

Substitute Senate Bill No. 954

Public Act No. 21-184

AN ACT REQUIRING THE REPORTING OF ACCIDENTS THAT RESULTED IN SERIOUS PHYSICAL INJURIES OR DEATH AT INSTITUTIONS OF HIGHER EDUCATION.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Subsections (a) and (b) of section 10a-55a of the general statutes are repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) [On or before October 1, 1991, and annually thereafter, each] Each institution of higher education shall annually prepare [in such manner as the president of the Connecticut State Colleges and Universities shall prescribe] a uniform campus crime and safety incident report concerning crimes committed and accidents occurring in the immediately preceding calendar year within the geographical limits of the property owned or under the control of such institution. [Such] The portions of such report concerning criminal offenses shall be in accordance with the uniform crime reporting system pursuant to section 29-1c, provided such report is limited to those offenses included in part I of the most recently published edition of the Uniform Crime Reports for the United States as authorized by the Federal Bureau of Investigation and the United States Department of Justice, sexual assault under section 53a-70b of the general statutes, revision of 1958, revised

Substitute Senate Bill No. 954

to January 1, 2019, or sections 53a-70, 53a-70a, 53a-71, 53a-72a, 53a-72b and 53a-73a, stalking under sections 53a-181c, 53a-181d and 53a-181e and family violence as designated under section 46b-38h. The state police, local police departments and special police forces established pursuant to section 10a-156b shall cooperate with institutions of higher education in preparing such reports. Institutions with more than one campus shall prepare such reports for each campus.

(b) Each annual report prepared pursuant to subsection (a) of this section shall include (1) the number of full-time equivalent students, (2) the number of full-time equivalent employees, (3) the number of students and employees residing in campus housing, [and] (4) for any accident that occurred during the immediately preceding calendar year within the geographical limits of the property owned or under the control of an institution of higher education, including, but not limited to, campuses or dormitories in another country owned or under the control of an institution of higher education for the purposes of an international studies or international exchange program, (A) the number of such accidents that resulted in serious physical injury, as defined in section 53a-3, and (B) the number of such accidents that resulted in death, and (5) for each category of criminal offense, the number of incidents reported and the crime rate. The crime rate shall be equal to the number of incidents reported divided by the total number of full-time equivalent students and employees.
