Government of the District of Columbia
Office of the Chief Financial Officer

Jeffrey S. DeWitt
Chief Financial Officer

MEMORANDUM

TO: The Honorable Phil Mendelson
Chairman, Council of the District of Columbia

FROM: Jeffrey S. DeWitt
Chief Financial Officer 

DATE: February 28, 2019

SUBJECT: Fiscal Impact Statement – Compensation Agreement between the
District of Columbia Department of Behavioral Health and District of
Columbia Nurses Association Approval Resolution of 2019

REFERENCE: Draft Resolution sent to the Office of Revenue Analysis on February 7,
2019

Conclusion

Funds are sufficient in the fiscal year 2019 through fiscal year 2022 budget and financial plan to implement the resolution. Approximately \$2.3 million in local funding will be needed to cover the cost of the agreement in fiscal year 2019, and \$7.7 million will be needed over the four-year budget and financial plan. Funding is available in the Workforce Investments Fund to cover these costs.

Background

The resolution approves a compensation agreement between the Department of Behavioral Health (DBH) and employees represented by the District of Columbia Nurses Association. The agreement covers fiscal years 2018 through 2020 and affects approximately 206 nurses.

The agreement provides a three percent salary increase in fiscal year 2018 (retroactively), a two percent increase in fiscal year 2019, and a three percent increase in fiscal year 2020. It also provides the following benefits:

- An increase in the monthly Metro benefit from \$25 to \$50;
- A payment for license renewal made by fiscal year 2020 that is equal to 0.5% of a nurse's fiscal year 2019 salary;
- A \$2 per hour increase in premium pay for charge nurses; and
- An annual affordable housing assistance fund payment equal to 0.25% of nurses' aggregate salaries.

The Honorable Phil Mendelson

FIS: "Compensation Agreement between the District of Columbia Department of Behavioral Health and District of Columbia Nurses Association Approval Resolution of 2019," Draft Resolution sent to the Office of Revenue Analysis on February 7, 2019.

DBH uses local funding to pay for 92 percent of the nurses' salaries and benefits. It pays the rest of the salaries and benefits using federal and other funds.

Financial Plan Impact

Funds are sufficient in the fiscal year 2019 through fiscal year 2022 budget and financial plan to implement the resolution. Approximately \$2.3 million in local funding will be needed to cover the cost of the agreement in fiscal year 2019, and \$7.7 million will be needed over the four-year budget and financial plan. Funding is available in the Workforce Investments Fund to cover these costs.

The total cost of the agreement will range from \$2.4 million in fiscal year 2019 to \$3.3 million in fiscal year 2022, with most of the costs coming from the salary increases. Retroactive costs from fiscal year 2018 and the beginning of fiscal year 2019 will need to be paid for entirely with local funds. For costs incurred moving forward, eight percent will be paid for with non-local funds, reducing the cost DBH needs to cover with local funding.

The table below provides a breakdown of the agreement's cost and the funding needed. Please note that the cost in fiscal year 2019 also includes the retroactive costs from fiscal year 2018.

IN INTEREST ARBITRATION

In the Matter of the Interest Arbitration Between:
GOVERNMENT OF THE DISTRICT OF COLUMBIA

and

DISTRICT OF COLUMBIA NURSES ASSOCIATION
Before M. David Vaughn, Arbitrator

**Compensation Issues
Department of
Behavioral Health
Nurses**

PERB Case No. 18-I-03

CONSENT AWARD

This interest arbitration between the Government of the District of Columbia ("DC Government" or the "Employer") and the District of Columbia Nurses Association ("DCNA" or the "Association") (the Employer and the Association are the "Parties" to the proceeding) arises out of a bargaining impasse with respect to compensation issues reached during negotiations for a new collective bargaining agreement covering DCNA-represented employees in the District's Department of Behavioral Health ("DBH" or the "Department"). The proceeding takes place pursuant to the District of Columbia Comprehensive Merit Personnel Act ("CMPA") impasse resolution procedure, DC Code § 1-617.17 (also the "Statute"). I was selected by the Parties and appointed as a Board of Arbitration by the District of Columbia Public Employee Relations Board ("PERB") to arbitrate the dispute pursuant to the Statute.

In the proceeding the Employer has been represented by Attorneys Michael Hathaway, Esq., Stephanie Maltz, Esq. and Kathryn Naylor, Esq., each of the District of Columbia Office of Labor Relations and Collective Bargaining ("OLRCB"), and the Association by Attorney Walakewon Blegay, Esq.

The purpose of the arbitration is to establish a new collective bargaining agreement ("New Agreement") setting the terms and conditions of employment for DCNA-represented employees in DBH. Those terms and conditions have been set forth in the previous Collective Bargaining Agreement (the "Expired Agreement") between the Parties, which expired effective September 30, 2017.

The Union served a bargaining demand. Ground rules covering the bargaining were negotiated between the Parties. The Parties

then engaged in bargaining, after which the Union submitted a declaration of impasse to the PERB, which appointed me to arbitrate the dispute. The Parties exchanged last, best offers ("LBO"s) with respect to the issues in dispute.

Hearings were held in the dispute on September 17 and October 3, 2018. In the hearings, the Parties were each afforded full opportunity to present testimony, documents and other evidence, to examine and cross-examine witnesses and to challenge documents and other evidence offered by the other. A transcript of each day of the proceeding was prepared by court reporters present. By agreement of the Parties, the transcripts constitute the official record of the proceeding. Throughout the process, the Parties worked toward voluntary resolution of the issues, which was eventually successful. The terms of settlement have been memorialized in a written document transmitted on behalf of both Parties on November 7, 2018. I have reviewed the terms of settlement and find them to be fair and appropriate. The Parties have requested that the terms of settlement be memorialized in a Consent Award, the Terms of which follow:

A W A R D

In full and final resolution of the interest dispute, the Parties have agreed, and it is AWARDED as follows:
