

Substitute Senate Bill No. 2

Public Act No. 21-46

AN ACT CONCERNING SOCIAL EQUITY AND THE HEALTH, SAFETY AND EDUCATION OF CHILDREN.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (NEW) (*Effective July 1, 2021*) (a) As used in this section, (1) "evidence-based" describes a training program that (A) incorporates methods demonstrated to be effective for the intended population through scientifically based research, including statistically controlled evaluations or randomized trials, (B) can be implemented with a set of procedures to allow successful replication in the state, (C) achieves sustained, desirable outcomes, and (D) when possible, has been determined to be cost-beneficial, and (2) "Question, Persuade and Refer (QPR) Institute Gatekeeper Training" means an educational program designed to teach lay and professional persons who work with youth the warning signs of a suicide crisis and how to respond.

(b) The Youth Suicide Advisory Board, established pursuant to section 17a-52 of the general statutes, and the Office of the Child Advocate, shall jointly administer an evidence-based youth suicide prevention training program in each local health department and district department of health formed pursuant to section 19a-241 of the general statutes. The training program shall provide certification in QPR Institute Gatekeeper Training, utilizing a training model that will enable

Substitute Senate Bill No. 2

participants to provide QPR Institute Gatekeeper Training to other individuals upon completion of the training program. Such training program shall be offered not later than July 1, 2022, and at least once every three years thereafter.

(c) The director of health for each local health department and district department of health shall determine the eligibility criteria for participation in the youth suicide prevention training program. Participants shall be members of the following groups within such district: (1) Employees of such local health department and district department of health, (2) employees of youth service bureaus established pursuant to section 10-19m of the general statutes, (3) school employees, as defined in section 10-222d of the general statutes, (4) employees and volunteers of youth-serving organizations, (5) employees and volunteers of operators of youth athletic activities, as defined in section 21a-432 of the general statutes, (6) employees of municipal social service agencies, (7) members of paid municipal or volunteer fire departments, and (8) members of local police departments. With respect to school employees, such training program may be included as part of an in-service training program provided pursuant to section 10-220a of the general statutes, as amended by this act.

(d) Any individual who has received certification in QPR Institute Gatekeeper Training through the training program administered pursuant to subsection (b) of this section may, during the period in which such certification is valid, provide QPR Institute Gatekeeper Training to any member of a group described in subdivisions (1) to (8), inclusive, of subsection (c) of this section and members of the public.

(e) The Youth Suicide Advisory Board and the Office of the Child Advocate may contract with a nongovernmental entity that provides evidence-based suicide prevention training to carry out the provisions of this section.

Substitute Senate Bill No. 2

Sec. 2. (NEW) (*Effective July 1, 2021*) (a) As used in this section:

(1) "Contact hour" means a minimum of fifty minutes of continuing education and activities; and

(2) "Registration period" means the one-year period for which a license has been renewed in accordance with section 19a-88 of the general statutes and is current and valid.

(b) For registration periods beginning on and after January 1, 2022, a physician assistant licensed pursuant to chapter 370 of the general statutes applying for license renewal shall, during the first renewal period and not less than once every six years thereafter, earn not less than two contact hours of training or education administered by the American Association of Physician Assistants, a hospital or other licensed health care institution or a regionally accredited institution of higher education, on (1) screening for post-traumatic stress disorder, risk of suicide, depression and grief, and (2) suicide prevention training.

(c) Each physician assistant applying for license renewal pursuant to section 19a-88 of the general statutes shall sign a statement attesting that he or she has satisfied the continuing education requirements of subsection (b) of this section on a form prescribed by the Department of Health. Each licensee shall retain records of attendance or certificates of completion that demonstrate compliance with the continuing education requirements of subsection (b) of this section for a minimum of three years following the year in which the continuing education was completed and shall submit such records or certificates to the department for inspection not later than forty-five days after a request by the department for such records or certificates.

Sec. 3. Subsection (a) of section 20-73b of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

Substitute Senate Bill No. 2

(a) Except as otherwise provided in this section, each physical therapist licensed pursuant to this chapter shall complete a minimum of twenty hours of continuing education during each registration period. For purposes of this section, registration period means the twelve-month period for which a license has been renewed in accordance with section 19a-88 and is current and valid. The continuing education shall be in areas related to the individual's practice, except, on and after January 1, 2022, shall include not less than two hours of training or education on (1) screening for post-traumatic stress disorder, risk of suicide, depression and grief, and (2) suicide prevention training, during the first registration period in which continuing education is required and not less than once every six years thereafter. The requirement described in subdivision (2) of this subsection may be satisfied by the completion of the evidence-based youth suicide prevention training program administered pursuant to section 1 of this act. Qualifying continuing education activities include, but are not limited to, courses offered or approved by the American Physical Therapy Association or any component of the American Physical Therapy Association, a hospital or other licensed health care institution or a regionally accredited institution of higher education.

Sec. 4. Section 20-74h of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

Licenses for occupational therapists and occupational therapy assistants issued under this chapter shall be subject to renewal once every two years and shall expire unless renewed in the manner prescribed by regulation upon the payment of two times the professional services fee payable to the State Treasurer for class B as defined in section 33-182l, plus five dollars. The department shall notify any person or entity that fails to comply with the provisions of this section that the person's or entity's license shall become void ninety days after the time for its renewal unless it is so renewed. Any such license

Substitute Senate Bill No. 2

shall become void upon the expiration of such ninety-day period. The commissioner shall establish additional requirements for licensure renewal which provide evidence of continued competency, which, on and after January 1, 2022, shall include not less than two hours of training or education, offered or approved by the Connecticut Occupational Therapy Association, a hospital or other licensed health care institution or a regionally accredited institution of higher education, on (1) screening for post-traumatic stress disorder, risk of suicide, depression and grief, and (2) suicide prevention training during the first renewal period and not less than once every six years thereafter. The requirement described in subdivision (2) of this section may be satisfied by the completion of the evidence-based youth suicide prevention training program administered pursuant to section 1 of this act. The holder of an expired license may apply for and obtain a valid license only upon compliance with all relevant requirements for issuance of a new license. A suspended license is subject to expiration and may be renewed as provided in this section, but such renewal shall not entitle the licensee, while the license remains suspended and until it is reinstated, to engage in the licensed activity, or in any other conduct or activity in violation of the order or judgment by which the license was suspended. If a license revoked on disciplinary grounds is reinstated, the licensee, as a condition of reinstatement, shall pay the renewal fee.

Sec. 5. (NEW) (*Effective July 1, 2021*) (a) As used in this section:

(1) "Contact hour" means a minimum of fifty minutes of continuing education and activities; and

(2) "Registration period" means the one-year period for which a license has been renewed in accordance with section 19a-88 of the general statutes and is current and valid.

