(c) If first-class United States mail sent under subsection (b) of this section is returned to the holder undelivered by the United States Postal Service, the security is presumed abandoned 3 years after the date the mail is returned.

Sec. 7013. When related property presumed abandoned.

At and after the time property is presumed abandoned under this subtitle, any other property right or interest accrued or accruing from the property and not previously presumed abandoned is also presumed abandoned.

Sec. 7014. Indication of apparent owner interest in property.

- (a) The period after which property is presumed abandoned is measured from the later of:
 - (1) The date the property is presumed abandoned under this part; or
 - (2) The latest indication of interest by the apparent owner in the property.
- (b) Under this subtitle, an indication of an apparent owner's interest in property includes:
 - (1) A record communicated by the apparent owner to the holder or agent of the holder concerning the property or the account in which the property is held;
 - (2) An oral communication by the apparent owner to the holder or agent of the holder concerning the property or the account in which the property is held, if the holder or its agent contemporaneously makes and preserves a record of the fact of the apparent owner's communication;
 - (3) Presentment of a check or other instrument of payment of a dividend, interest payment, or other distribution, or evidence of receipt of a distribution made by electronic or similar means, with respect to an account, underlying security, or interest in a business association;
 - (4) Activity directed by an apparent owner in the account in which the property is held, including accessing the account or information concerning the account, or a direction by the apparent owner to increase, decrease, or otherwise change the amount or type of property held in the account;
 - (5) A deposit into or withdrawal from an account at a financial organization, including an automatic deposit or withdrawal previously authorized by the apparent owner other than an automatic reinvestment of dividends or interest;
 - (6) Subject to subsection (e) of this section, payment of a premium on an insurance policy; and
 - (7) Any other action by the apparent owner that reasonably demonstrates to the holder that the apparent owner knows that the property exists.
- (c) An action by an agent or other representative of an apparent owner, other than the holder acting as the apparent owner's agent, is presumed to be an action on behalf of the apparent owner.
- (d) A communication with an apparent owner by a person other than the holder or the holder's representative is not an indication of interest in the property by the apparent owner unless a record of the communication evidences the apparent owner's knowledge of a right to the property.
- (e) If the insured dies or the insured or beneficiary of an insurance policy otherwise becomes entitled to the proceeds before depletion of the cash surrender value of the policy by operation of an automatic-premium-loan provision or other nonforfeiture provision contained in the policy, the operation does not prevent the policy from maturing or terminating.

Sec. 7015. Knowledge of death of insured or annuitant.

(a) In this section, “death master file” means the United States Social Security Administration Death Master File or other database or service that is at least as comprehensive as the United States Social Security Administration Death Master File for determining that an individual reportedly has died.

(b) With respect to a life or endowment insurance policy or annuity contract for which an amount is owed on proof of death, but which has not matured by proof of death of the insured or annuitant, the company has knowledge of the death of an insured or annuitant when:

(1) The company receives a death certificate or court order determining that the insured or annuitant has died;

(2) Due diligence, performed as required under section 31 of Chapter V of the Life Insurance Act, passed on 2nd reading on August 10, 2021 (Enrolled version of Bill 24-285), to maintain contact with the insured or annuitant or determine whether the insured or annuitant has died validates the death of the insured or annuitant;

(3) The company conducts a comparison for any purpose between a death master file and the names of some or all of the company’s insureds or annuitants, finds a match that provides notice that the insured or annuitant has died, and validates the death;

(4) The Administrator or the Administrator’s agent conducts a comparison for the purpose of finding matches during an examination conducted under Part 10 between a death master file and the names of some or all of the company’s insureds or annuitants, finds a match that provides notice that the insured or annuitant has died, and the company validates the death;
or

(5) The company:

(A) Receives notice of the death of the insured or annuitant from an administrator, beneficiary, policy owner, relative of the insured, or trustee or from a personal representative or other legal representative of the insured’s or annuitant’s estate; and

(B) Validates the death of the insured or annuitant.

(c) The following rules apply under this section:

(1) A death-master-file match under subsection (b)(3) or (4) of this section occurs if the criteria for an exact or partial match are satisfied as provided by:

(A) Section 7093(d) of the Revised Uniform Unclaimed Property Act of 2021, passed on 2nd reading on August 10, 2021 (Enrolled version of Bill 24-285); or

(B) A rule or policy adopted by the Mayor under section 28 of the Life Insurance Act, effective March 14, 1985 (D.C. Law 5-160; D.C. Official Code § 31-4728), or a policy of the Commissioner of the Department of Insurance, Securities, and Banking.

(2) The death-master-file match does not constitute proof of death for the purpose of submission to an insurance company of a claim by a beneficiary, annuitant, or owner of the policy or contract for an amount due under an insurance policy or annuity contract.

(3) The death-master-file match or validation of the insured’s or annuitant’s death does not alter the requirements for a beneficiary, annuitant, or owner of the policy or contract to make a claim to receive proceeds under the terms of the policy or contract.

(d) This subtitle does not affect the determination of the extent to which an insurance company before the effective date of this subtitle had knowledge of the death of an insured or annuitant or was required to conduct a death-master-file comparison to determine whether amounts owed by the company on a life or endowment insurance policy or annuity contract were presumed abandoned or unclaimed.

Sec. 7016. Deposit account for proceeds of insurance policy or annuity contract.

If proceeds payable under a life or endowment insurance policy or annuity contract are deposited into an account with check or draft-writing privileges for the beneficiary of the policy or contract and, under a supplementary contract not involving annuity benefits other than death benefits, the proceeds are retained by the insurance company or the financial organization where the account is held, the policy or contract includes the assets in the account.

Part 3. Rules for Taking Custody of Property Presumed Abandoned.

Sec. 7017. Address of apparent owner to establish priority.

In this part, the following rules apply:

(1) The last-known address of an apparent owner is any description, code, or other indication of the location of the apparent owner that identifies the state, even if the description, code, or indication of location is not sufficient to direct the delivery of first-class United States mail to the apparent owner.

(2) If the United States postal zip code associated with the apparent owner is for a post office located in the District, the District is deemed to be the state of the last-known address of the apparent owner unless other records associated with the apparent owner specifically identify the physical address of the apparent owner to be in another state.

