(C) The goods or services to be provided, the methods of delivering goods or services, and any significant program changes reflected in the proposed contract:

The Department of Corrections (DOC) has an immediate need for a full-continuum food services contractor to provide management and operation of the food service program for the current estimated average daily population of about 2,100 inmates housed in the District of Columbia's Central Detention Facility at 1901 D Street, SE and the Correctional Treatment Facility located at 1901 E Street, SE.

(D) The selection process, including the number of offerors, the evaluation criteria, and the evaluation results, including price, technical or quality, and past performance components:

The Office of Contracting and Procurement (OCP) on behalf of the DOC issued Request for Proposal Doc547468 to solicit a contractor to provide an inmate food service program and cafeteria-style food service for the officer's dining room at two facilities. Three companies in the correctional food management services business were invited, based on the NIGP commodity code: 9772500, Cafeteria, Food Service, and Kitchen Equipment Rental or Lease.

The three offers were received and evaluated on the evaluation criteria listed in the solicitation:

Evaluation Factors
Technical Expertise
Technical Approach
Previous Experience/Past Performance
Price Criterion
CBE Preference Points

The contracting officer recommended award to Aramark Correctional Services, LLC (Aramark) as their technical proposal and price proposals were the most advantageous to the District.

(E) A description of any bid protest related to the award of the contract, including whether the protest was resolved through litigation, withdrawal of the protest by the protestor, or voluntary corrective action by the District. Include the identity of the protestor, the grounds alleged in the protest, and any deficiencies identified by the District as a result of the protest:

No protest was received.

(F) The background and qualifications of the proposed contractor, including its organization, financial stability, personnel, and performance on past or current government or private sector contracts with requirements similar to those of the proposed contract:

Aramark Correctional Services, LLC has been a valued partner to the District. They have held multiple contracts for food services to DOC, dating back to 2004. Aramark allows the inmates to continue their education and receive a certification from the National Restaurant Association or Strayer University. Aramark is a strong community partner offering scholarships for post-release inmates, committing to a total of \$10,000 per year in scholarship assistance for graduates interested in continuing their education in food service.

Dun and Bradstreet Risk Manager and Dun and Bradstreet Qualifier report of 8/19/2022 shows Aramark in business for 28 years, since 1994. Aramark has a clear history, secure financing, and a medium risk rating of three, indicating a medium probability of ceasing operations or becoming inactive. The company has earned Dun and Bradstreet's four-and-a-half-star performance rating. The District has an extensive history of contracts with Aramark, all with indicated satisfactory performances.

The contractor has adequate financial resources and reserves to perform the services required under this contract. This is evident in the contractor's financial history, as reported by the Dun and Bradstreet Business Report.

Aramark has a satisfactory record of integrity and business ethics as indicated by the federal excluded parties system search results. The District has no information indicating that Aramark is debarred, suspended, or involved in any activity that would disqualify the company from consideration for contract award due to a lack of integrity and business ethics.

(G) The period of performance associated with the proposed change, including the date as of which the proposed change is to be made effective:

Contract modification M0008 exercised a partial option for the period 9/15/2022 - 11/30/2022
Contract modification M0009 extended the partial option for the period for 12/1/2022 - 12/31/2022
Contract modification M0010 extended the partial option for the period 01/1/2023 - 2/28/2023
Contract modification M0011 extended the partial option for the period 2/29/2023 – 3/15/2023
Proposed contract modification M0012 will exercise the remainder of the option year for the period 3/16/2023 - 9/14/2023

(H) The value of any work or services performed pursuant to a proposed change for which the Council has not provided approval, disaggregated by each proposed change if more than one proposed change has been aggregated for Council review:

M0008 9/15/2022 – 11/30/2022 partial option	\$1,000,000 (NTE)
M0009 12/1/2022 – 12/31/2022 extension of partial option	\$0
M0010 1/1/2023 – 2/28/2023 extension of partial option	\$1,426,000 (NTE)
M0011 2/28/2023 – 3/15/2023 extension of partial option	\$0
M0011 3/16/2023 – 9/14/2023 remainder of option	<u>\$3,613,889</u> (NTE)
	\$6,039,889 (NTE)

(I) The aggregate dollar value of the proposed changes as compared with the amount of the contract as awarded:

The total contract amount for option year one is \$6,039,889, which is \$315,000 higher than the original option year award amount of \$5,724,889. The increase is due to an equitable adjustment that is based on the increase in food costs.

(J) The date on which the contracting officer was notified of the proposed change:

The contracting officer was aware of the proposed change on August 12, 2022.

(K) The reason why the proposed change was sent to Council for approval after it is intended to take effect:

The District has a continued need to provide food service for DOC residents. Based on rising food costs, on August 12, 2022, Aramark requested that an equitable adjustment be included in the award of option year one. Additional time was needed to negotiate the terms of the equitable adjustment, secure additional funding and obtain a revised subcontracting plan, as well as negotiate the cost of additional staff labor, where the inmate work detail was reduced from 20-25 inmates per shift to six inmates per shift.

(L) The reason for the proposed change:

The District continues to need food service for DOC residents.

(M) The legal, regulatory, or contractual authority for the proposed change:

27 DCMR 3601

(N) A summary of the subcontracting plan required under section 2346 of the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005, as amended, D.C. Official Code § 2-218.01 *et seq.* (“Act”), including a certification that the subcontracting plan meets the minimum requirements of the Act and the dollar volume of the portion of the contract to be subcontracted, expressed both in total dollars and as a percentage of the total contract amount:

The contractor provided a subcontracting plan with a set aside of 35 % with a total dollar amount of \$2,113,961. The contracting officer has determined that the plan meets the Department of Small and Local Business Development’s requirements.

(O) Performance standards and the expected outcome of the proposed contract:

Aramark Correctional Services, LLC will continue to provide the DC DOC residents quality food services in accordance with the terms of the contract.

(P) The amount and date of any expenditure of funds by the District pursuant to the contract prior to its submission to the Council for approval:

M0008 9/15/2022 – 11/30/2022 partial option	\$1,000,000 (NTE)
M0009 12/1/2022 – 12/31/2022 extension of partial option	\$0
M0010 1/1/2023 – 2/28/2023 extension of partial option	\$1,426,000 (NTE)
M0011 2/29/2023 – 3/15/2023 extension of partial option	\$0

(Q) A certification that the proposed contract is within the appropriated budget authority for the agency for the fiscal year and is consistent with the financial plan and budget adopted in accordance with D.C. Official Code §§ 47-392.01 and 47-392.02:

The Agency Chief Financial Officer has provided a certification of the availability of funding for the proposed modification.

(R) A certification that the contract is legally sufficient, including whether the proposed contractor has any pending legal claims against the District:

The Office of the Attorney General has approved the contract for legal sufficiency. There are no pending legal claims against the District.

If the Citywide Clean Hands Database indicates that the proposed contractor is not current with its District taxes, either: (1) a certification that the contractor has worked out and is current with a payment schedule approved by the District; or (2) a certification that the contractor will be current with its District taxes after the District recovers any outstanding debt as provided under D.C. FROM: Robert Schildkraut

DATE: March 15, 2023

SUBJECT: Retroactive Approval of Option Year One of Contract Number CW90941
for Inmate Food Management Services
Contractor: Aramark Correctional Services, LLC
Type of Contract: Requirements
Proposed Option Amount: Not To Exceed \$6,039,889

This is to certify that this Office has reviewed the above referenced proposed contract action.