(b) For registration periods beginning on and after January 1, 2022, a registered nurse licensed pursuant to chapter 378 of the general statutes

Substitute Senate Bill No. 2

who is actively practicing in this state, and a licensed practical nurse licensed pursuant to chapter 378 of the general statutes who is actively practicing in this state, applying for license renewal shall, during the first renewal period and not less than once every six years thereafter, earn not less than two contact hours of training or education on (1) screening for conditions such as post-traumatic stress disorder, risk of suicide, depression and grief, and (2) suicide prevention training. For purposes of this section, qualifying continuing education activities include, but are not limited to, in-person and online courses offered or approved by the American Nurses Association, Connecticut Hospital Association, Connecticut Nurses Association, Connecticut League for Nursing, a specialty nursing society or an equivalent organization in another jurisdiction, an educational offering sponsored by a hospital or other health care institution or a course offered by a regionally accredited academic institution or a state or local health department.

(c) Each registered nurse and licensed practical nurse applying for license renewal pursuant to section 19a-88 of the general statutes shall sign a statement attesting that he or she has satisfied the continuing education requirements of subsection (b) of this section on a form prescribed by the Department of Public Health. Each licensee shall retain records of attendance or certificates of completion that demonstrate compliance with the continuing education requirements of subsection (b) of this section for a minimum of three years following the year in which the continuing education was completed and shall submit such records or certificates to the department for inspection not later than forty-five days after a request by the department for such records or certificates.

Sec. 6. Subsection (a) of section 20-102ee of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) The Commissioner of Public Health shall adopt regulations, in

Substitute Senate Bill No. 2

accordance with the provisions of chapter 54, concerning the regulation of nurse's aides. Such regulations shall require a training program for nurse's aides of not less than one hundred hours. Not less than seventy-five of such hours shall include, but not be limited to, basic nursing skills, personal care skills, care of cognitively impaired residents, recognition of mental health and social service needs, basic restorative services and residents' rights. Not less than twenty-five of such hours shall include, but not be limited to, specialized training in understanding and responding to challenging behaviors related to physical, psychiatric, psychosocial and cognitive disorders. On and after January 1, 2022, not less than two of such hours shall include (1) screening for post-traumatic stress disorder, risk of suicide, depression and grief, and (2) suicide prevention training offered or approved by the American Nurses Association, Connecticut Hospital Association, Connecticut Nurses Association or Connecticut League for Nursing, a specialty nursing society or equivalent organization in another jurisdiction, a hospital or other health care institution, a regionally accredited academic institution, or a state or local health department. The requirement described in subdivision (2) of this section may be satisfied by the completion of the evidence-based youth suicide prevention training program administered pursuant to section 1 of this act.

Sec. 7. Subsection (b) of section 20-185k of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(b) A license issued under this section may be renewed annually. The license shall be renewed in accordance with the provisions of section 19a-88, for a fee of one hundred seventy-five dollars. Each behavior analyst applying for license renewal shall furnish evidence satisfactory to the commissioner of (1) having current certification with the Behavior Analyst Certification Board, and (2) on and after January 1, 2022,

Substitute Senate Bill No. 2

completing not less than two hours of training or education, offered or approved by the Connecticut Association for Behavior Analysis, a hospital or other licensed health care institution or a regionally accredited institution of higher education, on (A) screening for post-traumatic stress disorder, risk of suicide, depression and grief, and (B) suicide prevention training, during the first renewal period and not less than once every six years thereafter. The requirement described in subparagraph (B) of this subdivision may be satisfied by the completion of the evidence-based youth suicide prevention training program administered pursuant to section 1 of this act.

Sec. 8. Subsection (f) of section 20-195ttt of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(f) A certification issued under this section may be renewed every three years. The license shall be renewed in accordance with the provisions of section 19a-88 for a fee of one hundred dollars. Each certified community health worker applying for license renewal shall furnish evidence satisfactory to the commissioner of having completed a minimum of thirty hours of continuing education requirements, including two hours focused on cultural competency, systemic racism or systemic oppression, [and] two hours focused on social determinants of health and on and after January 1, 2022, two hours of training on (1) screening for post-traumatic stress disorder, risk of suicide, depression and grief, and (2) suicide prevention, provided by the Community Health Worker Advisory Body or training or education providers approved by the Community Health Worker Advisory Body. The requirement described in subdivision (2) of this subsection may be satisfied by the completion of the evidence-based youth suicide prevention training program administered pursuant to section 1 of this act.

Sec. 9. Section 20-206mm of the general statutes is repealed and the

Substitute Senate Bill No. 2

following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) Except as provided in subsections (b) and (c) of this section, an applicant for a license as a paramedic shall submit evidence satisfactory to the Commissioner of Public Health that the applicant has successfully (1) completed a paramedic training program approved by the commissioner, (2) for applicants applying on and after January 1, 2020, completed mental health first aid training as part of a program provided by an instructor certified by the National Council for Behavioral Health, and (3) passed an examination prescribed by the commissioner.

(b) An applicant for licensure by endorsement shall present evidence satisfactory to the commissioner that the applicant (1) is licensed or certified as a paramedic in another state or jurisdiction whose requirements for practicing in such capacity are substantially similar to or higher than those of this state and that the applicant has no pending disciplinary action or unresolved complaint against him or her, or (2) (A) is currently licensed or certified as a paramedic in good standing in any New England state, New York or New Jersey, (B) has completed an initial training program consistent with the National Emergency Medical Services Education Standards, as promulgated by the National Highway Traffic Safety Administration for the paramedic scope of practice model conducted by an organization offering a program that is recognized by the national emergency medical services program accrediting organization, (C) for applicants applying on or after January 1, 2020, has completed mental health first aid training as part of a program provided by an instructor certified by the National Council for Behavioral Health, and (D) has no pending disciplinary action or unresolved complaint against him or her.

(c) Any person who is certified as an emergency medical technician-paramedic by the Department of Public Health on October 1, 1997, shall be deemed a licensed paramedic. Any person so deemed shall renew his license pursuant to section 19a-88 for a fee of one hundred fifty-five

Substitute Senate Bill No. 2

dollars.

(d) On or after January 1, 2020, each person seeking certification as an emergency medical responder, emergency medical technician or advanced emergency medical technician shall apply to the department on forms prescribed by the commissioner. Applicants for certification shall comply with the following requirements: (1) For initial certification, an applicant shall present evidence satisfactory to the commissioner that the applicant (A) has completed an initial training program consistent with the National Emergency Medical Services Education Standards, as promulgated by the National Highway Traffic Safety Administration for the emergency medical responder, emergency medical technician or advanced emergency medical technician curriculum, (B) has passed the examination administered by the national organization for emergency medical certification for an emergency medical responder, emergency medical technician or advanced emergency medical technician as necessary for the type of certification sought by the applicant or an examination approved by the department, and (C) has no pending disciplinary action or unresolved complaints against such applicant, (2) a certificate issued under this subsection shall be renewed once every two years in accordance with the provisions of section 19a-88 upon presentation of evidence satisfactory to the commissioner that the applicant (A) has successfully completed continuing education for an emergency medical responder, emergency medical technician or advanced emergency medical technician as required by the national organization for emergency medical certification or as approved by the department, or (B) presents a current certification as an emergency medical responder, emergency medical technician or advanced emergency medical technician from the national organization for emergency medical certification, or (3) for certification by endorsement from another state, an applicant shall present evidence satisfactory to the commissioner that the applicant (A) is currently certified as an emergency medical responder, emergency

Substitute Senate Bill No. 2

medical technician or advanced emergency medical technician in good standing by a state that maintains certification or licensing requirements that the commissioner determines are equal to or greater than those in this state, or (B) holds a current certification as an emergency medical responder, emergency medical technician or advanced emergency medical technician from the national organization for emergency medical certification.

