WHEREAS, nationally, thousands of first responders have suffered adverse physical and emotional effects in the twenty-three years since 2001 and, even now, are at significantly greater risk for developing occupational cancers due to their exposure to chemicals and debris from the attacks;

WHEREAS, the men and women who serve as first responders in the District of Columbia carry out the extraordinary responsibility of protecting not only District residents, but also all who visit and work here, and have always done so with tremendous dedication and care;

WHEREAS, the men and women of the District’s emergency services have fulfilled every duty to the District and their country in an honorable, courageous, and timely fashion, and have demonstrated immense compassion for those who have suffered unforeseeable tragedies, while routinely considering the safety and well-being of others before their own; and

WHEREAS, it is fully right and just to honor the memory of those who lost their lives in the terrorist attacks more than two decades ago, and it is equally compelling to observe and pay our respects to the first responders of the District and their bravery and selflessness in the face of extraordinarily trying circumstances.

RESOLVED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, that this resolution be cited as the “September 11th Emergency and First Responders Remembrance and Recognition Resolution of 2024.”
