

## General Assembly

Substitute Bill No. 476

February Session, 2022

## AN ACT CONCERNING THE OFFICE OF HEALTH STRATEGY'S RECOMMENDATIONS REGARDING VARIOUS REVISIONS TO COMMUNITY BENEFITS PROGRAMS ADMINISTERED BY HOSPITALS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 Section 1. Section 19a-127k of the general statutes is repealed and the
- 2 following is substituted in lieu thereof (*Effective January 1, 2023*):
- 3 (a) As used in this section:
- 4 (1) "Community benefit partners" means federal, state and municipal
- 5 government entities and private sector entities, including, but not
- 6 limited to, faith-based organizations, businesses, educational and
- 7 academic organizations, health care organizations, health departments,
- 8 philanthropic organizations, organizations specializing in housing
- 9 justice, planning and land use organizations, public safety
- 10 organizations, transportation organizations and tribal organizations,
- that, in partnership with hospitals, play an essential role with respect to
- 12 the policy, system, program and financing solutions necessary to
- 13 achieve community benefit program goals;
- 14 [(1)] (2) "Community [benefits] benefit program" means any
- 15 voluntary program or activity to promote preventive health care,

- 16 protect health and safety, improve health equity and reduce health
- 17 <u>disparities, reduce the cost and economic burden of poor health</u> and [to]
- improve the health status for [working families and] <u>all</u> populations [at
- 19 risk in the communities] within the geographic service areas of a
- 20 [managed care organization or a] hospital, [in accordance with
- 21 guidelines established pursuant to subsection (c) of this section;
- 22 (2) "Managed care organization" has the same meaning as provided
- 23 in section 38a-478; regardless of whether a member of any such
- 24 population is a patient of such hospital;
- 25 (3) "Community benefit program reporting" means the community
- 26 <u>health needs assessment, implementation strategy and annual report</u>
- 27 <u>submitted by a hospital to the Office of Health Strategy pursuant to the</u>
- 28 provisions of this section;
- 29 (4) "Community health needs assessment" means a written
- 30 assessment, as described in 26 CFR 1.501(r)-(3);
- 31 (5) "Health disparities" means health differences that are closely
- 32 linked with social or economic disadvantages that adversely affect one
- or more groups of people who have experienced greater systemic social
- 34 <u>or economic obstacles to health or a safe environment based on race or</u>
- 35 <u>ethnicity, religion, socioeconomic status, gender, age, mental health,</u>
- 36 <u>cognitive</u>, sensory or physical disability, sexual orientation, gender
- 37 <u>identity, geographic location or other characteristics historically linked</u>
- 38 <u>to discrimination or exclusion;</u>
- 39 (6) "Health equity" means that every person has a fair and just
- 40 opportunity to be as healthy as possible, which encompasses removing
- 41 <u>obstacles</u> to health, such as poverty, racism and the adverse
- 42 consequences of poverty and racism, including, but not limited to, a lack
- 43 of equitable opportunities, access to good jobs with fair pay, quality
- 44 education and housing, safe environments and health care;
- 45 [(3)] (7) "Hospital" [has the same meaning as provided in section 19a-
- 46 490.] means a nonprofit entity licensed as a hospital pursuant to chapter

