

MURIEL BOWSER MAYOR

January 27, 2023

Honorable Phil Mendelson Chairman Council of the District of Columbia John A. Wilson Building 1350 Pennsylvania Avenue, NW, Suite 504 Washington, DC 20004

Dear Chairman Mendelson:

Enclosed for consideration and enactment by the Council of the District of Columbia is an emergency bill, the "Modification Nos. 3, 3a, 4 and 5 to Contract DCAM-20-CS-RFQ-0001B with Alternatives Renewable Solutions, LLC Approval and Payment Authorization Emergency Act of 2023", and the accompanying emergency declaration resolution.

The legislation will approve modifications to a contract for on-call construction, repair, and replacement services with Alternatives Renewable Solutions, LLC, Inc and will authorize payment to Alternatives Renewable Solutions, LLC for services received and to be received under the contract.

If you have any questions regarding this legislation, please contact Keith A. Anderson, Director, Department of General Services ("DGS"), or have your staff contact George G. Lewis, DGS's Chief of Contracts and Procurement, at (202) 727-2800.

Sincerely,

MI:	Mun -

(C) The goods or services to be provided, the methods of delivering goods or services, and any significant program changes reflected in the proposed contract:

Under the Contract, the Contractor will provide on-call CRR services as competitively awarded via task order agreements at various facilities within the Department of General Services (the "Department" or "DGS") real estate portfolio (the "Project").

The underlying Contract was previously submitted and approved by the Council on October 31, 2020, as CA23-0716. The Contract was executed on November 16, 2020 and has a guaranteed minimum value of \$50 and an aggregate NTE amount of \$5,000,000, per the Contract's Base Period and four (4) one-year option periods ("Option Years"). The Contract authorizes the Contractor to provide on-call CRR services, as awarded via competitively awarded task order agreements for general construction and facility maintenance projects, including but not limited to electrical, mechanical and plumbing services, concrete and masonry services, painting services, fire, life safety, and other miscellaneous work. The Contract work may also include, from time to time, small construction projects that need to be completed quickly; these projects would primarily be in response to emergency situations such as vandalism, structural failures, or other life safety issues.

Modification No. 1 was executed on November 15, 2021, and partially exercised Option Year 001 with a guaranteed minimum value of \$50 and an aggregate NTE amount of \$990,000, for a period of November 15, 2021 through July 31, 2022. The amount of Modification No. 1 was less than \$1 million; thus, Council's approval was not required.

Modification No. 2 was executed on July 28, 2022, to exercise the full term of Option Year 001 with a guaranteed minimum value of \$50 and an aggregate NTE amount of \$990,000, for a period of November 16, 2021 through November 15, 2022. The amount of Modification No. 2 was less than \$1 million; thus, Council's approval was not required.

Modification No. 3 was executed on November 14, 2022, and partially exercised Option Year 002 with a guaranteed minimum value of \$50 and an aggregate NTE amount of \$990,000, for a period of November 16, 2021 through January 15, 2023. The amount of Modification No. 3 was less than \$1 million; thus, Council's approval was not required.

Proposed Modification No. 4 would increase the Contract's Option Year 002 aggregate NTE amount from \$990,000, by \$4,010,000 to \$5,000,000. Since the aggregate NTE amount of

Modification No. 3 and proposed Modification No. 4 exceeds \$1 million, Council approval is required for this contract action.

Modification No. 5 was executed on December 12, 2022, for administrative correction of Modification No. 1 and Modification No; thus Council's approval was not required.

Modification No. 3a was executed on January 13, 2023, to extend term of Modification No. 3 from January 16, 2023 through April 15, 2023. Since this is a Zero Dollar time extension; thus Council's approval was not required.

(D) The selection process, number of offerors, the evaluation criteria, the evaluation results, experience, past performance, key personnel, project management plan, and capacity components of the team:

The underlying Contract was competitively bid and awarded. The Contract was previously submitted to and approved by the Council on October 31, 2022, as CA23-0716.

(E) A description of any bid protest related to the award of the contract, including whether the protest was resolved through litigation, withdrawal of the protest by the protestor, or voluntary corrective action by the District. Include the identity of the protestor, the grounds alleged in the protest, and any deficiencies identified by the District as a result of the protest:

The award of the Contract was not protested.

(F) The background and qualifications of the proposed contractor, including its organization, financial stability, personnel, and performance on past or current government or private sector contracts with requirements similar to those of the proposed contract:

Alternative Renewable Solutions, LLC is a Certified Business Enterprise (CBE) firm located in Washington, DC. ARS is a small minority-owned systems integration firm focusing on construction, engineering, architecture, and renewable energy solutions, servicing the DC Metro Area since its formation in 2009. In 2011, the firm's founders, created the architecture and engineering divisions to support efforts with D.C. Water's Biodigester Combined Heating Plant project. Moving forward to 2012, the firm's client base expanded to the District of Columbia's Department of General Services (DGS) and Department of Housing and Community Development. As a result of providing additional services for these agencies, then firm formed both the Construction and ARS Consulting divisions to handle those specialized services for professional services, Design-Bid-Build, and Design-Build projects for commercial and government clients.