(e) On or after January 1, 2022, each person seeking renewal of a certification as an emergency medical responder or emergency medical technician under subdivision (2) of subsection (d) of this section, shall present evidence satisfactory to the commissioner that such person has, in the previous six year period, completed (1) the evidence-based youth suicide prevention training program administered pursuant to section 1 of this act, or (2) not less than two hours of training or education, approved by the Commissioner of Public Health, on (A) screening for post-traumatic stress disorder, risk of suicide, depression and grief, and (B) suicide prevention.

[(e)] (f) On or after January 1, 2020, each person seeking certification as an emergency medical services instructor shall apply to the department on forms prescribed by the commissioner. Applicants for certification shall comply with the following requirements: (1) For initial certification, an applicant shall present evidence satisfactory to the commissioner that the applicant (A) is currently certified by the department as an emergency medical technician or advanced emergency medical technician or licensed by the department as a paramedic, (B) has completed a program of training as an emergency medical instructor based on current national education standards within the prior two years, (C) has completed twenty-five hours of teaching activity under the supervision of a currently certified emergency medical services instructor, (D) has completed written and practical examinations as prescribed by the commissioner, (E) has no

Substitute Senate Bill No. 2

pending disciplinary action or unresolved complaints against the applicant, and (F) effective on a date prescribed by the commissioner, presents documentation satisfactory to the commissioner that the applicant is currently certified as an emergency medical technician, advanced emergency medical technician or paramedic by the national organization for emergency medical certification, or (2) for renewal certification, an applicant shall present evidence satisfactory to the commissioner that the applicant (A) has successfully completed continuing education and teaching activity as required by the department, which, on and after January 1, 2022, shall include not less than two hours of training or education, approved by the Commissioner of Public Health, on (i) screening for post-traumatic stress disorder, risk of suicide, depression and grief, and (ii) suicide prevention training, during the first renewal period and not less than once every six years thereafter, (B) maintains current certification by the department as an emergency medical technician, advanced emergency medical technician or licensure by the department as a paramedic, and (C) effective on a date as prescribed by the commissioner, presents documentation satisfactory to the commissioner that the applicant is currently certified as an emergency medical technician, advanced emergency medical technician or paramedic by the national organization for emergency medical certification.

~~[(f)]~~ (g) A certified emergency medical responder, emergency medical technician, advanced emergency medical technician or emergency medical services instructor shall document the completion of his or her continuing educational requirements through the continuing education platform Internet web site. A certified emergency medical responder, emergency medical technician, advanced emergency medical technician or emergency medical services instructor who is not engaged in active professional practice in any form during a certification period shall be exempt from the continuing education requirements of this section, provided the emergency medical responder, emergency medical

Substitute Senate Bill No. 2

technician, advanced emergency medical technician or emergency medical services instructor submits to the department, prior to the expiration of the certification period, an application for inactive status on a form prescribed by the department and such other documentation as may be required by the department. The application for inactive status pursuant to this subsection shall contain a statement that the emergency medical responder, emergency medical technician, advanced emergency medical technician or emergency medical services instructor may not engage in professional practice until the continuing education requirements of this section have been met.

[(g)] (h) The commissioner may issue a temporary emergency medical technician certificate to an applicant who presents evidence satisfactory to the commissioner that (1) the applicant was certified by the department as an emergency medical technician prior to becoming licensed as a paramedic pursuant to section 20-206ll, or (2) the applicant's certification as an emergency medical technician has expired and the applicant's license as a paramedic has become void pursuant to section 19a-88. Such temporary certificate shall be valid for a period not to exceed one year and shall not be renewable.

[(h)] (i) An applicant who is issued a temporary emergency medical technician certificate pursuant to subsection [(g)] (h) of this section may, prior to the expiration of such temporary certificate, apply to the department for: (1) Renewal of such person's paramedic license, giving such person's name in full, such person's residence and business address and such other information as the department requests, provided the application for license renewal is accompanied by evidence satisfactory to the commissioner that the applicant was under the medical oversight of a sponsor hospital, as those terms are defined in section 19a-175, on the date the applicant's paramedic license became void for nonrenewal; or (2) recertification as an emergency medical technician, provided the application for recertification is accompanied by evidence satisfactory

Substitute Senate Bill No. 2

to the commissioner that the applicant completed emergency medical technician refresher training approved by the commissioner not later than one year after issuance of the temporary emergency medical technician certificate. The department shall recertify such person as an emergency medical technician without the examination required for initial certification specified in regulations adopted by the commissioner pursuant to section 20-206oo.

[(i)] (j) Any person certified as an emergency medical responder, emergency medical technician, advanced emergency medical technician or emergency medical services instructor pursuant to this chapter and the regulations adopted pursuant to section 20-206oo whose certification has expired may apply to the Department of Public Health for reinstatement of such certification, provided such person completes the requirements for renewal certification specified in this section. Any certificate issued pursuant to this section shall remain valid for ninety days after the expiration date of such certificate and become void upon the expiration of such ninety-day period.

[(j)] (k) The Commissioner of Public Health shall issue an emergency medical technician certification to an applicant who is a member of the armed forces or the National Guard or a veteran and who (1) presents evidence satisfactory to the commissioner that such applicant holds a current certification as a person entitled to perform similar services under a different designation by the National Registry of Emergency Medical Technicians, or (2) satisfies the regulations promulgated pursuant to subdivision (3) of subsection (a) of section 19a-179. Such applicant shall be exempt from any written or practical examination requirement for certification.

[(k)] (l) For the purposes of this section, "veteran" means any person who was discharged or released under conditions other than dishonorable from active service in the armed forces and "armed forces" has the same meaning as provided in section 27-103.

Substitute Senate Bill No. 2

Sec. 10. Section 19a-14c of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) For the purposes of this section, "outpatient mental health treatment" means the treatment of mental disorders, emotional problems or maladjustments with the object of (1) removing, modifying or retarding existing symptoms; (2) improving disturbed patterns of behavior; and (3) promoting positive personality growth and development. Treatment shall not include prescribing or otherwise dispensing any medication which is a legend drug as defined in section 20-571.

(b) A psychiatrist licensed pursuant to chapter 370, a psychologist licensed pursuant to chapter 383, an independent social worker certified pursuant to chapter 383b or a marital and family therapist licensed pursuant to chapter 383a may provide outpatient mental health treatment to a minor without the consent or notification of a parent or guardian at the request of the minor if (1) requiring the consent or notification of a parent or guardian would cause the minor to reject such treatment; (2) the provision of such treatment is clinically indicated; (3) the failure to provide such treatment would be seriously detrimental to the minor's well-being; (4) the minor has knowingly and voluntarily sought such treatment; and (5) in the opinion of the provider of treatment, the minor is mature enough to participate in treatment productively. The provider of such treatment shall document the reasons for any determination made to treat a minor without the consent or notification of a parent or guardian and shall include such documentation in the minor's clinical record, along with a written statement signed by the minor stating that (A) [he] the minor is voluntarily seeking such treatment; (B) [he] the minor has discussed with the provider the possibility of involving his or her parent or guardian in the decision to pursue such treatment; (C) [he] the minor has determined it is not in his or her best interest to involve his or her

Substitute Senate Bill No. 2

parent or guardian in such decision; and (D) [he] the minor has been given adequate opportunity to ask the provider questions about the course of his or her treatment.