- 47 368v that is required to annually file Internal Revenue Service form 990.
- 48 "Hospital" includes a for-profit entity licensed as an acute care general
- 49 <u>hospital;</u>
- 50 (8) "Implementation strategy" means a written plan, as described in
- 51 26 CFR 1.501(r)-(3), that is adopted by an authorized body of a hospital
- 52 and documents how such hospital intends to address the needs
- 53 identified in the community health needs assessment; and
- 54 (9) "Meaningful participation" means that (A) residents of a hospital's
- 55 <u>community</u>, including, but not limited to, residents of such community
- 56 that experience the greatest health disparities, have an appropriate
- 57 opportunity to participate in such hospital's planning and decisions, (B)
- 58 community participation influences a hospital's planning, and (C)
- 59 participants receive information from a hospital summarizing how their
- 60 <u>input was or was not used by such hospital.</u>
- 61 (b) [On or before January 1, 2005, and biennially thereafter, each
- 62 managed care organization and On and after January 1, 2023, each
- 63 hospital shall submit community benefit program reporting to the
- 64 [Healthcare Advocate, or the Healthcare Advocate's designee, a report
- on whether the managed care organization or hospital has in place a
- 66 community benefits program. If a managed care organization or
- 67 hospital elects to develop a community benefits program, the report
- 68 required by this subsection shall comply with the reporting
- 69 requirements of subsection (d) of this section Office of Health Strategy,
- or to a designee selected by the executive director of the Office of Health
- 71 Strategy, in the form and manner described in subsections (c) to (e),
- 72 inclusive, of this section.
- 73 [(c) A managed care organization or hospital may develop
- community benefit guidelines intended to promote preventive care and
- 75 to improve the health status for working families and populations at
- 76 risk, whether or not those individuals are enrollees of the managed care
- 77 plan or patients of the hospital. The guidelines shall focus on the
- 78 following principles:

- (1) Adoption and publication of a community benefits policy statement setting forth the organization's or hospital's commitment to a formal community benefits program;
- (2) The responsibility for overseeing the development and implementation of the community benefits program, the resources to be allocated and the administrative mechanisms for the regular evaluation of the program;
- (3) Seeking assistance and meaningful participation from the communities within the organization's or hospital's geographic service areas in developing and implementing the program and in defining the targeted populations and the specific health care needs it should address. In doing so, the governing body or management of the organization or hospital shall give priority to the public health needs outlined in the most recent version of the state health plan prepared by the Department of Public Health pursuant to section 19a-7; and
- (4) Developing its program based upon an assessment of the health care needs and resources of the targeted populations, particularly low and middle-income, medically underserved populations and barriers to accessing health care, including, but not limited to, cultural, linguistic and physical barriers to accessible health care, lack of information on available sources of health care coverage and services, and the benefits of preventive health care. The program shall consider the health care needs of a broad spectrum of age groups and health conditions.]
- (c) Each hospital shall submit its community health needs assessment to the Office of Health Strategy not later than thirty days after the date on which such assessment is made available to the public pursuant to 26 CFR 1.501(r)-(3)(b), provided the executive director of the Office of Health Strategy, or the executive director's designee, may grant an extension of time to a hospital for the filing of such assessment. Such submission shall contain the following:
- (1) Consistent with the requirements set forth in 26 CFR 1.501(r)-

110	(3)(b)(6)(i), and as included in a hospital's federal filing submitted to the			
111	Internal Revenue Service:			
112	(A) A definition of the community served by the hospital and a			
113				
114	(B) A description of the process and methods used to conduct the			
115	community health needs assessment;			
116	(C) A description of how the hospital solicited and took into account			
117	input received from persons who represent the broad interests of the			
118	community it serves;			
119	(D) A prioritized description of the significant health needs of the			
120	community identified through the community health needs assessment,			
121	and a description of the process and criteria used in identifying certain			
122	health needs as significant and prioritizing those significant health			
123	needs;			
124	(E) A description of the resources potentially available to address the			
125	significant health needs identified through the community health needs			
126	assessment;			
127	(F) An evaluation of the impact of any actions that were taken, since			
128	the hospital finished conducting its immediately preceding community			
129	health needs assessment, to address the significant health needs			
130	identified in the hospital's prior community health needs assessment;			
131	<u>and</u>			
132	(2) Additional documentation of the following:			
133	(A) The names of the individuals responsible for developing the			
134	community health needs assessment;			
135	(B) The demographics of the population within the geographic			
136	service area of the hospital and, to the extent feasible, a detailed			
137	description of the health disparities, health risks, insurance status,			