The Contractor has performed satisfactorily based on their past performance records. The Contractor has been determined responsible in accordance with 27 DCMR 4706.1.

(G) The period of performance associated with the proposed change, including date as of which the proposed change is to be made effective:

The period of performance associated with Modification No. 4 is Option Year 002 through November 15, 2023. Proposed Modification No. 4 will become effective upon approval by the Council and execution by the Department.

(H) The value of any work or services performed pursuant to a proposed change for which the Council has not provided approval, disaggregated by each proposed change if more than one proposed change has been aggregated for Council review:

On November 14, 2022, the Department executed Modification No. 3, which partially exercised Option Year 002, extending the term of the Contract from November 16, 2022, through January 15, 2023, with an aggregate NTE amount of \$990,000 and a guaranteed minimum value of \$50.

On January 13, 2023, the Department executed Modification No. 3a extending term of Contract from January 16, 2023 through April 15, 2023.

(I) The aggregate dollar value of the proposed changes as compared with the amount of the contract as awarded:

The Contract, as awarded, contemplated a base year and four (4) one-year Option Years, each with a guaranteed minimum value of \$50 and an aggregate NTE amount of \$5,000,000. The Department now seeks Council's approval for Modification No. 3, Modification No. 3a and proposed Modification No. 4 to fully exercise Option Year 002 and increase the aggregate NTE amount by \$4,010,000, from \$990,000 to \$5,000,000.

(J) The date on which the contracting officer was notified of the proposed change:

September 27, 2022.

(K) The reason why the proposed change was sent to Council for approval after it is intended to take effect:

The Department seeks Council approval for Modification No. 4 to increase the NTE amount by \$4,010,000, from \$990,000 to \$5,000,000 and fully exercise Option Year 002 through November 15, 2023 and authorize the Department to issue Task Order Agreements for on-call CRR services related projects in a timely fashion as they arise. The proposed change will exceed \$1 million; therefore, Council approval is required.

(L) The reason for the proposed change:

Modification No. 3 partially exercised Option Year 002 with a guaranteed minimum value of \$50 and an aggregate NTE amount of \$990,000, from November 16, 2022, through January 15, 2023. Modification No. 3a extends the term of partially exercised Option Year 002 from January 16, 2023 through April 15, 2023. The amount of Modification No. 3 was less than \$1 million, thus Council's approval was not required. If approved, proposed Modification No. 4 will fully exercise Option Year 002 with a guaranteed minimum value of \$50 and an aggregate NTE

amount of \$5,000,000 and extend the Contract term through November 15, 2023. The full exercise of Option Year 002 is necessary to ensure that adequate funding is available for the Contractor to continue providing necessary CRR services through individual competitively awarded task order agreements. Since the aggregate NTE amount of Modification No. 3 and proposed Modification No. 4 exceeds \$1 million, Council approval is required for this contract action.

(M) The legal, regulatory, or contractual authority for the proposed change:

The Department wishes to increase the Option Year 002 aggregate NTE amount from \$990,000 to \$5,000,000 through Modification No. 4 and ensure that adequate funding is available for the Contractor to continue providing necessary CRR services. Proposed Modification No. 4 would increase the total NTE amount of Option Year 002 in excess of \$1 million; therefore, the proposed contract action is subject to the requirements of the District of Columbia Home Rule Act, codified at D.C. official Code §1-204.51(b). Thus, Council review and approval of the proposed contract action is required under the District of Columbia Home Rule Act. The Department's execution of Modification No.4 would be authorized by the Council's enactment of Modification Nos. 3 and 4 to Contract No. DCAM-20-CS-RFQ-0001B with Alternative Renewable Solutions, LLC, Approval and Payment Authorization Emergency Act of 2022.

(N) A summary of the subcontracting plan required under section 2346 of the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005, as amended, D.C. Official Code § 2-218.01 et seq. ("Act"), including a certification that the subcontracting plan meets the minimum requirements of the Act and the dollar volume of the portion of the contract to be subcontracted, expressed both in total dollars and as a percentage of the total contract amount:

The Contractor is a certified business enterprise in accordance with the Act (Certification No. LSDZRE79573052024). As appropriate, subcontracting plans will be submitted for review and approval for each task order agreement with a value of \$250,000 or more.

