as reinforcement of

**House Bill No. 5518**

entryways, ballistic glass, solid core doors, double door access, computer-controlled electronic locks, remote locks on all entrance and exits and buzzer systems, (B) the use of cameras throughout an eligible nonprofit organization building and at all entrances and exits, including the use of closed-circuit television monitoring, (C) penetration resistant vestibules, and (D) other security infrastructure improvements and devices as they become industry standards.

(2) On or before May 1, 2020, the commissioner shall develop a checklist for eligible nonprofit organization applicants to use to assess the safety and security of eligible nonprofit organization applicant buildings, pursuant to subdivision (2) of subsection (e) of this section, for purposes of grant eligibility pursuant to this section. Such checklist shall include measures to assess eligible nonprofit organization applicant buildings and eligible nonprofit organization applicants' communications systems, building access control and surveillance, utility systems, mechanical systems and emergency power.

(c) The department shall administer an eligible nonprofit organization security infrastructure competitive grant program to provide grants to eligible nonprofit organizations for eligible expenses for eligible nonprofit organization buildings incurred on or after July 1, 2019, for: (1) The development or improvement of the security infrastructure of eligible nonprofit organization buildings, based on the results of eligible nonprofit organization buildings security assessments conducted pursuant to subdivision (2) of subsection (e) of this section, including, but not limited to, the installation of surveillance cameras, penetration resistant vestibules, ballistic glass, solid core doors, double door access, computer-controlled electronic locks, entry door buzzer systems, scan card systems, panic alarms, real time interoperable communications and multimedia sharing infrastructure or other systems; and (2) (A) the training of eligible nonprofit organization personnel in the operation and maintenance of the security

**House Bill No. 5518**

infrastructure of eligible nonprofit organization buildings, and (B) the purchase of portable entrance security devices, including, but not limited to, metal detector wands and screening machines and related training.

(d) (1) On and after May 1, 2020, and before July 31, 2020, any eligible nonprofit organization applicant that owns an eligible nonprofit organization applicant building may apply, in such manner as the commissioner prescribes, to the department for a grant for eligible expenses for eligible nonprofit organization buildings incurred on or after July 1, 2019, for the purposes described in subsection (c) of this section. The commissioner shall require all eligible nonprofit organization applicants to submit information to the department to demonstrate that such eligible nonprofit organization applicant is at a heightened risk of being the target of a terrorist attack, hate crime or violent act. The commissioner shall evaluate such information based on neutral criteria applied equally to all eligible nonprofit organization applicants. The commissioner shall determine which expenses are eligible under the program and whether to approve or deny an application in accordance with the eligible nonprofit organization building security infrastructure criteria developed pursuant to subdivision (1) of subsection (b) of this section and upon a determination that the eligible nonprofit organization applicant is at a heightened risk of being the target of a terrorist attack, hate crime or violent act.

(2) If the aggregate dollar amount for the grants approved by the commissioner pursuant to subdivision (1) of this subsection is less than five million dollars, any eligible nonprofit organization applicant that owns an eligible nonprofit organization applicant building may apply, at such time and in such manner as the commissioner prescribes, to the department for a grant for eligible expenses for eligible nonprofit organization buildings incurred on or after February 1, 2021, for the

**House Bill No. 5518**

purposes described in subsection (c) of this section. The commissioner shall require all eligible nonprofit organization applicants to submit information to the department to demonstrate that such eligible nonprofit organization applicant is at a heightened risk of being the target of a terrorist attack, hate crime or violent act. The commissioner shall evaluate such information based on neutral criteria applied equally to all eligible nonprofit organization applicants. The commissioner shall determine which expenses are eligible under the program and whether to approve or deny an application in accordance with the eligible nonprofit organization building security infrastructure criteria developed pursuant to subdivision (1) of subsection (b) of this section and upon a determination that the eligible nonprofit organization applicant is at a heightened risk of being the target of a terrorist attack, hate crime or violent act.

