House Bill No. 6671

education for such child as defined in the regulations of the State Board of Education. Any such board eligible for payment shall file with the Department of Education, in such manner as prescribed by the Commissioner of Education, annually, on or before December first a statement of the cost of providing special education for such child, provided a board of education may submit, not later than March first, claims for additional children or costs not included in the December filing. Payment by the state for such costs shall be made to the local or regional board of education as follows: Seventy-five per cent of the cost in February and the balance in May.

(b) Any local or regional board of education which provides special education pursuant to the provisions of sections 10-76a to 10-76g, inclusive, as amended by this act, for any exceptional child described in subparagraph (A) of subdivision (5) of section 10-76a, under its jurisdiction, excluding (1) children placed by a state agency for whom a board of education receives payment pursuant to the provisions of subdivision (2) of subsection (e) of section 10-76d, as amended by this act, and (2) children who require special education, who reside on state-owned or leased property, and who are not the educational responsibility of the unified school districts established pursuant to sections 17a-37 and 18-99a, shall be financially responsible for the reasonable costs of special education instruction, as defined in the regulations of the State Board of Education, in an amount equal to (A) for any fiscal year commencing prior to July 1, 2005, five times the average per pupil educational costs of such board of education for the prior fiscal year, determined in accordance with the provisions of subsection (a) of section 10-76f, and (B) for the fiscal year commencing July 1, 2005, and each fiscal year thereafter, four and one-half times such average per pupil educational costs of such board of education. Except as otherwise provided in subsection (d) of this section, the State Board of Education shall, within available appropriations, pay on a current basis any costs in excess of the local or regional board's basic

House Bill No. 6671

contribution paid by such board in accordance with the provisions of this subsection. Any amounts paid by the State Board of Education on a current basis pursuant to this subsection shall not be reimbursable in the subsequent year. Application for such grant shall be made by filing with the Department of Education, in such manner as prescribed by the commissioner, annually on or before December first a statement of the cost of providing special education pursuant to this subsection, provided a board of education may submit, not later than March first, claims for additional children or costs not included in the December filing. Payment by the state for such excess costs shall be made to the local or regional board of education as follows: Seventy-five per cent of the cost in February and the balance in May. The amount due each town pursuant to the provisions of this subsection shall be paid to the treasurer of each town entitled to such aid, provided the treasurer shall treat such grant, or a portion of the grant, which relates to special education expenditures incurred in excess of such town's board of education budgeted estimate of such expenditures, as a reduction in expenditures by crediting such expenditure account, rather than town revenue. Such expenditure account shall be so credited no later than thirty days after receipt by the treasurer of necessary documentation from the board of education indicating the amount of such special education expenditures incurred in excess of such town's board of education budgeted estimate of such expenditures.

Such grant shall be

House Bill No. 6671

equal to the product of a town's eligible excess costs and the town's base aid ratio, as defined in section 10-262f, provided each town's grant shall be adjusted proportionately if necessary to stay within the appropriation. Payment pursuant to this subsection shall be made in June. For purposes of this subsection, a town's eligible excess costs are the difference between its net costs of special education and the amount the town would have expended if it spent at the state-wide average rate.

(d) Notwithstanding [the provisions of this section] any provision of the general statutes, for the fiscal year ending June 30, 2023, and each fiscal year thereafter, if the total of the amount of the grants payable to local or regional boards of education in accordance with [this section] (1) subsections (a) to (c), inclusive, of this section, except grants paid in accordance with subdivision (2) of subsection (a) of this section, (2) subdivision (2) of subsection (e) of section 10-76d, as amended by this act, and (3) subsection (b) of section 10-253, as amended by this act, in any fiscal year exceeds the amount appropriated for the purposes of [this section] the grants described in subdivisions (1) to (3), inclusive, of this subsection for such fiscal year, then each town shall be ranked in descending order from one to one hundred sixty-nine according to such town's adjusted equalized net grand list per capita, as defined in section 10-261, and the state board shall pay such grant to the local or regional board of education for a town as follows: [(1)] (A) For any town ranked one hundred fifteen to one hundred sixty-nine, inclusive, [seventy-six and one-quarter] ninety-one per cent of the amount of such town's eligible excess costs, [(2)] (B) for any town ranked fifty-nine to one hundred fourteen, inclusive, [seventy-three] eighty-eight per cent of the amount of such town's eligible excess costs, and [(3)] (C) for any town ranked one to fifty-eight, inclusive, [seventy] eighty-five per cent of the amount of such town's eligible excess costs. In the case of a regional board of education, such ranking shall be determined by [(A)] (i) multiplying the total population, as defined in section 10-261, of each town in the regional school district by such town's ranking, as

House Bill No. 6671

determined in this subsection, [(B)] (ii) adding together the figures determined under [subparagraph (A)] clause (i) of this [subdivision] subparagraph, and [(C)] (iii) dividing the total computed under [subparagraph (B)] clause (ii) of this [subdivision] subparagraph by the total population of all towns in the district. The ranking of each regional board of education shall be rounded to the next higher whole number. If the total amount of the grants payable to local and regional boards of education calculated under subparagraphs (A) to (C), inclusive, of this subsection in any fiscal year exceeds the total amount appropriated for the grants described in subdivisions (1) to (3), inclusive, of this subsection for such fiscal year, the amount of the grants payable under this subsection shall be reduced proportionately.

(e) (1) For the fiscal year ending June 30, 2023, and each fiscal year thereafter, if the total amount appropriated in any fiscal year for the grants described in subdivisions (1) to (3), inclusive, of subsection (d) of this section exceeds the total of the amount of the grants payable to local and regional boards of education under subsection (d) of this section, for such fiscal year, such excess amount shall be distributed to each local and regional board of education as follows:
