

MURIEL BOWSER
MAYOR

JAN 7 2019

2019 JAN -7 AM 9:44
OFFICE OF THE
SECRETARY

The Honorable Phil Mendelson
Chairman
Council of the District of Columbia
1350 Pennsylvania Ave., NW, Suite 504
Washington, D.C. 20004

Dear Chairman Mendelson:

Enclosed for consideration and approval by the Council of the District of Columbia is a bill entitled the "Landlord Accountability through Expedited Receivership Amendment Act of 2019."

This bill amends D.C. Official Code § 42-3651.01, et seq., the Tenant Receivership Act, by strengthening and expediting the rent receivership process to hold landlords accountable for living conditions that pose serious threats to the health, safety or security of tenants. The Executive believes that the measures contained in this bill will empower the Department of Consumer and Regulatory Affairs ("DCRA") and the Office of the Attorney General ("OAG"), working together, to act more quickly, more accountably and with tougher enforcement tools to improve the lives of the District's most vulnerable tenant populations.

The proposed legislation:

- Creates a permissive statutory mechanism whereby the Mayor may submit a written request asking the OAG to petition the Superior Court to appoint a receiver, and the OAG has 5 business days to either file a petition for receivership, or notify the Mayor that OAG is declining to file a petition;
- Shortens the statutory time for the Court hearing on the petition from 30 days to 10;
- Eliminates the 14-day expiration date for an order of receivership entered *ex parte*;
- Requires the Court to retain and monitor all cases, including those where the Court accepts the landlord's abatement plan, until all conditions are abated;
- Permits the Court to order any "owner" to contribute funds in excess of the rents received, to fund the abatement, reimburse the District, relocate tenants, and to operate and maintain the building while in receivership;
- Defines an "owner" as any person or entity with "charge, care, or control of the subject rental accommodation, whether as owner or member, in whole or in part, of the legally titled owner;" and

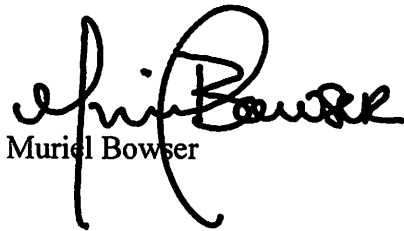

- Requires that all expenses associated with D.C. abatement, and all fines, infractions or penalties from code violations, be paid in full before a receivership can be terminated.

DCRA worked closely with the Housing and Community Justice Section of the OAG to identify these necessary improvements to the receivership law. As learned from recent, high-profile receivership proceedings, the process takes too long, petitioners encounter too many obstacles, and landlords know how to maneuver the current system to their advantage in Superior Court. The proposed amendments will disarm these landlords from hiding behind LLCs and other corporate structures, hold them more immediately and more directly accountable, and will incent them to abate violations proactively.

I urge prompt consideration and scheduling of a public hearing on this legislation, and look forward to working with Council to adopt these urgently needed amendments to the tenant receivership process.

If you have any questions on this matter, please contact Ernest Chrappah, Interim Director, Department of Consumer and Regulatory Affairs, at (202) 442-8935.

Sincerely,

Muriel Bowser

Chairman Phil Mendelson
at the request of the Mayor

A BILL

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To amend the Abatement and Condemnation of Nuisance Properties Omnibus Amendment Act of 2000 to create an expedited timetable for the appointment of a receiver for a rental housing accommodation if conditions seriously threaten the tenants' health, safety, or security; to create a mechanism for the Mayor to submit a written request to the Office of the Attorney General of the District of Columbia to petition the Superior Court to appoint a rent receiver; to permit the Court to, *ex parte*, issue an order appointing a receiver without expiration; to require the Court to monitor the execution of a landlord's plan to abate housing code violations; to authorize the Court to order an owner, member, or any person with charge, care, or control of the property to contribute funds in excess of the rents to abate violations, reimburse the District, relocate displaced tenants, fund up-front receivership costs, and maintain the upkeep, utilities, mortgages, and debts of the building while in receivership; and to prohibit the termination of a receivership until the District is reimbursed for all expenses associated with the receivership, all abatement costs, and all fines, infractions, and penalties arising from code violations are paid in full.

Chief Financial Officer

MEMORANDUM

TO: The Honorable Phil Mendelson
Chairman, Council of the District of Columbia

FROM: Jeffrey S. DeWitt
Chief Financial Officer 

DATE: December 27, 2018

SUBJECT: Fiscal Impact Statement – Landlord Accountability through Expedited Receivership Amendment Act of 2019

REFERENCE: Draft bill provided to the Office of Revenue Analysis on December 18, 2018

Conclusion

Funds are sufficient in the fiscal year 2019 through fiscal year 2022 budget and financial plan to implement the bill.

Background

Under current law the Office of the Attorney General (OAG) may petition a Court to place a rental housing property into receivership, if the property poses a threat to the health, safety, or security of tenants. While under receivership, a third-party receiver manages the property, collecting rent and making improvements to the property to meet health and safety standards.

The bill authorizes the Mayor to request OAG to petition a Court to place a specific property into receivership and outlines a process for such a request. The bill also shortens the timeframe for when a hearing on the petition must be held from 30 days to no more than ten business days.

The bill authorizes the Court to order owners of the subject rental housing property to contribute funds (in addition to normal rent revenue) to make repairs to the property, reimburse the District for any repairs made, relocate displaced tenants, pay for receivership costs, or pay for any other costs associated with the ordinary business of the property. The Court may not terminate the receivership until the District is reimbursed for all expenses related to repairs, fines, infractions, and penalties.

Financial Plan Impact

Funds are sufficient in the fiscal year 2019 through fiscal year 2022 budget and financial plan to implement the bill. The changes made to the receivership process do not require any additional resources for the Department of Consumer and Regulatory Affairs (DCRA) or OAG. DCRA already refers cases to OAG. The bill outlines a more specific process but does not change current practice. OAG will retain its ability to independently determine which cases to pursue within its current resources.