(3) If the address under paragraph (2) of this subsection is in another state, the other state is deemed to be the state of the last-known address of the apparent owner.

(4) The address of the apparent owner of a life or endowment insurance policy or annuity contract or its proceeds is presumed to be the address of the insured or annuitant if a person other than the insured or annuitant is entitled to the amount owed under the policy or contract and the address of the other person is not known by the insurance company and cannot be determined under section 7018.

Sec. 7018. Address of apparent owner in the District.

The Administrator may take custody of property that is presumed abandoned, whether located in the District, another state, or a foreign country if:

(1) The last-known address of the apparent owner in the records of the holder is in the District; or

(2) The records of the holder do not reflect the identity or last-known address of the apparent owner, but the Administrator has determined that the last-known address of the apparent owner is in the District.

Sec. 7019. If records show multiple addresses of apparent owner.

ENROLLED ORIGINAL

(a) Except as otherwise provided in subsection (b) of this section, if records of a holder reflect multiple addresses for an apparent owner and the District is the state of the most recently recorded address, the District may take custody of property presumed abandoned, whether located in the District or another jurisdiction.

(b) If it appears from records of the holder that the most recently recorded address of the apparent owner under subsection (a) of this section is a temporary address and the District is the jurisdiction of the next most recently recorded address that is not a temporary address, the District may take custody of the property presumed abandoned.

Sec. 7020. Holder domiciled in the District.

(a) Except as otherwise provided in subsection (b) of this section or section 7018 or 7019, the Administrator may take custody of property presumed abandoned, whether located in the District, another state, or a foreign country, if the holder is domiciled in the District or is the District or a governmental subdivision, agency, or instrumentality of the District; and:

(1) Another state or foreign country is not entitled to the property because there is no last-known address of the apparent owner or other person entitled to the property in the records of the holder; or

(2) The state or foreign country of the last-known address of the apparent owner or other person entitled to the property does not provide for custodial taking of the property.

(b) Property is not subject to custody of the Administrator under subsection (a) of this section if the property is specifically exempt from custodial taking under the law of the District or the state or foreign country of the last-known address of the apparent owner.

(c) If a holder's state of domicile has changed since the time property was presumed abandoned, the holder's state of domicile in this section is deemed to be the state where the holder was domiciled at the time the property was presumed abandoned.

Sec. 7021. Custody if transaction took place in the District.

Except as otherwise provided in section 7018, 7019, or 7020, the Administrator may take custody of property presumed abandoned whether located in the District or another state if:

(1) The transaction out of which the property arose took place in the District;

(2) The holder is domiciled in a state that does not provide for the custodial taking of the property, except that if the property is specifically exempt from custodial taking under the law of the state of the holder's domicile, the property is not subject to the custody of the Administrator; and

(3) The last-known address of the apparent owner or other person entitled to the property is unknown or in a state that does not provide for the custodial taking of the property, except that if the property is specifically exempt from custodial taking under the law of the state of the last-known address, the property is not subject to the custody of the Administrator.

Sec. 7022. Traveler's check, money order, or similar instrument.

The Administrator may take custody of sums payable on a traveler's check, money order, or similar instrument presumed abandoned to the extent permissible under sections 601 through

603 of An Act To increase deposit insurance from \$20,000 to \$40,000, to provide full insurance for public unit deposits of \$100,000 per account, to establish a National Commission on Electronic Fund Transfers, and for other purposes, approved October 28, 1974 (88 Stat. 1525; 12 U.S.C. §§ 2501-2503).

Sec. 7023. Burden of proof to establish Administrator's right to custody.

If the Administrator asserts a right to custody of unclaimed property, the Administrator has the burden to prove:

- (1) The existence and amount of the property;
- (2) That the property is presumed abandoned; and
- (3) That the property is subject to the custody of the Administrator.

Part 4. Report by Holder.

Sec. 7024. Report required by holder.

(a) A holder of property presumed abandoned and subject to the custody of the Administrator shall report in a record to the Administrator concerning the property. The Administrator may not require a holder to file a paper report.

(b) A holder may contract with a third party to make the report required under subsection (a) of this section.

(c) Whether or not a holder contracts with a third party under subsection (b) of this section, the holder is responsible:

- (1) For the complete, accurate, and timely reporting of property presumed abandoned to the Administrator; and
- (2) For paying or delivering to the Administrator property described in the report.

Sec. 7025. Content of report.

(a) The report required under section 7024 shall:

- (1) Be signed by or on behalf of the holder and verified as to its completeness and accuracy;
- (2) If filed electronically, be in a secure format approved by the Administrator that protects confidential information of the apparent owner in the same manner as required of the Administrator and the Administrator's agent under Part 14;
- (3) Describe the property;
- (4) Except for a traveler's check, money order, or similar instrument, contain the name, if known, last-known address, if known, and Social Security number or taxpayer identification number, if known or readily ascertainable, of the apparent owner of property with a value of \$50 or more;
- (5) For an amount held or owing under a life or endowment insurance policy or annuity contract, contain the name and last-known address of the insured, annuitant or other apparent owner of the policy or contract and of the beneficiary;

(6) For property held in or removed from a safe-deposit box, indicate the location of the property, where it may be inspected by the Administrator, and any amounts owed to the holder under section 7038;

(7) Contain the commencement date for determining abandonment under Part 2;

(8) State that the holder has complied with the notice requirements of section 7029;

(9) Identify property that is a non-freely transferable security and explain why it is a non-freely transferable security; and

(10) Contain other information the Administrator prescribes by rules.

(b) A report under section 7024 may include personal information as defined in section 7082(a) about the apparent owner or the apparent owner's property to the extent not otherwise prohibited by federal law.

(c) If a holder has changed its name while holding property presumed abandoned or is a successor to another person that previously held the property for the apparent owner, the holder shall include in the report under section 7024 its former name or the name of the previous holder, if any, and the known name and address of each previous holder of the property.

Sec. 7026. When report to be filed.

(a) Except as otherwise provided in subsection (b) of this section and subject to subsection (c) of this section, the report under section 7024 shall be filed before November 1 of each year and cover the 12 months preceding July 1 of that year.