(e) (1) An eligible nonprofit organization may receive a grant of not more than fifty thousand dollars pursuant to this section, provided fifty per cent of such grant shall be made available to such eligible nonprofit organization when such eligible nonprofit organization presents to the commissioner a contract in which such eligible nonprofit organization will incur eligible expenses for security infrastructure, and fifty per cent of such grant shall be made available to such eligible nonprofit organization when such eligible nonprofit organization demonstrates to the commissioner that the eligible nonprofit organization has incurred all of the eligible expenses pursuant to such contract.

(2) To be eligible for a grant pursuant to this section, an eligible nonprofit organization applicant shall provide for a uniform assessment of its eligible nonprofit organization applicant buildings, including any security infrastructure, using the checklist developed by the commissioner pursuant to subdivision (2) of subsection (b) of this section. The assessment may be conducted under the supervision of the local law enforcement agency.

**House Bill No. 5518**

Sec. 84. (NEW) (*Effective from passage*) (a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate five million dollars.

(b) The proceeds of the sale of said bonds, to the extent of the amount stated in subsection (a) of this section, shall be used by the Department of Emergency Services and Public Protection for the purpose of the eligible nonprofit organization security infrastructure competitive grant program, established pursuant to section 83 of this act.

(c) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby, which are not inconsistent with the provisions of this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section, and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization which is signed by or on behalf of the Secretary of the Office of Policy and Management and states such terms and conditions as said commission, in its discretion, may require. Said bonds issued pursuant to this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby

**House Bill No. 5518**

made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 85. (NEW) (*Effective from passage*) On or before May first, annually, the assessor or board of assessors of each municipality shall certify to the Secretary of the Office of Policy and Management, on a form or forms provided by the secretary, the amount of exemptions approved under the provisions of subdivisions (60), (70), (72) and (76) of section 12-81 of the general statutes for the most recently completed assessment year, together with such supporting information as the secretary may require, including the number of taxpayers with approved claims under each said subdivision and a copy of the applications filed by such taxpayers for each said subdivision.

Sec. 86. (*Effective from passage*) Notwithstanding any provision of the general statutes or any special act, charter or ordinance, the vote cast by the electors and voters of Regional School District No. 19 at the referendum held on December 10, 2019, relating to approval of an appropriation for the installation of a photovoltaic system, and for related equipment, improvements and work, at E.O. Smith High School, and of the authorization of the issuance of bonds, notes and temporary notes to finance, and of the acceptance of grants to defray, said appropriation, otherwise valid except for the failure to timely publish notice of said referendum in the town of Mansfield, is validated. All acts, votes and proceedings of the officers and officials of Regional School District No. 19 pertaining to or taken in reliance on said referendum, otherwise valid except for the failure to timely publish notice of said referendum in the town of Mansfield, are validated and effective as of the date taken.

Sec. 87. Subsection (b) of section 32-235 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

**House Bill No. 5518**

(b) The proceeds of the sale of said bonds, to the extent of the amount stated in subsection (a) of this section, shall be used by the Department of Economic and Community Development (1) for the purposes of sections 32-220 to 32-234, inclusive, including economic cluster-related programs and activities, and for the Connecticut job training finance demonstration program pursuant to sections 32-23uu and 32-23vv, provided (A) three million dollars shall be used by said department solely for the purposes of section 32-23uu and not more than five million two hundred fifty thousand dollars of the amount stated in said subsection (a) may be used by said department for the purposes of section 31-3u, (B) not less than one million dollars shall be used for an educational technology grant to the deployment center program and the nonprofit business consortium deployment center approved pursuant to section 32-41l, (C) not less than two million dollars shall be used by said department for the establishment of a pilot program to make grants to businesses in designated areas of the state for construction, renovation or improvement of small manufacturing facilities, provided such grants are matched by the business, a municipality or another financing entity. The Commissioner of Economic and Community Development shall designate areas of the state where manufacturing is a substantial part of the local economy and shall make grants under such pilot program which are likely to produce a significant economic development benefit for the designated area, (D) five million dollars may be used by said department for the manufacturing competitiveness grants program, (E) one million dollars shall be used by said department for the purpose of a grant to the Connecticut Center for Advanced Technology, for the purposes of subdivision (5) of subsection (a) of section 32-7f, (F) fifty million dollars shall be used by said department for the purpose of grants to the United States Department of the Navy, the United States Department of Defense or eligible applicants for projects related to the enhancement of infrastructure for long-term, ongoing naval operations at the United States Naval Submarine Base-New London, located in Groton, which will increase the military value of said