(c) [After the sixth session of outpatient mental health treatment provided to a minor pursuant to this section, the provider of such treatment shall notify the minor that the consent, notification or involvement of a parent or guardian is required to continue treatment, unless such a requirement would be seriously detrimental to the minor's well-being. If the provider determines such a requirement would be seriously detrimental to the minor's well-being, he shall document such determination in the minor's clinical record, review such determination every sixth session thereafter and document each such review. If the provider determines such a requirement would no longer be seriously detrimental to the minor's well-being, he shall require the consent, notification or involvement of a parent or guardian as a condition of continuing treatment.] (1) Except as otherwise provided in subdivision (2) of this subsection, a minor may request and receive as many outpatient mental health treatment sessions as necessary without the consent or notification of a parent or guardian. No provider shall notify a parent or guardian of treatment provided pursuant to this section or disclose any information concerning such treatment to a parent or guardian without the consent of the minor.

(2) A provider may notify a parent or guardian of treatment provided pursuant to this section or disclose certain information concerning such treatment without the consent of the minor who receives such treatment provided (A) such provider determines such notification or disclosure is necessary for the minor's well-being, (B) the treatment provided to the minor is solely for mental health and not for a substance use disorder, and (C) the minor is provided an opportunity to express any objection to such notification or disclosure. The provider shall document his or her determination concerning such notification or disclosure and any

Substitute Senate Bill No. 2

objections expressed by the minor in the minor's clinical record. A provider may disclose to a minor's parent or guardian the following information concerning such minor's outpatient mental health treatment: (i) Diagnosis; (ii) treatment plan and progress in treatment; (iii) recommended medications, including risks, benefits, side effects, typical efficacy, dose and schedule; (iv) psychoeducation about the minor's mental health; (v) referrals to community resources; (vi) coaching on parenting or behavioral management strategies; and (vii) crisis prevention planning and safety planning. A provider shall release a minor's entire clinical record to another provider upon the request of the minor or such minor's parent or guardian.

(d) A parent or guardian who is not informed of the provision of outpatient mental health treatment for his or her minor child pursuant to this section shall not be liable for the costs of the treatment provided.

Sec. 11. Subsection (a) of section 10-148a of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) For the school year commencing July 1, [2019] 2021, and each school year thereafter, each certified employee shall participate in a program of professional development. Each local and regional board of education shall make available, annually, at no cost to its certified employees, a program of professional development that is not fewer than eighteen hours in length, of which a preponderance is in a small group or individual instructional setting. Such program of professional development shall (1) be a comprehensive, sustained and intensive approach to improving teacher and administrator effectiveness in increasing student knowledge achievement, (2) focus on refining and improving various effective teaching methods that are shared between and among educators, (3) foster collective responsibility for improved student performance, (4) be comprised of professional learning that (A) is aligned with rigorous state student academic achievement standards,

Substitute Senate Bill No. 2

(B) is conducted among educators at the school and facilitated by principals, coaches, mentors, distinguished educators, as described in section 10-145s, or other appropriate teachers, (C) occurs frequently on an individual basis or among groups of teachers in a job-embedded process of continuous improvement, and (D) includes a repository of best practices for teaching methods developed by educators within each school that is continuously available to such educators for comment and updating, and (5) include training in culturally responsive pedagogy and practice. Each program of professional development shall include professional development activities in accordance with the provisions of subsection (b) of this section. The principles and practices of social-emotional learning shall be integrated throughout the components of such program of professional development described in subdivisions (1) to (5), inclusive, of this subsection.

Sec. 12. Subsection (b) of section 10-220a of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(b) Not later than a date prescribed by the commissioner, each local and regional board of education shall establish a professional development and evaluation committee. Such professional development and evaluation committee shall consist of (1) at least one teacher, as defined in subsection (a) of section 10-144d, selected by the exclusive bargaining representative for certified employees chosen pursuant to section 10-153b, (2) at least one administrator, as defined in subsection (a) of section 10-144e, selected by the exclusive bargaining representative for certified employees chosen pursuant to section 10-153b, and (3) such other school personnel as the board deems appropriate. The duties of such committees shall include, but not be limited to, participation in the development or adoption of a teacher evaluation and support program for the district, pursuant to section 10-151b, and the development, evaluation and annual updating of a

Substitute Senate Bill No. 2

comprehensive local professional development plan for certified employees of the district. Such plan shall: (A) Be directly related to the educational goals prepared by the local or regional board of education pursuant to subsection (b) of section 10-220, as amended by this act, (B) on and after July 1, [2011] 2021, be developed with full consideration of the priorities and needs related to student social-emotional learning, in accordance with the provisions of section 10-148a, as amended by this act, and student academic outcomes as determined by the State Board of Education, [and] (C) provide for the ongoing and systematic assessment and improvement of both teacher evaluation and professional development of the professional staff members of each such board, including personnel management and evaluation training or experience for administrators, [shall] and (D) be related to regular and special student needs and may include provisions concerning career incentives and parent involvement. The State Board of Education shall develop guidelines to assist local and regional boards of education in determining the objectives of the plans and in coordinating staff development activities with student needs and school programs.

Sec. 13. Subsection (b) of section 10-220 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(b) The board of education of each local or regional school district shall, with the participation of parents, students, school administrators, teachers, citizens, local elected officials and any other individuals or groups such board shall deem appropriate, prepare a statement of educational goals for such local or regional school district. The statement of goals shall be consistent with state-wide goals pursuant to subsection (c) of section 10-4 and include goals for the integration of principles and practices of social-emotional learning in the program of professional development for the school district, in accordance with the provisions of section 10-148a, as amended by this act, and career

placement for students who do not pursue an advanced degree immediately after graduation. Each local or regional board of education shall annually establish student objectives for the school year which relate directly to the statement of educational goals prepared pursuant to this subsection and which identify specific expectations for students in terms of skills, knowledge and competence.

Sec. 14. Section 10-221 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) As used in this section, "virtual learning" means instruction by means of one or more Internet-based software platforms as part of an in-person or remote learning model.

~~[(a)]~~ (b) Boards of education shall prescribe rules for the management, studies, classification and discipline of the public schools and, subject to the control of the State Board of Education, the textbooks to be used; shall make rules for the control, within their respective jurisdictions, of school library media centers, including Internet access and content, and approve the selection of books and other educational media therefor, and shall approve plans for public school buildings and superintend any high or graded school in the manner specified in this title.

~~[(b) Not later than July 1, 1985, each]~~ (c) Each local and regional board of education shall develop, adopt and implement written policies concerning homework, attendance, promotion and retention. The Department of Education shall make available model policies and guidelines to assist local and regional boards of education in meeting the responsibilities enumerated in this subsection.