(b) Subject to subsection (c) of this section, the report under section 7024 to be filed by an insurance company shall be filed before May 1 of each year for the immediately preceding calendar year.

(c) Before the date for filing the report under section 7024, the holder of property presumed abandoned may request the Administrator to extend the time for filing. The Administrator may grant an extension. If the extension is granted, the holder may pay or make a partial payment of the amount the holder estimates ultimately will be due. The payment or partial payment terminates accrual of interest on the amount paid.

Sec. 7027. Retention of records by holder.

A holder required to file a report under section 7024 shall retain records for 10 years after the later of the date the report was filed or the last date a timely report was due to be filed, unless a shorter period is provided by rule of the Administrator. The holder may satisfy the requirement to retain records under this section through an agent. The records shall contain:

(1) The information required to be included in the report;

(2) The date, place, and nature of the circumstances that gave rise to the property right;

(3) The amount or value of the property;

(4) The last address of the apparent owner, if known to the holder; and

(5) If the holder sells, issues, or provides to others for sale or issue in the District traveler's checks, money orders, or similar instruments, other than third-party bank checks, on

which the holder is directly liable, a record of the instruments while they remain outstanding indicating the state and date of issue.

Sec. 7028. Property reportable and payable or deliverable absent owner demand.

Property is reportable and payable or deliverable under this subtitle even if the owner fails to make demand or present an instrument or document otherwise required to obtain payment.

Part 5. Notice to Apparent Owner of Property Presumed Abandoned.

Sec. 7029. Notice to apparent owner by holder.

(a) Subject to subsection (b) of this section, the holder of property presumed abandoned shall send to the apparent owner notice by first-class United States mail that complies with section 7030 in a format acceptable to the Administrator not more than 180 days nor less than 60 days before filing the report under section 7024 if:

(1) The holder has in its records an address for the apparent owner which the holder's records do not disclose to be invalid and is sufficient to direct the delivery of first-class United States mail to the apparent owner; and

(2) The value of the property is \$50 or more.

(b) If an apparent owner has consented to receive electronic-mail delivery from the holder, the holder shall send the notice described in subsection (a) of this section both by first-class United States mail to the apparent owner's last-known mailing address and by electronic mail, unless the holder believes that the apparent owner's electronic-mail address is invalid.

Sec. 7030. Contents of notice by holder.

(a) Notice under section 7029 shall contain a heading that reads substantially as follows: "Notice. The District of Columbia requires us to notify you that your property may be transferred to the custody of the District of Columbia's Unclaimed Property Administrator if you do not contact us before (insert date that is 30 days after the date of this notice)."

(b) The notice under section 7029 shall:

(1) Identify the nature and, except for property that does not have a fixed value, the value of the property that is the subject of the notice;

(2) State that the property will be turned over to the Administrator;

(3) State that after the property is turned over to the Administrator an apparent owner that seeks return of the property must file a claim with the Administrator;

(4) State that property that is not legal tender of the United States may be sold by the Administrator; and

(5) Provide instructions that the apparent owner must follow to prevent the holder from reporting and paying or delivering the property to the Administrator.

Sec. 7031. Notice by Administrator.

(a) The Administrator shall make a reasonable effort to give notice to an apparent owner that property of the owner that is presumed to be abandoned is held by the Administrator under

this subtitle. The Administrator shall use available resources, including information services, to ascertain the mailing address of an apparent owner.

(b) Subject to subsection (a) of this section, the Administrator shall:

(1) Except as otherwise provided in paragraph (2) of this subsection, send written notice by first-class United States mail to each apparent owner of property valued at \$50 or more held by the Administrator, unless the Administrator determines that a mailing by first-class United States mail would not be received by the apparent owner, and, in the case of a security held in an account for which the apparent owner had consented to receiving electronic mail from the holder, send notice by electronic mail if the electronic-mail address of the apparent owner is known to the Administrator instead of by first-class United States mail; or

(2) Send the notice to the apparent owner's electronic-mail address if the Administrator does not have a valid United States mail address for an apparent owner, but has an electronic-mail address that the Administrator does not know to be invalid.

(c) In addition to the notice under subsection (b) of this section, the Administrator shall:

(1) Publish every 6 months in at least one newspaper of general circulation in the District a notice with the following information:

(A) The total value of property received by the Administrator during the preceding 6-month period, taken from the reports under section 7024;

(B) The total value of claims paid by the Administrator during the preceding 6-month period;

(C) The Internet web address of the unclaimed property website maintained by the Administrator;

(D) A telephone number and electronic-mail address to contact the Administrator to inquire about or claim property; and

(E) A statement that a person may access the Internet by a computer to search for unclaimed property and a computer may be available as a service to the public at a local public library; and

(2) Maintain a website or database accessible by the public and electronically searchable, which contains the names reported to the Administrator of all apparent owners for whom property is being held by the Administrator.

(d) The website or database maintained under subsection (c) of this section must include instructions for filing with the Administrator a claim to property and a printable claim form with instructions for its use.

(e) In addition to giving notice under subsections (b) and (c) of this section, the Administrator may use other printed publication, telecommunication, the Internet, or other media to inform the public of the existence of unclaimed property held by the Administrator.

Sec. 7032. Cooperation among District officers and agencies to locate apparent owner.

Unless prohibited by law of the District other than this subtitle, on request of the Administrator, each officer, agency, board, commission, division, and department of the District and any body politic and corporate created by the District for a public purpose shall make its books and records available to the Administrator and cooperate with the Administrator to

determine the current address of an apparent owner of property held by the Administrator under this subtitle.

Part 6. Taking Custody of Property by Administrator.

Sec. 7033. Definition of good faith.

In this part, payment or delivery of property is made in good faith if a holder:

(1) Had a reasonable basis for believing, based on the facts then known, that the property was required or permitted to be paid or delivered to the Administrator under this subtitle; or

(2) Made payment or delivery:

(A) In response to a demand by the Administrator or Administrator's agent; or

(B) Under a guidance or ruling issued by the Administrator which the holder reasonably believed required or permitted the property to be paid or delivered.

Sec. 7034. Dormancy charge.