138	service utilization patterns and health care costs within such geographic
139	service area;
140	(C) A description of the health status and health disparities affecting
141	the population within the geographic service area of the hospital,
142	including, but not limited to, the health status and health disparities
143	affecting a representative spectrum of age, racial and ethnic groups,
144	incomes and medically underserved populations;
145	(D) A description of the meaningful participation afforded to
146	community benefit partners and diverse community members in
147	assessing community health needs, priorities and target populations;
148	(E) A description of the barriers to achieving or maintaining health
149	and to accessing health care, including, but not limited to, social,
150	economic and environmental barriers, lack of access to or availability of
151	sources of health care coverage and services and a lack of access to and
152	availability of prevention and health promotion services and support;
153	(F) Recommendations regarding the role that the state and other
154	community benefit partners could play in removing the barriers
155	described in subparagraph (E) of this subdivision and enabling effective
156	solutions; and
157	(G) Any additional information, data or disclosures that the hospital
158	voluntarily chooses to include as may be relevant to its community
159	benefit program.
160	(d) Each hospital shall submit its implementation strategy to the
161	Office of Health Strategy not later than thirty days after the date on
162	which such implementation strategy is adopted pursuant to 26 CFR
163	1.501(r)-(3)(c), provided the executive director of the Office of Health
164	Strategy, or the executive director's designee, may grant an extension to
165	a hospital for the filing of such implementation strategy. Such
166	submission shall contain the following:
167	(1) Consistent with the requirements set forth in 26 CFR 1.501(r)-

168	(3)(b)(6)(i), and as included in a hospital's federal filing submitted to the		
169			
170	(A) TAY: the manuscript of the sign of the state manufacture of the state of the st		
170	(A) With respect to each significant health need identified through		
171	the community health needs assessment, either (i) a description of how		
172	the hospital plans to address the health need, or (ii) identification of the		
173	health need as one which the hospital does not intend to address;		
174	(B) For significant health needs described in subparagraph (A)(i) of		
175	this subdivision, (i) a description of the actions that the hospital intends		
176	to take to address the health need and the anticipated impact of such		
177	actions, (ii) identification of the resources that the hospital plans to		
178	commit to address the health need, and (iii) a description of any planned		
179	collaboration between the hospital and other facilities or organizations		
180	to address the health need;		
101	(C) For significant books model doublished in submons your (A)(ii) of		
181	(C) For significant health needs identified in subparagraph (A)(ii) of		
182	this subdivision, an explanation of why the hospital does not intend to		
183	address such health need; and		
184	(2) Additional documentation of the following:		
185	(A) The names of the individuals responsible for developing the		
186	implementation strategy;		
187	(B) A description of the meaningful participation afforded to		
188	community benefit partners and diverse community members;		
100	community benefit partiters and diverse community members,		
189	(C) A description of the community health needs and health		
190	disparities that were prioritized in developing the implementation		
191	strategy with consideration given to the most recent version of the state		
192	health plan prepared by the Department of Public Health pursuant to		
193	section 19a-7;		
104	(D) Potomongo siting oxidence if excitable that shows have the		
194	(D) Reference-citing evidence, if available, that shows how the		
195	implementation strategy is intended to address the corresponding		
196	health need or reduction in health disparity;		

- 197 <u>(E) A description of the planned methods for the ongoing evaluation</u> 198 <u>of proposed actions and corresponding process or outcome measures</u> 199 <u>intended for use in assessing progress or impact;</u>
- 200 <u>(F) A description of how the hospital solicited commentary on the</u> 201 <u>implementation strategy from the communities within such hospital's</u> 202 <u>geographic service area and revisions to such strategy based on such</u> 203 <u>commentary; and</u>
- 204 (G) Any other information that the hospital voluntarily chooses to
  205 include as may be relevant to its implementation strategy, including, but
  206 not limited to, data, disclosures, expected or planned resource outlay,
  207 investments or commitments, including, but not limited to, staff,
  208 financial or in-kind commitments.
  - [(d) Each managed care organization and each hospital that chooses to participate in developing a community benefits program shall include in the biennial report required by subsection (b) of this section the status of the program, if any, that the organization or hospital established. If the managed care organization or hospital has chosen to participate in a community benefits program, the report shall include the following components: (1) The community benefits policy statement of the managed care organization or hospital; (2) the mechanism by which community participation is solicited and incorporated in the community benefits program; (3) identification of community health needs that were considered in developing and implementing the community benefits program; (4) a narrative description of the community benefits, community services, and preventive health education provided or proposed, which may include measurements related to the number of people served and health status outcomes; (5) measures taken to evaluate the results of the community benefits program and proposed revisions to the program; (6) to the extent feasible, a community benefits budget and a good faith effort to measure expenditures and administrative costs associated with the community benefits program, including both cash and in-kind commitments; and (7) a summary of the extent to which the managed care organization or