**House Bill No. 5518**

base. Such projects shall not be subject to the provisions of sections 4a-60 and 4a-60a, (G) two million dollars shall be used by said department for the purpose of a grant to the Connecticut Center for Advanced Technology, Inc., for manufacturing initiatives, including aerospace and defense, and (H) four million dollars shall be used by said department for the purpose of a grant to companies adversely impacted by the construction at the Quinnipiac Bridge, where such grant may be used to offset the increase in costs of commercial overland transportation of goods or materials brought to the port of New Haven by ship or vessel, (2) for the purposes of the small business assistance program established pursuant to section 32-9yy, provided fifteen million dollars shall be deposited in the small business assistance account established pursuant to said section 32-9yy, (3) to deposit twenty million dollars in the small business express assistance account established pursuant to section 32-7h, (4) to deposit four million nine hundred thousand dollars per year in each of the fiscal years ending June 30, 2017, to June 30, 2019, inclusive, and June 30, 2021, and nine million nine hundred thousand dollars in the fiscal year ending June 30, 2020, in the CTNext Fund established pursuant to section 32-39i, which shall be used by CTNext to provide grants-in-aid to designated innovation places, as defined in section 32-39j, planning grants-in-aid pursuant to section 32-39l, and grants-in-aid for projects that network innovation places pursuant to subsection (b) of section 32-39m, provided not more than three million dollars be used for grants-in-aid for such projects, and further provided any portion of any such deposit that remains unexpended in a fiscal year subsequent to the date of such deposit may be used by CTNext for any purpose described in subsection (e) of section 32-39i, (5) to deposit two million dollars per year in each of the fiscal years ending June 30, 2019, to June 30, 2021, inclusive, in the CTNext Fund established pursuant to section 32-39i, which shall be used by CTNext for the purpose of providing higher education entrepreneurship grants-in-aid pursuant to section 32-39g, provided any portion of any such deposit that remains unexpended in a fiscal year subsequent to the date of such deposit may

**House Bill No. 5518**

be used by CTNext for any purpose described in subsection (e) of section 32-39i, (6) for the purpose of funding the costs of the Technology Talent Advisory Committee established pursuant to section 32-7p, provided two million dollars per year in each of the fiscal years ending June 30, 2017, to June 30, 2021, inclusive, shall be used for such purpose, (7) to provide (A) a grant-in-aid to the Connecticut Supplier Connection in an amount equal to two hundred fifty thousand dollars in each of the fiscal years ending June 30, 2017, to June 30, 2021, inclusive, and (B) a grant-in-aid to the Connecticut Procurement Technical Assistance Program in an amount equal to three hundred thousand dollars in each of the fiscal years ending June 30, 2017, to June 30, 2021, inclusive, (8) to deposit four hundred fifty thousand dollars per year, in each of the fiscal years ending June 30, 2017, to June 30, 2021, inclusive, in the CTNext Fund established pursuant to section 32-39i, which shall be used by CTNext to provide growth grants-in-aid pursuant to section 32-39g, provided any portion of any such deposit that remains unexpended in a fiscal year subsequent to the date of such deposit may be used by CTNext for any purpose described in subsection (e) of section 32-39i, (9) to transfer fifty million dollars to the Labor Department which shall be used by said department for the purpose of funding work force pipeline programs selected pursuant to section 31-11rr, provided, notwithstanding the provisions of section 31-11rr, (A) not less than five million dollars shall be provided to the workforce development board in Bridgeport serving the southwest region, for purposes of such program, and the board shall distribute such money in proportion to population and need, and (B) not less than five million dollars shall be provided to the workforce development board in Hartford serving the north central region, for purposes of such program, (10) to transfer twenty million dollars to Connecticut Innovations, Incorporated, provided ten million dollars shall be used by Connecticut Innovations, Incorporated for the purpose of the proof of concept fund established pursuant to subsection (b) of section 32-39x and ten million dollars shall be used by Connecticut Innovations, Incorporated for the purpose of the venture capital fund

program established pursuant to section 32-4100. Not later than thirty days prior to any use of unexpended funds under subdivision (4), (5) or (8) of this subsection, the CTNext board of directors shall provide notice of and the reason for such use to the joint standing committees of the General Assembly having cognizance of matters relating to commerce and finance, revenue and bonding.