(a) A holder may deduct a dormancy charge from property required to be paid or delivered to the Administrator if:

(1) A valid contract between the holder and the apparent owner authorizes imposition of the charge for the apparent owner's failure to claim the property within a specified time; and

(2) The holder regularly imposes the charge and regularly does not reverse or otherwise cancel the charge.

(b) The amount of the deduction under subsection (a) of this section is limited to an amount that is not unconscionable considering all relevant factors, including the marginal transactional costs incurred by the holder in maintaining the apparent owner's property and any services received by the apparent owner. A deduction of \$10 a year for maintaining property valued at \$50 or less, or \$20 a year for maintaining property valued at more than \$50, or other amounts established by the Administrator by rule, is not unconscionable, although a higher charge, if permitted under subsection (a) of this section, may be proper considering all relevant factors.

Sec. 7035. Payment or delivery of property to Administrator.

(a) Except as otherwise provided in this section, on filing a report under section 7024, the holder shall pay or deliver to the Administrator the property described in the report.

(b) If property in a report under section 7024 is an automatically renewable deposit and a penalty or forfeiture in the payment of interest would result from paying the deposit to the Administrator at the time of the report, the date for payment of the property to the Administrator is extended until a penalty or forfeiture no longer would result from payment, if the holder informs the Administrator of the extended date.

(c) Tangible property in a safe-deposit box may not be delivered to the Administrator until 120 days after filing the report under section 7024.

(d) If property reported to the Administrator under section 7024 is a security, the Administrator may:

(1) Make an endorsement, instruction, or entitlement order on behalf of the apparent owner to invoke the duty of the issuer, its transfer agent, or the securities intermediary to transfer the security; or

(2) Dispose of the security under section 7044.

(e) If the holder of property reported to the Administrator under section 7024 is the issuer of a certificated security, the Administrator may obtain a replacement certificate in physical or book-entry form under D.C. Official Code § 28:8-405. An indemnity bond is not required.

(f) The Administrator shall establish procedures for the registration, issuance, method of delivery, transfer, and maintenance of securities delivered to the Administrator by a holder.

(g) An issuer, holder, and transfer agent or other person acting under this section under instructions of and on behalf of the issuer or holder is not liable to the apparent owner for, and shall be paid by the Administrator for the value of the property turned over to the Administrator by the District against, a claim arising with respect to property after the property has been delivered to the Administrator.

(h) A holder is not required to deliver to the Administrator a security identified by the holder as a non-freely transferable security. If the Administrator or holder determines that a security is no longer a non-freely transferable security, the holder shall deliver the security on the next regular date prescribed for delivery of securities under this subtitle. The holder shall make a determination annually whether a security identified in a report filed under section 7024 as a non-freely transferable security is no longer a non-freely transferable security.

Sec. 7036. Effect of payment or delivery of property to Administrator.

(a) On payment or delivery of property to the Administrator under this subtitle, the Administrator as agent for the District assumes custody and responsibility for safekeeping the property. A holder that pays or delivers property to the Administrator in good faith and substantially complies with sections 7029 and 7030 is relieved of liability arising thereafter with respect to payment or delivery of the property to the Administrator.

(b) A holder is not liable for a claim against the holder resulting from the payment or delivery of property to the Administrator made in good faith and after the holder substantially complied with sections 7029 and 7030.

Sec. 7037. Recovery of property by holder from Administrator.

(a) A holder that under this subtitle pays money to the Administrator may file a claim for reimbursement from the Administrator of the amount paid if the holder:

(1) Paid the money in error; or

(2) After paying the money to the Administrator, paid money to a person the holder reasonably believed entitled to the money.

(b) If a claim for reimbursement under subsection (a) of this section is made for a payment made on a negotiable instrument, including a traveler's check, money order, or similar instrument, the holder shall submit proof that the instrument was presented and payment was

made to a person the holder reasonably believed entitled to payment. The holder may claim reimbursement even if the payment was made to a person whose claim was made after expiration of a period of limitation on the owner's right to receive or recover property, whether specified by contract, statute, or court order.

(c) If a holder is reimbursed by the Administrator under subsection (a)(2) of this section, the holder may also recover from the Administrator income or gain under section 7039 that would have been paid to the owner if the money had been claimed from the Administrator by the owner to the extent the income or gain was paid by the holder to the owner.

(d) A holder that under this subtitle delivers property other than money to the Administrator may file a claim for return of the property from the Administrator if:

- (1) The holder delivered the property in error; or
- (2) The apparent owner has claimed the property from the holder.

(e) If a claim for return of property under subsection (d) of this section is made, the holder shall include with the claim evidence sufficient to establish that the apparent owner has claimed the property from the holder or that the property was delivered by the holder to the Administrator in error.

(f) The Administrator may determine that an affidavit submitted by a holder is evidence sufficient to establish that the holder is entitled to reimbursement or to recover property under this section.

(g) A holder is not required to pay a fee or other charge for reimbursement or return of property under this section.

(h) Not later than 90 days after a claim is filed under subsection (a) or (d) of this section, the Administrator shall allow or deny the claim and give the claimant notice of the decision in a record. If the Administrator does not take action on a claim during the 90-day period, the claim is deemed denied.

(i) The claimant may bring an action in the Superior Court for review of the Administrator's decision or the deemed denial under subsection (h) of this section not later than:

- (1) 30 days following receipt of the notice of the Administrator's decision; or
- (2) 120 days following the filing of a claim under subsection (a) or (d) of this section in the case of a deemed denial under subsection (h) of this section.

(j) A final decision in an action brought under subsection (i) of this section is subject to review by the District of Columbia Court of Appeals.

Sec. 7038. Property removed from safe-deposit box.

(a) Property removed from a safe-deposit box and delivered under this subtitle to the Administrator under this subtitle is subject to the holder's right to reimbursement for the cost of opening the box and a lien or contract providing reimbursement to the holder for unpaid rent charges for the box, provided that the holder makes a request under subsection (b) of this section.

(b) The Administrator shall reimburse the holder from the proceeds remaining after deducting the expense incurred by the Administrator in selling the property, if the holder makes a request for reimbursement after property from the safe deposit box is delivered to the Administrator.

Sec. 7039. Crediting income or gain to owner's account.