~~[(c)]~~ (d) Boards of education may prescribe rules to impose sanctions against pupils who damage or fail to return textbooks, library materials or other educational materials. Said boards may charge pupils for such damaged or lost textbooks, library materials or other educational

materials and may withhold grades, transcripts or report cards until the pupil pays for or returns the textbook, library book or other educational material.

[(d) Not later than July 1, 1991, each] (e) Each local and regional board of education shall develop, adopt and implement policies and procedures in conformity with section 10-154a for (1) dealing with the use, sale or possession of alcohol or controlled drugs, as defined in subdivision (8) of section 21a-240, by public school students on school property, including a process for coordination with, and referral of such students to, appropriate agencies, and (2) cooperating with law enforcement officials.

[(e) Not later than July 1, 1990, each] (f) Each local and regional board of education shall adopt a written policy and procedures for dealing with youth suicide prevention and youth suicide attempts. Each such board of education may establish a student assistance program to identify risk factors for youth suicide, procedures to intervene with such youths, referral services and training for teachers and other school professionals and students who provide assistance in the program.

[(f) Not later than September 1, 1998, each] (g) (1) Each local and regional board of education shall develop, adopt and implement written policies and procedures to encourage parent-teacher communication. These policies and procedures may include monthly newsletters, required regular contact with all parents, flexible parent-teacher conferences, drop-in hours for parents, home visits and the use of technology such as homework hot lines to allow parents to check on their children's assignments and students to [get] receive assistance if needed. [For the school year commencing July 1, 2010, and each school year thereafter, such] Such policies and procedures shall require the district to conduct two flexible parent-teacher conferences for each school year.

Substitute Senate Bill No. 2

(2) For the school year commencing July 1, 2021, and each school year thereafter, the policies and procedures described in subdivision (1) of this subsection shall require the district to (A) offer parents the option of attending any parent-teacher conference by telephonic, video or other conferencing platform, (B) conduct one parent-teacher conference, in addition to those required pursuant to subdivision (1) of this subsection, during periods when such district provides virtual learning for more than three consecutive weeks, and one additional parent-teacher conference every six months thereafter for the duration of such period of virtual learning, and (C) request from each student's parent the name and contact information of an emergency contact person who may be contacted if the student's parent cannot be reached to schedule a parent-teacher conference required pursuant to subparagraph (B) of this subdivision.

(3) On and after January 1, 2022, such policies and procedures shall require (A) a teacher conducting a parent-teacher conference required pursuant to subparagraph (B) of subdivision (2) of this subsection to provide a copy of the document developed pursuant to section 15 of this act to the parent prior to the parent-teacher conference, and (B) if a teacher is unable to make contact with a student's parent in order to schedule a parent-teacher conference required pursuant to subparagraph (B) of subdivision (2) of this subsection after making three attempts, such teacher shall report such inability to the school principal, school counselor or other school administrator designated by the local or regional board of education. Such principal, counselor or administrator shall contact any emergency contact person designated by the student's parent pursuant to subparagraph (C) of subdivision (2) of this subsection to ascertain such student and family's health and safety.

Sec. 15. (NEW) (*Effective from passage*) Not later than December 1, 2021, the Department of Education shall develop, and annually update, a document for use by local and regional boards of education that

Substitute Senate Bill No. 2

provides information concerning educational, safety, mental health and food insecurity resources and programs available for students and their families. Such document shall contain, but need not be limited to, (1) providers of such resources and programs, including, but not limited to, the Departments of Education, Children and Families and Mental Health and Addiction Services, the United Way of Connecticut and local food banks, (2) descriptions of the relevant resources and programs offered by each provider, including, but not limited to, any program that provides laptop computers, public Internet access or home Internet service to students, (3) contact information for each provider, resource and program, and (4) relevant Internet web sites. The Department of Education shall annually distribute such document electronically to each local and regional board of education.

Sec. 16. (NEW) (*Effective from passage*) (a) As used in this section, "virtual learning" means instruction by means of one or more Internet-based software platforms as part of an in-person or remote learning model.

(b) Not later than January 1, 2022, the Commissioner of Education shall develop, and update as necessary, standards for virtual learning. The standards shall not be deemed to be regulations, as defined in section 4-166 of the general statutes.

(c) For the school year commencing July 1, 2022, and each school year thereafter, a local or regional board of education may authorize virtual learning to students in grades nine to twelve, inclusive, provided such board (1) provides such instruction in compliance with the standards developed pursuant to subsection (b) of this section, and (2) adopts a policy regarding the requirements for student attendance during virtual learning, which shall (A) be in compliance with the Department of Education's guidance on student attendance during virtual learning, and (B) count the attendance of any student who spends not less than one-half of the school day during such instruction engaged in (i) virtual

Substitute Senate Bill No. 2

classes, (ii) virtual meetings, (iii) activities on time-logged electronic systems, and (iv) the completion and submission of assignments.

Sec. 17. Section 10-16 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

Each school district shall provide in each school year no less than one hundred and eighty days of actual school sessions for grades kindergarten to twelve, inclusive, nine hundred hours of actual school work for full-day kindergarten and grades one to twelve, inclusive, and four hundred and fifty hours of half-day kindergarten, provided school districts shall not count more than seven hours of actual school work in any school day towards the total required for the school year. Virtual learning shall be considered an actual school session for purposes of this section, provided such virtual learning is conducted in compliance with the standards developed pursuant to subsection (b) of section 16 of this act. If weather conditions result in an early dismissal or a delayed opening of school, a school district which maintains separate morning and afternoon half-day kindergarten sessions may provide either a morning or afternoon half-day kindergarten session on such day. As used in this section, "virtual learning" means instruction by means of one or more Internet-based software platforms as part of an in-person or remote learning model.

Sec. 18. Section 10-198b of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

[On or before July 1, 2012, the] The State Board of Education shall define "excused absence", [and] "unexcused absence" [, and on or before January 1, 2016, the State Board of Education shall define] and "disciplinary absence" for use by local and regional boards of education for the purposes of carrying out the provisions of section 10-198a, reporting truancy, pursuant to subsection (c) of section 10-220, and calculating the district chronic absenteeism rate and the school chronic

Substitute Senate Bill No. 2

absenteeism rate pursuant to section 10-198c. On or before July 1, 2021, the State Board of Education shall amend the definitions of "excused absence" and "unexcused absence" to exclude a student's engagement in (1) virtual classes, (2) virtual meetings, (3) activities on time-logged electronic systems, and (4) the completion and submission of assignments, if such engagement accounts for not less than one-half of the school day during virtual learning authorized pursuant to section 16 of this act. As used in this section, "virtual learning" means instruction by means of one or more Internet-based software platforms as part of an in-person or remote learning model.

Sec. 19. (NEW) (*Effective July 1, 2021*) (a) As used in this section and section 10-198b of the general statutes, as amended by this act, "mental health wellness day" describes a school day during which a student attends to such student's emotional and psychological well-being in lieu of attending school.

(b) For the school year commencing July 1, 2021, and each school year thereafter, a local or regional board of education shall permit any student enrolled in grades kindergarten to twelve, inclusive, to take two mental health wellness days during the school year, during which day such student shall not be required to attend school. No student shall take mental health wellness days during consecutive school days.