Sec. 88. (NEW) (*Effective October 1, 2020*) Notwithstanding any provision of the general statutes or any public or special act, charter or ordinance, the Commissioner of Transportation, or the chief executive officer of the municipality in the case of a municipal project, shall, on and after October 1, 2020:

(1) Require each bid requested for a project to pave, repave or repair a highway that is financed in whole or in part with state funds to include a provision that all sewer grates and utility service grates in such highway be made reasonably flush with the surface of such highway on completion of the project; and

(2) Require each contract entered into as a result of such request for bids to include such a provision.

Sec. 89. (NEW) (*Effective from passage*) Not later than January 1, 2021, and annually thereafter, the Commissioner of Transportation shall submit a report on compliance with the bidding and contract provisions of section 88 of this act, and the installation of wrong-way signs, as described in subdivision (13) of subsection (a) of section 40 of this act, including the number of signs purchased, the location of their installation and any data regarding their effectiveness in reducing motor vehicle accidents, in accordance with the provisions of section 11-4a of the general statutes, to the (1) joint standing committees of the General Assembly having cognizance of matters relating to transportation and finance, revenue and bonding, and (2) transportation bonding subcommittee of the joint standing committee of the General

**House Bill No. 5518**

Assembly having cognizance of matters relating to finance, revenue and bonding.

Sec. 90. (NEW) (*Effective from passage*) Not later than January 1, 2021, and annually thereafter, the Secretary of the Office of Policy and Management shall submit a report describing the content of the training provided pursuant to subdivision (3) of subsection (a) of section 32 of this act, and provide data on the number of trainings provided and number of police officers trained, in accordance with the provisions of section 11-4a of the general statutes, to the (1) joint standing committees of the General Assembly having cognizance of matters relating to public safety and security and finance, revenue and bonding, and (2) general bonding subcommittee of the joint standing committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding.

Sec. 91. Subsections (c) and (d) of section 32-763 of the 2020 supplement to the general statutes are repealed and the following is substituted in lieu thereof (*Effective from passage*):

(c) The commissioner may approve, reject or modify any application properly submitted in accordance with the provisions of this section. The commissioner may not reject an application solely because a municipality has submitted more than one application in response to a request for applications. In reviewing an application and determining the amount of the grant, if any, to be provided, the commissioner shall consider the following criteria: (1) The availability of funds; (2) the estimated costs of assessing and remediating the brownfield, if known; (3) the relative economic condition of the municipality in which the brownfield is located; (4) the relative need of the project for financial assistance; (5) the degree to which a grant under this section is necessary to induce the applicant to undertake the project; (6) the public health and environmental benefits of the project; (7) the relative benefits of the project to the municipality, the region and the state, including, but not

**House Bill No. 5518**

limited to, the extent to which the project will likely result in a contribution to the municipality's tax base, the retention and creation of jobs and the reduction of blight; (8) the time frame in which the contamination occurred; (9) the relationship of the applicant to the person or entity that caused the contamination; (10) the length of time the brownfield has been abandoned; (11) the taxes owed and the projected revenues that may be restored to the community; (12) the relative need for assessment of the brownfield within the municipality or region; (13) whether the brownfield is located in a federally designated opportunity zone; and (14) such other criteria as the commissioner may establish consistent with the purposes of this section.

(d) The commissioner shall award grants on a competitive basis, based on a request for applications occurring [on or before October first,] at least twice annually. The commissioner may increase the frequency of requests for applications and awards depending upon the number of applicants and the availability of funding. A municipality may submit more than one application in response to a request for applications. On and after July 1, 2019, the commissioner shall give priority to grant applications for brownfields located in federally designated opportunity zones.

Approved March 12, 2020