(a) If property other than money is delivered to the Administrator, the owner is entitled to receive from the Administrator income or gain realized or accrued on the property before the property is sold. If the property is an interest-bearing demand, savings, or time deposit that continues to earn interest after delivery to the Administrator, the owner is entitled to that interest before the property is sold. Interest begins to accrue when the property is delivered to the Administrator and ends on the earlier of the expiration of 10 years after its delivery or the date on which payment is made to the owner.

(b) Interest on interest-bearing property is not payable under this section for any period before the effective date of this subtitle, unless authorized by section 121 of the Uniform Disposition of Unclaimed Property Act of 1980, effective March 5, 1981 (D.C. Law 3-160; D.C. Official Code § 41-121).

Sec. 7040. Administrator's options as to custody.

(a) The Administrator may decline to take custody of property reported under section 7024 if the Administrator determines that:

(1) The property has a value less than the estimated expenses of notice and sale of the property; or

(2) Taking custody of the property would be unlawful.

(b) A holder may pay or deliver property to the Administrator before the property is presumed abandoned under this subtitle if the holder:

(1) Sends the apparent owner of the property notice required by section 7029 and provides the Administrator evidence of the holder's compliance with this paragraph;

(2) Includes with the payment or delivery a report regarding the property conforming to section 7025; and

(3) First obtains the Administrator's consent in a record to accept payment or delivery.

(c) A holder's request for the Administrator's consent under subsection (b)(3) of this section shall be in a record. If the Administrator fails to respond to the request not later than 30 days after receipt of the request, the Administrator is deemed to consent to the payment or delivery of the property and the payment or delivery is considered to have been made in good faith.

(d) On payment or delivery of property under subsection (b) of this section, the property is presumed abandoned.

Sec. 7041. Disposition of property having no substantial value; immunity from liability.

(a) If the Administrator takes custody of property delivered under this subtitle and later determines that the property has no substantial commercial value or that the cost of disposing of the property will exceed the value of the property, the Administrator may return the property to the holder or destroy or otherwise dispose of the property.

(b) An action or proceeding may not be commenced against the District, an agency of the District, the Administrator, another officer, employee, or agent of the District, or a holder for or because of an act of the Administrator under this section, except for intentional misconduct or malfeasance.

Sec. 7042. Periods of limitation and repose.

(a) Expiration, before, on, or after the effective date of this subtitle, of a period of limitation on an owner's right to receive or recover property, whether specified by contract, statute, or court order, does not prevent the property from being presumed abandoned or affect the duty of a holder under this subtitle to file a report or pay or deliver property to the Administrator.

(b) The Administrator may not commence an action or proceeding to enforce this subtitle with respect to the reporting, payment, or delivery of property more than 10 years after the holder filed a non-fraudulent report under section 7024 with the Administrator. The parties may agree in a record to extend the limitation in this subsection.

- (2) On the Internet; or
- (3) On another forum the Administrator determines is likely to yield the highest net proceeds of sale.

(d) The Administrator may decline the highest bid at a sale under this section and reoffer the property for sale if the Administrator determines the highest bid is insufficient.

(e) If a sale held under this section is to be conducted other than on the Internet, the Administrator shall publish at least one notice of the sale, at least 3 weeks but not more than 5 weeks before the sale, in a newspaper of general circulation in the District of Columbia.

Sec. 7045. Recovery of securities or value by owner.

(a) If the Administrator sells a security before the expiration of 60 days after delivery of the security to the Administrator, an apparent owner that files a valid claim under this subtitle of ownership of the security before the 60-day period expires is entitled, at the option of the Administrator, to receive:

The Administrator shall execute documents necessary to complete the transfer of ownership to the purchaser.

Sec. 7047. Military medal or decoration.

(a) The Administrator may not sell a medal or decoration awarded for military service in the armed forces of the United States.

For each fiscal year, the Administrator shall designate an amount in the Unclaimed Property Account to be held for the payment of claims that reflects the Administrator's reasonable estimate of the value of claims that will be asserted under this subtitle during the fiscal year. Funds in the Unclaimed Property Account that exceed this designated amount may be used to pay the costs of administering the unclaimed property program established in this subtitle and to satisfy the District's cash flow needs during the fiscal year.

(b) All assets, liabilities, and unexpended balances of funds in the trust fund created by section 123 of the Uniform Disposition of Unclaimed Property Act of 1980, effective March 5, 1981 (D.C. (a) If the Administrator knows that property held by the Administrator under this subtitle is subject to a superior claim of another state, the Administrator shall:

(1) Report and pay or deliver the property to the other state; or

(2) Return the property to the holder so that the holder may pay or deliver the property to the other state.

(b) The Administrator is not required to enter into an agreement to transfer property to the other state under subsection (a) of this section.

Sec. 7053. When property subject to recovery by another state.

(a) Property held under this subtitle by the Administrator is subject to the right of another state to take custody of the property if:

(1) The property was paid or delivered to the Administrator because the records of the holder did not reflect a last-known address in the other state of the apparent owner and:

(A) The other state establishes that the last-known address of the apparent owner or other person entitled to the property was in the other state; or

(B) Under the law of the other state, the property has become subject to a claim by the other state of abandonment;

(2) The records of the holder did not accurately identify the owner of the property, the last-known address of the owner was in another state, and, under the law of the other state, the property has become subject to a claim by the other state of abandonment;

(3) The property was subject to the custody of the Administrator of the District under section 7021 and, under the law of the state of domicile of the holder, the property has become subject to a claim by the state of domicile of the holder of abandonment; or

(4) The property:

(A) Is a sum payable on a traveler's check, money order, or similar instrument that was purchased in the other state and delivered to the Administrator under section 7022; and

(B) Under the law of the other state, has become subject to a claim by the other state of abandonment.

(b) A claim by another state to recover property under this section shall be presented in a form prescribed by the Administrator, unless the Administrator waives presentation of the form.

(c) The Administrator shall decide a claim under this section not later than 90 days after it is presented. If the Administrator determines that the other state is entitled under subsection (a) of this section to custody of the property, the Administrator shall allow the claim and pay or deliver the property to the other state.

(d) The Administrator may require another state, before recovering property under this section, to agree to indemnify the District and its agents, officers, and employees against any liability on a claim to the property.

