Revenue Code, including qualified 501(c)(3) bonds such as the District of Columbia revenue bonds. The effective date of the elimination of the exemption under the proposed legislation is currently December 31, 2017. To ensure that the Borrower is able to benefit from District of Columbia revenue bonds, the issuance date of the bonds needs to occur as soon as possible.

(d) Council approval of the bond resolution authorizing the issuance of up to \$7 million of District of Columbia revenue bonds would permit the revenue bonds to be issued promptly to provide maximum savings for the Borrower and enable the project described in subsection (a) of this section to be completed.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the American Association of Collegiate Registrars and Admissions Officers Revenue Bonds Project Emergency Approval Resolution of 2017 be adopted on an emergency basis.

Sec. 4. This resolution shall take effect immediately.