Sec. 20. Section 10-215 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) Any local or regional board of education may establish and operate a school lunch program for public school children, may operate lunch services for its employees, may establish and operate a school breakfast program, as provided under federal laws governing said programs, or may establish and operate such other child feeding programs as it deems necessary. Charges for such lunches, breakfasts or other such feeding may be fixed by such boards and shall not exceed the

Substitute Senate Bill No. 2

cost of food, wages and other expenses directly incurred in providing such services. When such services are offered, a board shall provide free lunches, breakfasts or other such feeding to children whose economic needs require such action under the standards promulgated by said federal laws. Such board is authorized to purchase equipment and supplies that are necessary, to employ the necessary personnel, to utilize the services of volunteers and to receive and expend any funds and receive and use any equipment and supplies which may become available to carry out the provisions of this section. Any town board of education may vote to designate any volunteer organization within the town to provide a school lunch program, school breakfast program or other child feeding program in accordance with the provisions of this section.

(b) For the school year commencing July 1, 2021, and each school year thereafter, a local or regional board of education shall include in any policy or procedure for the collection of unpaid charges for school lunches, breakfasts or other such feeding applicable to employees and third-party vendors of such school lunches, breakfasts or such feeding (1) a prohibition on publicly identifying or shaming a child for any such unpaid charges, including, but not limited to, delaying or refusing to serve a meal to such child, designating a specific meal option for such child or otherwise taking any disciplinary action against such child, (2) a declaration of the right for any child to purchase a meal, which meal may exclude any a la carte items or be limited to one meal for any school lunch, breakfast or other such feeding, and (3) a procedure for communicating with the parent or legal guardian of a child for the purpose of collecting such unpaid charges. Such communication shall include, but not be limited to, (A) information regarding local food pantries, (B) applications for the school district's program for free or reduced priced meals and for the supplemental nutrition assistance program administered by the Department of Social Services, and (C) a link to the Internet web site maintained by the town for such school

Substitute Senate Bill No. 2

district listing any community services available to the residents of such town. In the event the unpaid charges for school lunches, breakfasts or other such feeding due from any parent or legal guardian are equal to or more than the cost of thirty meals, the local or regional board of education shall refer such parent or legal guardian to the local homeless education liaison designated by such board, pursuant to Subtitle B of Title VII of the McKinney-Vento Homeless Assistance Act, 42 USC 11431 et seq., as amended from time to time.

(c) A local or regional board of education may accept gifts, donations or grants from any public or private sources for the purpose of paying off any unpaid charges for school lunches, breakfasts or other such feeding.

Sec. 21. Section 17a-10a of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) The Commissioner of Children and Families shall ensure that a child placed in the care and custody of the commissioner pursuant to an order of temporary custody or an order of commitment is provided visitation with such child's parents and siblings, unless otherwise ordered by the court.

(b) The commissioner shall ensure that such child's visits with his or her parents, or opportunities to communicate with such child's parents and siblings by telephonic, video or other conferencing platform in accordance with the provisions of subsection (a) of this section, shall occur as frequently as reasonably possible, based upon consideration of the best interests of the child, including the age and developmental level of the child, and shall be sufficient in number and duration to ensure continuation of the relationship.

(c) If such child has an existing relationship with a sibling and is separated from such sibling as a result of intervention by the

Substitute Senate Bill No. 2

commissioner including, but not limited to, placement in a foster home or in the home of a relative, the commissioner shall, based upon consideration of the best interests of the child, ensure that such child has access to and visitation rights with such sibling throughout the duration of such placement. In determining the number, frequency and duration of sibling visits, the commissioner shall consider the best interests of each sibling, given each child's age and developmental level and the continuation of the sibling relationship. If the child and his or her sibling both reside within the state and within fifty miles of each other, the commissioner shall, within available appropriations, ensure that such child's visits with his or her sibling occur, on average, not less than once per week, unless the commissioner finds that the frequency of such visitation is not in the best interests of each sibling.

(d) In the event of a pandemic or outbreak of a communicable disease resulting in a declaration of a public health emergency by the Governor pursuant to section 19a-131a, or a declaration of a national emergency by the President of the United States, such child shall be provided opportunities to communicate with such child's parents and siblings by telephonic, video or other conferencing platform in lieu of in-person visitation, for the duration of any such declaration. Not later than January 1, 2022, the commissioner shall develop a policy that requires the temporary cessation of in-person visitation provided pursuant to this section, on a case-by-case basis, in the event that a child or such child's parent or sibling is seriously ill due to a communicable disease, and visitation could result in the contraction of such disease by one or more participants in the visitation. Such policy shall require that such child be provided an opportunity to communicate with such child's parents and siblings by telephonic, video or other conferencing platform in lieu of such visitation. The commissioner shall define "seriously ill" and "communicable disease" for the purposes of carrying out this subsection.

Substitute Senate Bill No. 2

[[d]] (e) The commissioner shall include in each child's case record information relating to the factors considered in making visitation determinations pursuant to this section. If the commissioner determines that such visits are not in the best interests of the child, that the occurrence of, on average, not less than one visit per week with his or her sibling is not in the best interests of each sibling, or that the number, frequency or duration of the visits requested by the child's attorney or guardian ad litem is not in the best interests of the child, the commissioner shall include the reasons for such determination in the child's case record.

[(e)] (f) On or before October first of each year, the commissioner shall report, in accordance with the provisions of section 11-4a, to the joint standing committee of the General Assembly having cognizance of matters relating to children, data sufficient to demonstrate compliance with subsections (a), (c) and [[d]] (e) of this section. Such data shall include the total annual number of children in out-of-home placements who have siblings, the total number of child cases with documented sibling visitation and the number of individual siblings involved in each case.

Sec. 22. (NEW) (*Effective July 1, 2021*) Not later than February 1, 2022, the Commissioner of Children and Families shall develop and maintain a software application for use on computers and mobile devices to facilitate (1) the reporting of nonemergent incidents to the Department of Children and Families by mandated reporters, and (2) communication between children in the care and custody of the commissioner and social workers assigned to such children.

Sec. 23. Section 17a-103d of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) Upon receiving a complaint of abuse or neglect of a child, the Department of Children and Families shall, at the time of any initial

Substitute Senate Bill No. 2

face-to-face contact with the child's parent or guardian on or after October 1, [2011] 2021, provide the parent or guardian with (1) written notice, in plain language, that: [(1)] (A) The parent or guardian is not required to permit the representative of the department to enter the residence of the parent or guardian; [(2)] (B) the parent or guardian is not required to speak with the representative of the department at that time; [(3)] (C) the parent or guardian is entitled to seek the representation of an attorney and to have an attorney present when the parent or guardian is questioned by a representative of the department, including at any meeting conducted to determine whether the parent or guardian's child should be removed from the home; [(4)] (D) any statement made by the parent, guardian or other family member may be used against the parent or guardian in an administrative or court proceeding; [(5)] (E) the representative of the department is not an attorney and cannot provide legal advice to the parent or guardian; [(6)] (F) the parent or guardian is not required to sign any document presented by the representative of the department, including, but not limited to, a release of claims or a service agreement, and is entitled to have an attorney review such document before agreeing to sign the document; and [(7)] (G) a failure of the parent or guardian to communicate with a representative of the department may have serious consequences, which may include the department's filing of a petition for the removal of the child from the home of the parent or guardian, and therefore it is in the parent's or guardian's best interest to either speak with the representative of the department or immediately seek the advice of a qualified attorney; and (2) a list of providers of free and low-cost legal services through which the parent or guardian may obtain legal advice.