Sec. 7054. Claim for property by person claiming to be owner.

(a) A person claiming to be the owner of property held under this subtitle by the Administrator may file a claim for the property on a form prescribed by the Administrator. The claimant shall verify the claim as to its completeness and accuracy.

(b) The Administrator may waive the requirement in subsection (a) of this section and may pay or deliver property directly to a person if:

(1) The person receiving the property or payment is shown to be the apparent owner included on a report filed under section 7024;

(2) The Administrator reasonably believes the person is entitled to receive the property or payment; and

(3) The property has a value of less than \$500.

Sec. 7055. When Administrator must honor claim for property.

(a) The Administrator shall pay or deliver property to a claimant under section 7054(a) if the Administrator receives evidence sufficient to establish to the satisfaction of the Administrator that the claimant is the owner of the property.

(b) Not later than 90 days after a claim is filed under section 7054(a), the Administrator shall allow or deny the claim and give the claimant notice in a record of the decision.

(c) If the claim is denied under subsection (b) of this section:

(1) The Administrator shall inform the claimant of the reason for the denial and specify what additional evidence, if any, is required for the claim to be allowed;

(2) The claimant may file an amended claim with the Administrator or commence an action under section 7057; and

(3) The Administrator shall consider an amended claim filed under paragraph (2) of this subsection as an initial claim.

(d) If the Administrator does not take action on a claim during the 90-day period following the filing of a claim under section 7054(a), the claim is deemed denied.

Sec. 7056. Allowance of claim for property by the District.

(a) Not later than 45 days after a claim is allowed under section 7055(b), the Administrator shall pay or deliver to the owner the property or pay to the owner the net proceeds of a sale of the property, together with income or gain to which the owner is entitled under section 7039. On request of the owner, the Administrator may sell or liquidate a security and pay the net proceeds to the owner, even if the security had been held by the Administrator for less than 60 days or the Administrator has not complied with the notice requirements under section 7044.

(b) Property held under this subtitle by the Administrator is subject to a claim for the payment of an enforceable debt the owner owes to the District for:

(1) Child-support arrearages, including any child-support collection costs and child-support arrearages that are combined with maintenance;

(2) A civil or criminal fine or penalty, court costs, a surcharge, or restitution imposed by a final order of an administrative agency or a final court judgment; or

(3) District taxes, penalties, and interest that have been determined to be delinquent, including delinquent debts under Delinquent Debt Recovery Act of 2012, effective September 20, 2012, (D.C. Official Code § 1-350.01 *et seq.*), and collection fees owed to the Central Collection Unit under section 3800 of Title 9 of the District of Columbia Municipal Regulations (9 DCMR § 3800).

(c) Before delivery or payment to an owner under subsection (a) of this section of property or payment to the owner of net proceeds of a sale of the property, the Administrator first shall apply the property or net proceeds to a debt under subsection (b) of this section the Administrator determines is owed by the owner. The Administrator shall pay the amount to the appropriate District agency and notify the owner of the payment, unless another District agency is required to notify the owner of the payment.

(d) The Administrator may make periodic inquiries of District agencies in the absence of a claim filed under section 7054 to determine whether an apparent owner included in the unclaimed-property records of the District has an enforceable debt described in subsection (b) of this section. The Administrator first shall apply the property or net proceeds of a sale of property held by the Administrator to a debt under subsection (b) of this section of an apparent owner which appears in the records of the Administrator and deliver the amount to the appropriate District agency. The Administrator shall notify the apparent owner of the payment, unless another District agency is required to notify the owner of the payment.

Sec. 7057. Action by person whose claim is denied.

Not later than one year after filing a claim under section 7054(a), the claimant may commence an action against the Administrator in the Superior Court to establish a claim that has been denied or deemed denied under section 7054(d).

Part 10. Verified Report of Property; Examination of Records.

Sec. 7058. Verified report of property.

If a person does not file a report required by section 7024 or the Administrator believes that a person may have filed an inaccurate, incomplete, or false report, the Administrator may require the person to file a verified report in a form prescribed by the Administrator. The verified report shall:

- (1) State whether the person is holding property reportable under this subtitle;
- (2) Describe property not previously reported or about which the Administrator has inquired;
- (3) Specifically identify property described under paragraph (2) of this section about which there is a dispute about whether it is reportable under this subtitle; and

Sec. 7059. Examination of records to determine compliance.

The Administrator, at reasonable times and on reasonable notice, may:

- (1) Examine the records of a person, including examination of appropriate records in the possession of an agent of the person under examination, if the records are reasonably necessary to determine whether the person has complied with this subtitle;
- (2) Apply to the Superior Court for the issuance of a subpoena requiring the person or agent of the person to make records available for examination; and
- (3) Request that the Attorney General bring an action seeking judicial enforcement of the subpoena.

Sec. 7060. Rules for conducting examination.

(a) The Administrator shall adopt rules governing procedures and standards for an examination under section 7059, including rules for use of an estimation, extrapolation, and statistical sampling in conducting an examination.

(b) An examination under section 7059 shall be performed under rules adopted under subsection (a) of this section and with generally accepted examination practices and standards applicable to an unclaimed-property examination.

(c) If a person subject to examination under section 7059 has filed the reports required under sections 7024 and 7058 and has retained the records required by section 7027, the following rules apply:

- (1) The examination shall include a review of the person's records.
- (2) The examination may not be based on an estimate unless the person expressly consents in a record to the use of an estimate.
- (3) The person conducting the examination shall consider the evidence presented in good faith by the person in preparing the findings of the examination under section 7064.

Sec. 7061. Records obtained in examination.

Records obtained and records, including work papers, compiled by the Administrator in the course of conducting an examination under section 7049:

- (1) Are subject to the confidentiality and security provisions of Part 14 and are not public records;
- (2) May be used by the Administrator in an action to collect property or otherwise enforce this subtitle;
- (3) May be used in a joint examination conducted with another state, the United States, a foreign country or subordinate unit of a foreign country, or any other governmental entity if the governmental entity conducting the examination is legally bound to maintain the confidentiality and security of information obtained from a person subject to examination in a manner substantially equivalent to Part 14;
- (4) Shall be disclosed, on request, to the person that administers the unclaimed property law of another state for that state's use in circumstances equivalent to circumstances described in this part, if the other state is required to maintain the confidentiality and security of information obtained in a manner substantially equivalent to Part 14;

(5) Shall be produced by the Administrator under an administrative or judicial subpoena or administrative or court order; and

(6) Shall be produced by the Administrator on request of the person subject to the examination in an administrative or judicial proceeding relating to the property.