- 230 hospital has developed and met the guidelines listed in subsection (c) of
- this section. Each managed care organization and each hospital shall
- 232 make a copy of the report available, upon request, to any member of the
- 233 public.]
- (e) On or before October 1, 2023, and annually thereafter, each
- 235 hospital shall submit to the Office of Health Strategy a status report on
- such hospital's community benefit program, provided the executive
- 237 director of the Office of Health Strategy, or the executive director's
- 238 designee, may grant an extension to a hospital for the filing of such
- 239 report. Such report shall include the following:
- 240 (1) A description of major updates regarding community health
- 241 needs, priorities and target populations, if any;
- 242 (2) A description of progress made regarding the hospital's actions in
- 243 <u>support of its implementation strategy;</u>
- 244 (3) A description of any major changes to the proposed
- 245 <u>implementation strategy and associated hospital actions; and</u>
- 246 (4) A description of financial resources and other resources allocated
- or expended that supported the actions taken in support of the hospital's
- 248 <u>implementation strategy.</u>
- 249 (f) Notwithstanding the provisions of section 19a-755a, and to the full
- 250 extent permitted by 45 CFR 164.514(e), the Office of Health Strategy
- 251 shall make data in the all-payer claims database available to hospitals
- 252 for use in their community benefit programs and activities solely for the
- 253 purposes of (1) preparing the hospital's community health needs
- assessment, (2) preparing and executing the hospital's implementation
- 255 strategy, and (3) fulfilling community benefit program reporting, as
- described in subsections (c) to (e), inclusive, of this section. Any
- 257 disclosure made by said office pursuant to this subsection of
- information other than health information shall be made in a manner to
- 259 protect the confidentiality of such information as may be required by
- 260 state or federal law.

- 261 (g) A hospital shall not be responsible for limitations in its ability to
  262 fulfill community benefit program reporting requirements, as described
  263 in subsections (c) to (e), inclusive, of this section, if the all-payer claims
  264 database data is not provided to such hospital, as required by subsection
  265 (f) of this section.
- 266 [(e)] (h) [The Healthcare Advocate, or the Healthcare Advocate's designee, shall, within available appropriations, On or before April 1, 267 2024, and annually thereafter, the executive director of the Office of 268 Health Strategy shall develop a summary and analysis of the 269 270 community benefits program [reports] reporting submitted by 271 [managed care organizations and] hospitals under this section [and shall 272 review such reports for adherence to the guidelines set forth in 273 subsection (c) of this section. Not later than October 1, 2005, and 274 biennially thereafter, the Healthcare Advocate, or the Healthcare 275 Advocate's designee, shall make such summary and analysis available 276 to the public upon request.] during the previous calendar year and post such summary and analysis on its Internet web site and solicit 277 278 stakeholder input through a public comment period. The Office of 279 Health Strategy shall use such reporting and stakeholder input to:
  - (1) Identify additional stakeholders that may be engaged to address identified community health needs including, but not limited to, federal, state and municipal entities, nonhospital private sector health care providers and private sector entities that are not health care providers, including community-based organizations, insurers and charitable organizations;
- 286 (2) Determine how each identified stakeholder could assist in 287 addressing identified community health needs or augmenting solutions 288 or approaches reported in the implementation strategies;
- (3) Determine whether to make recommendations to the Department
   of Public Health in the development of its state health plan; and
- 291 (4) Inform the state-wide health care facilities and services plan