(b) The department shall make reasonable efforts to ensure that the notice and list provided to a parent or guardian pursuant to this section [is] are written in a manner that will be understood by the parent or guardian, which reasonable efforts shall include, but not be limited to,

Substitute Senate Bill No. 2

ensuring that the notice [is] and list are written in a language understood by the parent or guardian.

(c) The representative of the department shall request the parent or guardian to sign and date the notice described in subsection (a) of this section as evidence of having received the notice and list. If the parent or guardian refuses to sign and date the notice upon such request, the representative of the department shall specifically indicate on the notice that the parent or guardian was requested to sign and date the notice and refused to do so and the representative of the department shall sign the notice as witness to the parent's or guardian's refusal to sign the notice. The department shall provide the parent or guardian with a copy of the signed notice at the time of the department's initial face-to-face contact with the parent or guardian.

Sec. 24. Section 17a-248g of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) Subject to the provisions of this section, funds appropriated to the lead agency for purposes of section 17a-248, sections 17a-248b to 17a-248f, inclusive, this section and sections 38a-490a and 38a-516a shall not be used to satisfy a financial commitment for services that would have been paid from another public or private source but for the enactment of said sections, except for federal funds available pursuant to Part C of the Individuals with Disabilities Education Act, 20 USC 1431 et seq., except that whenever considered necessary to prevent the delay in the receipt of appropriate early intervention services by the eligible child or family in a timely fashion, funds provided under said sections may be used to pay the service provider pending reimbursement from the public or private source that has ultimate responsibility for the payment.

(b) Nothing in section 17a-248, sections 17a-248b to 17a-248f, inclusive, this section and sections 38a-490a and 38a-516a shall be construed to permit the Department of Social Services or any other state

Substitute Senate Bill No. 2

agency to reduce medical assistance pursuant to this chapter or other assistance or services available to eligible children. Notwithstanding any provision of the general statutes, costs incurred for early intervention services that otherwise qualify as medical assistance that are furnished to an eligible child who is also eligible for benefits pursuant to this chapter shall be considered medical assistance for purposes of payments to providers and state reimbursement to the extent that federal financial participation is available for such services.

(c) Providers of early intervention services shall, in the first instance and where applicable, seek payment from all third-party payers prior to claiming payment from the birth-to-three system for services rendered to eligible children, provided, for the purpose of seeking payment from the Medicaid program or from other third-party payers as agreed upon by the provider, the obligation to seek payment shall not apply to a payment from a third-party payer who is not prohibited from applying such payment, and who will apply such payment, to an annual or lifetime limit specified in the third-party payer's policy or contract.

(d) The commissioner, in consultation with the Office of Policy and Management and the Insurance Commissioner, shall adopt regulations, pursuant to chapter 54, providing public reimbursement for deductibles and copayments imposed under an insurance policy or health benefit plan to the extent that such deductibles and copayments are applicable to early intervention services.

(e) [The commissioner shall establish and periodically revise, in accordance with this section, a schedule of fees based on a sliding scale for early intervention services. The schedule of fees shall consider the cost of such services relative to the financial resources of the state and the parents or legal guardians of eligible children, provided that on and after October 6, 2009, the commissioner shall (1) charge fees to such parents or legal guardians that are sixty per cent greater than the amount of the fees charged on the date prior to October 6, 2009; and (2)

Substitute Senate Bill No. 2

charge fees for all services provided, including those services provided in the first two months following the enrollment of a child in the program. Fees may be charged to any such parent or guardian, regardless of income, and shall be charged to any such parent or guardian with a gross annual family income of forty-five thousand dollars or more, except that no fee may be charged to the parent or guardian of a child who is eligible for Medicaid. Notwithstanding the provisions of subdivision (8) of section 17a-248, as used in this subsection, "parent" means the biological or adoptive parent or legal guardian of any child receiving early intervention services. The lead agency may assign its right to collect fees to a designee or provider participating in the early intervention program and providing services to a recipient in order to assist the provider in obtaining payment for such services. The commissioner may implement procedures for the collection of the schedule of fees while in the process of adopting or amending such criteria in regulation, provided the commissioner posts notice of intention to adopt or amend the regulations on the eRegulations System, established pursuant to section 4-173b, within twenty days of implementing the policy. Such collection procedures and schedule of fees shall be valid until the time the final regulations or amendments are effective] The commissioner shall not charge a fee for early intervention services to the parents or legal guardians of eligible children.

(f) [The] With respect to early intervention services rendered prior to the effective date of this section, the commissioner shall develop and implement procedures to hold a recipient harmless for the impact of pursuit of payment for [early intervention] such services against lifetime insurance limits.

(g) Notwithstanding any provision of title 38a relating to the permissible exclusion of payments for services under governmental programs, no such exclusion shall apply with respect to payments made

Substitute Senate Bill No. 2

pursuant to section 17a-248, sections 17a-248b to 17a-248f, inclusive, this section and sections 38a-490a and 38a-516a. Except as provided in this subsection, nothing in this section shall increase or enhance coverages provided for within an insurance contract subject to the provisions of section 10-94f, subsection (a) of section 10-94g, subsection (a) of section 17a-219b, subsection (a) of section 17a-219c, sections 17a-248, 17a-248b to 17a-248f, inclusive, this section, and sections 38a-490a and 38a-516a.

Sec. 25. Subdivision (10) of subsection (a) of section 10-76d of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(10) (A) Each local and regional board of education responsible for providing special education and related services to a child or pupil shall notify the parent or guardian of a child who requires or who may require special education, a pupil if such pupil is an emancipated minor or eighteen years of age or older who requires or who may require special education or a surrogate parent appointed pursuant to section 10-94g, in writing, at least five school days before such board proposes to, or refuses to, initiate or change the child's or pupil's identification, evaluation or educational placement or the provision of a free appropriate public education to the child or pupil.

(B) Upon request by a parent, guardian, pupil or surrogate parent, the responsible local or regional board of education shall provide such parent, guardian, pupil or surrogate parent an opportunity to meet with a member of the planning and placement team designated by such board prior to the referral planning and placement team meeting at which the assessments and evaluations of the child or pupil who requires or may require special education is presented to such parent, guardian, pupil or surrogate parent for the first time. Such meeting shall be for the sole purpose of discussing the planning and placement team process and any concerns such parent, guardian, pupil or surrogate parent has regarding the child or pupil who requires or may require

Substitute Senate Bill No. 2

special education.