Sec. 7062. Evidence of unpaid debt or undischarged obligation.

(a) A record of a putative holder showing an unpaid debt or undischarged obligation is prima facie evidence of the debt or obligation.

(b) A putative holder may establish by a preponderance of the evidence that there is no unpaid debt or undischarged obligation for a debt or obligation described in subsection (a) of this section or that the debt or obligation was not, or no longer is, a fixed and certain obligation of the putative holder.

(c) A putative holder may overcome prima facie evidence under subsection (a) of this section by establishing by a preponderance of the evidence that a check, draft, or similar instrument was:

- (1) Issued as an unaccepted offer in settlement of an unliquidated amount;
- (2) Issued but later was replaced with another instrument because the earlier instrument was lost or contained an error that was corrected;
- (3) Issued to a party affiliated with the issuer;
- (4) Paid, satisfied, or discharged;
- (5) Issued in error;
- (6) Issued without consideration;
- (7) Issued but there was a failure of consideration;
- (8) Voided not later than 90 days after issuance for a valid business reason set forth in a contemporaneous record; or
- (9) Issued but not delivered to the third-party payee for a sufficient reason recorded within a reasonable time after issuance.

(d) In asserting a defense under this section, a putative holder may present evidence of a course of dealing between the putative holder and the apparent owner or of custom and practice.

Sec. 7063. Failure of person examined to retain records.

If a person subject to examination under section 7059 does not retain the records required by section 7027, the Administrator may determine the value of property due using a reasonable method of estimation based on all information available to the Administrator, including extrapolation and use of statistical sampling when appropriate and necessary, consistent with examination procedures and standards adopted under section 7060(a) and in accord with section 7060(b).

Sec. 7064. Report to person whose records were examined.

At the conclusion of an examination under section 7059, the Administrator shall provide to the person whose records were examined a complete and unredacted examination report that specifies:

- (1) The work performed;
- (2) The property types reviewed;
- (3) The methodology of any estimation technique, extrapolation, or statistical sampling used in conducting the examination;
- (4) Each calculation showing the value of property determined to be due; and
- (5) The findings of the person conducting the examination.

Sec. 7065. Complaint to Administrator about conduct of person conducting examination.

(a) If a person subject to examination under section 7059 believes the person conducting the examination has made an unreasonable or unauthorized request or is not proceeding expeditiously to complete the examination, the person in a record may ask the Administrator to intervene and take appropriate remedial action, including countermanding the request of the person conducting the examination, imposing a time limit for completion of the examination, or reassigning the examination to another person.

(b) If a person in a record requests a conference with the Administrator to present matters that are the basis of a request under subsection (a) of this section, the Administrator shall hold the conference not later than 30 days after receiving the request. The Administrator may hold the conference in person, by telephone, or by electronic means.

(c) If a conference is held under subsection (b) of this section, not later than 30 days after the conference ends, the Administrator shall provide a report in a record of the conference to the person that requested the conference.

- (4) Any individual residing in the Administrator's household.

(b) The Administrator may contract with a person to conduct an examination under this part.

(c) If the person with which the Administrator contracts under subsection (b) of this section is:

- (1) An individual, the individual may not be related to the Administrator; or
- (2) A business entity, the entity may not be owned in whole or in part by the Administrator or an individual related to the Administrator.

(d) At least 60 days before assigning a person under contract with the Administrator under subsection (b) of this section to conduct an examination, the Administrator shall demand in a record that the person to be examined submit a report and deliver property that is previously unreported.

(e) If the Administrator contracts with a person under subsection (b) of this section:

(1) The contract may provide for compensation of the person based on a fixed fee, hourly fee, or contingent fee;

(2) A contingent fee arrangement may not provide for a payment that exceeds 10 percent of the amount or value of property paid or delivered as a result of the examination, except for contracts in force on the effective date of this subtitle; and

(3) On request by a person subject to examination by a contractor, the Administrator shall deliver to the person a complete and unredacted copy of the contract and any contract between the contractor and a person employed or engaged by the contractor to conduct the examination.

(f) A contract under subsection (b) of this section is subject to public disclosure without redaction under the District of Columbia Freedom of Information Act, effective March 25, 1977 (D.C. Law 1-96; D.C. Official Code § 2-531 *et seq.*).

Sec. 7067. Limit on future employment.

The Administrator or an individual employed by the Administrator who participates in, recommends, or approves the award of a contract under section 7066(b) is subject to the Code of Conduct, or other ethical rules, applicable to employees in the Office of the Chief Financial Officer concerning post-employment conflicts of interest.

Sec. 7068. Report by Administrator at request of Mayor.

(a) Pursuant to a request of the Mayor, the Administrator shall compile and submit a report containing information about property presumed abandoned for the preceding fiscal year for the District. The information requested may include:

(1) The total amount and value of all property paid or delivered under this subtitle to the Administrator;

(2) The name of and amount paid to each contractor under section 7066 and the percentage the total compensation paid to all contractors under section 7066 bears to the total amount paid or delivered to the Administrator as a result of all examinations performed under section 7066;

(3) The total amount and value of all property paid or delivered by the Administrator to persons that made claims for property held by the Administrator under this subtitle and the percentage the total payments made and value of property delivered to claimants bears to the total amounts paid and value delivered to the Administrator; and

(4) The total amount of claims made by persons claiming to be owners.

(b) The report under subsection (a) of this section is a public record subject to public disclosure without redaction under the District of Columbia Freedom of Information Act, effective March 25, 1977 (D.C. Law 1-96; D.C. Official Code § 2-531 *et seq.*).

Part 11. Determination of Liability; Putative Holder Remedies.

Sec. 7069. Determination of liability for unreported reportable property.

