A BILL

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To require, on an emergency basis, due to Congressional review, that the District of Columbia Public Schools (“DCPS”) and public charter school local education agencies provide a distance learning program that complies with the Individual with Disabilities Education Act and section 504 of the Rehabilitation Act of 1973 to a certain number of students who are ineligible for the COVID-19 vaccine and for whom a physician, nurse practitioner, or physician assistant recommends that the student not attend in-person school either because the student has a medical condition that places the student at high risk of severe illness from COVID-19 infection or an individual in the student’s household has a medical condition that places the individual at high risk of severe illness from COVID-19 infection, to make clear that students who attend distance learning are to be considered enrolled in the local education agency (“LEA”) for the purposes of the enrollment audit, school payment process, and other reasons as determined by the Office of the State Superintendent of Education, even if the student is not physically attending the LEA, to mandate progressive COVID-19 asymptomatic testing in public and public charter schools, to require that each DCPS school and public charter school provide certain notifications to parents, guardians, and school staff when there is a confirmed case of COVID-19 in the school or classroom, to require certain reporting requirements related to COVID-19 cases by the Department of Health and certain reporting by the Department of General Services and DCPS on school facility issues, to direct the Department of Consumer and Regulatory Affairs to waive fines if it fails to approve an LEA’s applications for permits for outdoor eating and learning structures within 3 weeks of receiving the application; and to amend an Act To provide for compulsory school attendance, for the taking of a school census in the District of Columbia, and for other purposes to define excused absences for DCPS schools and public charter schools as including certain absences related to COVID-19 infections during School Year 2021-2022.

47
48 BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA,
49 That this act may be cited as the “Protecting Our Children Congressional Review
50 Emergency Amendment Act of 2022”.

51 **TITLE I. COVID-19 PUBLIC EDUCATION REQUIREMENTS**

52 Sec. 101. Definitions.

53 For the purposes of this title, the term:

54 (1) “Classroom” means a group of students and school personnel assigned
55 to or opting to partake in school-authorized educational or enrichment activities in-person
56 together, including combinations of students and school personnel participating together
57 in core subjects, specials, extracurricular activities, or aftercare.

58 (2) “DCPS” means District of Columbia Public Schools.

59 (3) “Distance learning” means virtual instruction provided through
60 simulcasting, streaming a classroom, or another mechanism that provides a student with
61 instruction while the student is not physically present in school.

62 (4) “Elementary school student” means a student enrolled in pre-
63 kindergarten 3 through grade 5 during School Year 2021-2022.

64 (5) “Enrollment audit” means the process by which the Office of the State
65 Superintendent of Education determines the number of students enrolled in DCPS or a
66 public charter school LEA pursuant to section 107(d) of the Uniform Per Student
67 Funding Formula for Public Schools and Public Charter Schools Act of 1998, approved
68 March 12, 1999, (D.C. Law 12-207; D.C. Official Code § 38-2906(d)).

69 (6) "LEA" means local education agency, which is the District of
70 Columbia Public School system or any individual or group of public charter schools
71 operating under a single charter in the District.

80 (10) "Special education school" shall have the same meaning as provided
81 in section 102(11D) of the Uniform Per Student Funding Formula for Public Schools and
82 Public Charter Schools Act of 1998, approved March 12, 1999, (D.C. Law 12-207; D.C.
83 Official Code § 38-2901(11D)).

84 Sec. 102. Expansion of virtual education.

85 (a)(1) During School Year 2021-2022, an LEA shall provide distance learning to
86 a student who is enrolled in the LEA and who is ineligible for a vaccine that is approved
87 and authorized in the United States to prevent COVID-19 if a licensed physician, nurse
88 practitioner, or physician assistant has recommended that the student participate in
89 distance learning and not in-person school because:

90 (A) The student has a documented medical condition that puts the
91 student at high risk of severe illness from COVID-19, consistent with the guidance of the
92 Centers for Disease Control and Prevention; or

93 (B) The student’s in-person attendance would endanger an
94 individual in the student’s household because the individual has a documented medical
95 condition, as defined by the Centers for Disease Control and Prevention, that places the
96 individual at high risk of severe illness from COVID-19.

97 (2) DCPS may limit the total number of students who receive distance
98 learning pursuant to paragraph (1) of and this subsection to 200 elementary school

101 (3) A public charter school LEA may limit the total number of students
102 who receive distance learning instruction pursuant to paragraph (1) of this subsection;
103 provided, that the limit shall be no less than 3% of the total number of students enrolled
104 in the public charter school LEA.

105 (b) Distance learning provided pursuant to subsection (a) of this section shall
106 comply with the Individuals with Disabilities Education Act, approved April 13, 1970
107 (118 Stat. 2647; 20 U.S.C. § 1400 *et seq.*), section 504 of the Rehabilitation Act of 1973
108 (87 Stat. 394, 29 U.S.C. § 701 *et seq*), and their implementing regulations.

109 (c) Notwithstanding any other provision of District law, during School Year 2021-
110 2022, a student who receives distance learning instruction pursuant to subsection (a) of
111 this section shall be considered to be enrolled in the LEA for the purposes of the
112 enrollment audit, school payment process, and other reasons determined by the Office of

113 the State Superintendent of Education, even if the student has not physically attended or
114 is not physically attending the LEA during any portion of the school year; provided, that
115 the student otherwise complies with the attendance policies of the LEA.

116 Sec. 103. Asymptomatic testing for COVID-19.

117 (a)(1) Each school shall conduct weekly asymptomatic testing for the COVID-19

123 (C) From November 15, 2021, through January 15, 2022, at least
124 20% of its students attending in-person learning.

125 (2) The testing methodology a school uses to comply with the
126 requirements of paragraph (1) of this subsection shall be of equal or greater accuracy than
127 the methodology the school employed as of October 1, 2021.

128 (b) A special education school may seek a waiver from the Office of the State
129 Superintendent of Education for the testing requirements required in subsection (a) of this
130 section.

131 Sec. 104. Notification requirement.

132 (a)(1) Each school shall notify all parents or guardians of students attending the
133 school whenever it receives notice that a student who attends in-person learning at the
134 school or a staff member who physically works at the school tests positive for the
135 COVID-19 virus.

136

137 (2) A school shall be deemed to have complied with paragraph (1) of this
138 subsection if the school's LEA provides the notification on the school's behalf.

139 (3) The identity of the individual who has tested positive for the COVID-
140 19 virus shall not be disclosed in a notification provided pursuant to paragraph (1) of this
141 subsection.

157 (F) The number of school personnel in quarantine, broken out by
158 LEA and school.

159 (2) If, when broken out by LEA, school, or grade, the number of
160 individuals required to be reported pursuant to paragraph (1)(A), (B), (C), (D), (E), or (F)
161 of this subsection is less than 10, the actual number shall be suppressed, and the
162 Department of Health shall report the number as “n<10”.