(O) Performance standards and the expected outcome of the proposed contract:

In general, the Contractor will provide general construction and facility maintenance projects, including but not limited to electrical, mechanical, and plumbing service, concrete and masonry services, painting services, fire, life safety, and other miscellaneous work. The Contractor will be required to meet or exceed performance standards in accordance with the Contract's scope of work. DGS staff and the Department's designated project manager will monitor the Contractor's performance to ensure consistency with the Contract's terms and conditions, and, more specifically, the established pricing and completion dates included in individual task order agreements.

(P) The amount and date of any expenditure of funds by the District pursuant to the contract prior to its submission to the Council for approval:

On November 14, 2022, the Department executed Modification No. 3 with an aggregate NTE amount of \$990,000, and a guaranteed minimum value of \$50, for the partial exercise of Option Year 002, which represents the total expenditure of funds to date for Option Year 002. The Contractor has not been awarded any task order agreements in Option Year 002.

(Q) A certification that the proposed contract is within the appropriated budget authority for the agency for the fiscal year and is consistent with the financial plan and budget adopted in accordance with D.C. Official Code §§ 47-392.01 and 47-392.02:

The Agency Fiscal Officer has certified that Modification No. 3 and proposed Modification No. 3 are within the Department's appropriated budget authority for the fiscal year and are consistent with the financial plan and budget adopted in accordance with D.C. Official Code §§ 47-392.01 and 47-392.02. The relevant certification accompanies this Council Package.

(R) A certification that the contract is legally sufficient, including whether the proposed contractor has any pending legal claims against the District:

Modification No. 3 and proposed Modification No. 4 to Contract No. DCAM-20-CS-RFQ-0001B have been deemed legally sufficient by the Department's Office of the General Counsel ("OGC"), and the Contractor appears to have no pending legal claims against the District.

(S) A certification that Citywide Clean Hands database indicates that the proposed contractor is current with its District taxes. If the Citywide Clean Hands Database indicates that the proposed contractor is not current with its District taxes, either: (1) a certification that the contractor has worked out and is current with a payment schedule approved by the District; or (2) a certification that the contractor will be current with its District taxes after the District recovers any outstanding debt as provided under D.C. Official Code § 2-353.01(b):

The Citywide Clean Hands database indicates that the Contractor is current with its District taxes. The relevant Clean Hands Certificate accompanies this Council Package.

(T) A certification from the proposed contractor that it is current with its federal taxes, or has worked out and is current with a payment schedule approved by the federal government:

The Contractor has certified that it is current with its federal taxes.

(U) The status of the proposed contractor as a certified local, small, or disadvantaged business enterprise as defined in the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005, as amended; D.C. Official Code § 2-218.01 et seq.:

According to the DSLBD's website, the Contractor is a Certified Local, Small, or Disadvantaged Business Enterprise. The Contractor's Certification Number is LSDZRE79573052024, with an expiration date of May 6, 2024.

(V) Other aspects of the proposed contract that the Contracting Officer considers significant:

None.

(W) A statement indicating whether the proposed contractor is currently debarred from providing services or goods to the District or federal government, the dates of the debarment, and the reasons for debarment:

The Contractor is not debarred from providing services to the Government of the District of Columbia or the Federal Government according to the Office of Contracts and Procurement's Excluded Parties List and the Federal Government's Excluded Parties List.

(X) Any determination and findings issues relating to the contract's formation, including any determination and findings made under D.C. Official Code § 2-352.05 (privatization contracts):

Not applicable.

(Y) Where the contract, and any amendments or modifications, if executed, will be made available online:

Contract award information, Contract and Modification No. 1, 2, and 3, 3a and 5 are available on the Department's website. Copies of proposed Modification No. 4 (if approved) will be made available.

(Z) Where the original solicitation, and any amendments or addenda, will be made available online:

The original solicitation and any amendments have been posted on the Department's website.

(AA) A notation identifying: (i) whether the Contractor is a covered contractor, as that term is defined in D.C. Official Code § 1-1161.01; and (ii) to which prohibited recipients, as that term is defined in D.C. Official Code § 1-1161.01(45D), the Contractor is prohibited from making campaign contributions and during what prohibited period, as that term is defined in § 1-1161.01(45C).

The Contractor is a covered contractor per D.C. Official Code § 1-1161.01, and is prohibited from making campaign contributions to the Mayor; any candidate for Mayor; any political committee affiliated with the Mayor or a candidate for Mayor; any constituent-service program affiliated with the Mayor; any Councilmember; any candidate for Councilmember; any political committee affiliated with a Councilmember or a candidate for Councilmember; or any constituent-service program affiliated with a Councilmember or a candidate for Councilmember; or any constituent-service program affiliated with a Councilmember from November 9, 2022 through one year after termination of the Contract. The Contractor has self-certified that it is compliant with the provisions of D.C. Official Code § 1-1161.01.