If the Administrator determines from an examination conducted under section 7059 that a putative holder failed or refused to pay or deliver to the Administrator property that is reportable under this subtitle, the Administrator shall issue a determination of the putative holder's liability to pay or deliver and give notice in a record to the putative holder of the determination.

Sec. 7070. Informal conference.

(a) Not later than 30 days after receipt of a notice under section 7069, the putative holder may request an informal conference with the Administrator to review the determination. Except as otherwise provided in this section, the Administrator may designate an employee to act on behalf of the Administrator.

(b) If a putative holder makes a timely request under subsection (a) of this section for an informal conference:

(1) Not later than 20 days after the date of the request, the Administrator shall set the time and place of the conference;

(2) The Administrator shall give the putative holder notice in a record of the time and place of the conference;

(3) The conference may be held in person, by telephone, or by electronic means, as determined by the Administrator;

(4) The request tolls the 90-day period under section 7071 until notice of a decision under paragraph (7) of this subsection has been given to the putative holder or the putative holder withdraws the request for the conference;

(5) The conference may be postponed, adjourned, and reconvened as the Administrator determines appropriate;

(6) The Administrator or Administrator's designee with the approval of the Administrator may modify a determination made under section 7069 or withdraw it; and

(7) The Administrator shall issue a decision in a record and provide a copy of the record to the putative holder and examiner not later than 20 days after the conference ends.

(c) A conference under subsection (b) of this section is not an administrative remedy and is not a contested case subject to the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1204; D.C. Official Code § 2-501 *et seq.*). An oath is not required and rules of evidence do not apply in the conference.

(d) At a conference under subsection (b) of this section, the putative holder shall be given an opportunity to confer informally with the Administrator and the person that examined the records of the putative holder to:

(1) Discuss the determination made under section 7069; and

(2) Present any issue concerning the validity of the determination.

(e) If the Administrator fails to act within the period prescribed in subsection (b)(1) or (7) of this section, the failure does not affect a right of the Administrator, except that interest does not accrue on the amount for which the putative holder was determined to be liable under section 7069 during the period in which the Administrator failed to act until the earlier of:

(1) The date the putative holder requests a hearing under section 7071; or

(2) 90 days after the putative holder received notice of the Administrator's determination under section 7069 if the putative holder did not request a hearing under section 7071.

(f) The Administrator may hold an informal conference with a putative holder about a determination under section 7069 without a request at any time before the putative holder requests a hearing under section 7071.

(g) Interest and penalties under section 7075 continue to accrue on property not reported, paid, or delivered as required by this subtitle after the initiation, and during the pendency, of an informal conference under this section.

Sec. 7071. Review of Administrator's determination.

(a) Not later than 90 days after receiving notice of the Administrator's determination under section 7069, a putative holder may request a hearing on the Administrator's determination by the Office of Administrative Hearings, which shall make findings of fact and conclusions of law and render a final order in accordance with the District of Columbia Administrative Procedure Act, approved October 21, 1968 (82 Stat. 1204; D.C. Official Code § 2-501 *et seq.*).

(b) A final decision in a proceeding under subsection (a) of this section is subject to judicial review by the District of Columbia Court of Appeals.

Part 12. Enforcement.

Sec. 7072. Judicial action to enforce liability.

(a) If a determination under section 7069 becomes final and is not subject to administrative or judicial review, the Administrator may request that the Attorney General bring an action in the Superior Court or in an appropriate court of another state to enforce the determination and secure payment or delivery of past due, unpaid, or undelivered property. The action must be brought not later than one year after the determination becomes final.

(b) In an action under subsection (a) of this section, if no court in the District has jurisdiction over the defendant, the Attorney General may commence an action in any court having jurisdiction over the defendant.

Sec. 7073. Interstate and international agreement; cooperation.

(a) Subject to subsection (b) of this section, the Administrator may:

(1) Exchange information with another state or foreign country relating to property presumed abandoned or relating to the possible existence of property presumed abandoned; and

(2) Authorize in a record another state or foreign country or a person acting on behalf of the other state or country to examine its records of a putative holder as provided in Part 10.

(b) An exchange or examination under subsection (a) of this section may be done only if the state or foreign country has confidentiality and security requirements substantially equivalent to those in Part 14 or agrees in a record to be bound by the District's confidentiality and security requirements.

Sec. 7074. Action involving another state or foreign country.

(a) The Administrator may request that the Attorney General join another state or foreign country to examine and seek enforcement of this subtitle against a putative holder.

(b) On request of another state or foreign country, the Attorney General may commence an action on behalf of the other state or country to enforce, in the District, the law of the other state or country against a putative holder subject to a claim by the other state or country, if the other state or country agrees to pay costs incurred by the Attorney General in the action.

(c) The Administrator may request the official authorized to enforce the unclaimed property law of another state or foreign country to commence an action to recover property in the other state or country on behalf of the Administrator.

(d) The Administrator may request that the Attorney General pursue an action on behalf of the District to recover property subject to this subtitle but delivered to the custody of another state if the Administrator believes the property is subject to the custody of the Administrator.

(e) The Administrator, with the approval of the Attorney General, may retain an attorney in the District, another state, or a foreign country to commence an action to recover property on behalf of the Administrator and may agree to pay attorney's fees based in whole or in part on a fixed fee, hourly fee, or a percentage of the amount or value of property recovered in the action.

(f) Expenses incurred by the District in an action under this section may be paid from property received under this subtitle or the net proceeds of the property subject to appropriations. Expenses paid to recover property may not be deducted from the amount that is subject to a claim under this subtitle by the owner.

Sec. 7075. Interest and penalty for failure to act in timely manner.

(a) A holder that fails to report, pay, or deliver property within the time prescribed by this subtitle shall pay to the Administrator interest at 10% per year on the property or value of the property from the date the property should have been reported, paid, or delivered to the Administrator until the date reported, paid, or delivered.

(b) Except as otherwise provided in section 7076 or 7077, the Administrator may require a holder that fails to report, pay, or deliver property within the time prescribed by this subtitle to pay to the Administrator, in addition to interest included under subsection (a) of this section, a civil penalty of \$200 for each day the duty is not performed, up to a cumulative maximum amount of \$5,000.

Sec. 7076. Other civil penalties.