(C) Such parent, guardian, pupil or surrogate parent shall (i) be given at least five school days' prior notice of any planning and placement team meeting conducted for such child or pupil, (ii) have the right to be present at and participate in all portions of such meeting at which an educational program for such child or pupil is developed, reviewed or revised, [and] (iii) have the right to have (I) advisors of such person's own choosing and at such person's own expense, [and to have] (II) the school paraprofessional assigned to such child or pupil, if any, [to be present at and to] and (III) such child or pupil's birth-to-three service coordinator, if any, attend and participate in all portions of such meeting at which an educational program for such child or pupil is developed, reviewed or revised, and (iv) have the right to have each recommendation made in such child or pupil's birth-to-three individualized transition plan, as required by section 17a-248e, as amended by this act, if any, addressed by the planning and placement team during such meeting at which an educational program for such child or pupil is developed.

(D) Immediately upon the formal identification of any child as a child requiring special education and at each planning and placement team meeting for such child, the responsible local or regional board of education shall inform the parent or guardian of such child or surrogate parent or, in the case of a pupil who is an emancipated minor or eighteen years of age or older, the pupil of (i) the laws relating to special education, (ii) the rights of such parent, guardian, surrogate parent or pupil under such laws and the regulations adopted by the State Board of Education relating to special education, including the right of a parent, guardian or surrogate parent to (I) withhold from enrolling such child in kindergarten, in accordance with the provisions of section 10-184, and (II) have advisors and the school paraprofessional assigned to such child or pupil [to be present at, and to] attend and participate in [,]

Substitute Senate Bill No. 2

all portions of such meeting at which an educational program for such child or pupil is developed, reviewed or revised, in accordance with the provisions of subparagraph (C) of this subdivision, and (iii) any relevant information and resources relating to individualized education programs created by the Department of Education, including, but not limited to, information relating to transition resources and services for high school students. If such parent, guardian, surrogate parent or pupil does not attend a planning and placement team meeting, the responsible local or regional board of education shall mail such information to such person.

(E) Each local and regional board of education shall have in effect at the beginning of each school year an educational program for each child or pupil who has been identified as eligible for special education.

(F) At each initial planning and placement team meeting for a child or pupil, the responsible local or regional board of education shall inform the parent, guardian, surrogate parent or pupil of (i) the laws relating to physical restraint and seclusion pursuant to section 10-236b and the rights of such parent, guardian, surrogate parent or pupil under such laws and the regulations adopted by the State Board of Education relating to physical restraint and seclusion, and (ii) the right of such parent, guardian, surrogate parent or pupil, during such meeting at which an educational program for such child or pupil is developed, to have (I) such child or pupil's birth-to-three service coordinator attend and participate in all portions of such meeting, and (II) each recommendation made in the transition plan, as required by section 17a-248e, as amended by this act, by such child or pupil's birth-to-three service coordinator addressed by the planning and placement team.

(G) Upon request by a parent, guardian, pupil or surrogate parent, the responsible local or regional board of education shall provide the results of the assessments and evaluations used in the determination of eligibility for special education for a child or pupil to such parent,

Substitute Senate Bill No. 2

guardian, surrogate parent or pupil at least three school days before the referral planning and placement team meeting at which such results of the assessments and evaluations will be discussed for the first time.

(H) Each local or regional board of education shall monitor the development of each child who, pursuant to subsection (a) of section 17a-248e, as amended by this act, has been (i) referred for a registration on a mobile application designated by the Commissioner of Early Childhood, in partnership with such child's parent, guardian or surrogate parent, or (ii) provided a form for such child's parent, guardian or surrogate parent to complete and submit to such local or regional board of education that screens for developmental and social-emotional delays using a validated screening tool, such as the Ages and Stages Questionnaire and the Ages and Stages Social-Emotional Questionnaire, or its equivalent. If such monitoring results in suspecting a child of having a developmental delay, the board shall schedule a planning and placement team meeting with such child's parent, guardian or surrogate parent for the purposes of identifying services for which such child may be eligible, including, but not limited to, a preschool program under Part B of the Individuals with Disabilities Act, 20 USC 1471 et seq. If a parent, guardian or surrogate parent of any child referred for a registration on the mobile application or provided a form to complete and submit pursuant to subsection (a) of section 17a-248e, as amended by this act, fails to complete such registration or complete and submit such form after a period of six months from the date of such referral or provision of such form, the board shall send a reminder, in the form and manner determined by the board, to such parent, guardian or surrogate parent to complete such registration or complete and submit such form. The board shall send another reminder after a period of one year from such referral or provision of such form if such registration remains incomplete or such form is not submitted.

Sec. 26. Subsection (i) of section 10-76d of the general statutes is

Substitute Senate Bill No. 2

repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(i) (1) No local or regional board of education shall discipline, suspend, terminate or otherwise punish any member of a planning and placement team employed by such board who discusses or makes recommendations concerning the provision of special education and related services for a child during a planning and placement team meeting for such child.

(2) No birth-to-three service coordinator or qualified personnel, as those terms are defined in section 17a-248, who discusses or makes recommendations concerning the provision of special education and related services for a child during a planning and placement team meeting for such child or in a transition plan, as required by section 17a-248e, as amended by this act, shall be subject to discipline, suspension, termination or other punishment on the basis of such recommendations.

Sec. 27. Subsection (a) of section 17a-248e of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) Each eligible child and his or her family shall receive (1) a multidisciplinary assessment of the child's unique needs and the identification of services appropriate to meet such needs, (2) a written individualized family service plan developed by a multidisciplinary team, including the parent, within forty-five days after the referral, [and] (3) review of the individualized family service plan with the family at least every six months, with evaluation of the individualized family service plan at least annually, and (4) not later than two months after the date on which any child is determined to be ineligible for participation in preschool programs under Part B of the Individuals with Disabilities Act, 20 USC 1471 et seq., a referral to register for a mobile application designated by the Commissioner of Early Childhood

Substitute Senate Bill No. 2

for the purpose of continued screening for developmental and social-emotional delays in partnership with the local or regional board of education for the school district in which such child resides pursuant to subparagraph (H) of subdivision (10) of subsection (a) of section 10a-76d, as amended by this act, provided a form used for screening for developmental and social-emotional delays using a validated screening tool, such as the Ages and Stages Questionnaire and the Ages and Stages Social-Emotional Questionnaire, or its equivalent, is provided to any family upon the request of such family for the purpose of completing and submitting such form to the local or regional board of education for the school district in which such child resides.

Sec. 28. (NEW) (*Effective from passage*) Not later than July 1, 2022, the Commissioner of Early Childhood shall develop and implement a plan to expand the birth-to-three program, established pursuant to section 17a-248b of the general statutes, as amended by this act, to provide early intervention services to any child who is (1) enrolled in the program, (2) turns three years of age on or after May first and not later than the first day of the next school year commencing July first, and (3) is eligible for participation in preschool programs under Part B of the Individuals with Disabilities Act, 20 USC 1471 et seq., provided such services shall terminate upon such child's participation in such a preschool program. The commissioner may adopt regulations in accordance with chapter 54 of the general statutes to implement the provisions of this section.

Sec. 29. (NEW) (*Effective July 1, 2021*) For the school year commencing July 1, 2022, and each school year thereafter, in any school district that serves a town that has not convened or established a local or regional school readiness council pursuant to section 10-16r of the general statutes, the local or regional board of education for such school district shall designate a school readiness liaison. Such liaison shall (1) be an existing employee of such school district, and (2) serve as an informational resource for parents of children transitioning from the
